The Hon'ble Minister for Education,

The Special Officer,
 Malabar District Board,
 Calicut.

Sir,

I would like to state that I was an active congress worker till 1935 and have undergone imprisonment thrice during 1930 and 1932. A certificate of the President, Kerala Provincial Congress Committee, herewith enclosed. I joined the congress movement in 1930 as soon as my school career was over without trying to get any employment though I was only 20 then and fully qualified for Public Service.

In 1935 the circumstances forced me to seek an employment and had applied for Secondary Training in 1935 and 1936 but I was not selected for training on both occasions as the C.I.D. report was not in my favour. Anyhow I was selected for training in 1937 when the first Congress Ministry was formed.

I completed my training course in 1939 and was appointed as a teacher under the District Board, Malabar by Sri K. Kelappan the then President of the Malabar District Board. Then the rule was that only teachers who had completed the practical course were entertained in the Government service. My practical course was over only in October 1940, by which time I was past 30 and so could not get into Government Service. Had it not been for my

congress activities I would have completed my training course sufficiently earlier and got into the Government Educational Department or in any other department without being barred by the age limit. ~~xxxx~~

According to a Government communique Elementary School masters are eligible for Junior Deputy Inspectors' post provided they have completed 10 years service as a teacher and if they are only 35. But it seems ex-military people's service will be deducted from their age for entertainment in public service i.e. if a trained teacher had joined the military service when he was 34 and had served there for 5 years, these 5 years will be deducted from his age and he will not be considered as passed 35.

Now I understand from the Government Communique that the Government have granted some concessions for political sufferers for entry into Provincial Government services the age limit being relaxed from 25 to 35. I am sorry to say that a teacher like me who has suffered a lot for the cause of the country and who can only aspire to be a Junior Deputy Inspector is not at all benefitted by this concession since I am now 39 (date of birth 10-1-1910). An ordinary teacher who has not taken part in the congress activities ^{is} eligible for the Junior Deputy Inspector's post if he is not over 35. So it is only just if teachers ^{like me} who are political sufferers and who are qualified for the posts in all other respects are given further concession and relax the age limit from 35 to 40, otherwise it would not be benefitted to those who took part in the National movement of 1930.

Therefore I request to consider the abovementioned facts sympathetically and select me as a Junior Deputy Inspector of Schools, exempting me from the age limit.

Roc.No.1081 GA/49 dated 4th Nov. 1949.

Sir,

S U B J E C T.

Sri E. Gopalan Kutti Panikkar, Headmaster, Board Boys' School, Velipuram - South Malabar - Exemption from age rule and from the minimum qualifications.

In continuation of my endorsement Roc.No.1081 GA/49 dated 6-10-1949, resubmitting Government endorsement No.30256 A/49-1 Edn., dated 22-4-1949, I have the honour to state that the Joint Director of Public Instruction interviewed Sri E. Gopalan Kutti Panikkar on 26-10-1949 and finds him suitable for recruitment as a Junior Deputy Inspector if the Government are pleased to relax the age rule as also from the possession of minimum general educational qualification.

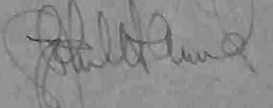

2. Sri Sri Gopalan Kutti Panikkar has obtained the under-mentioned marks in the S.S.L.C.Public Examination 1923:-

1. English	35 per cent.
2. Vernacular Transla- tion and Composition.	34 "
3. Elementary Mathematics.	53 "
4. Chemistry	45 "
5. Physiology	26 "
6. C.Malayalam.	38 "

His marks in subjects 2 and 5 above fall short of the minimum viz. 35%.

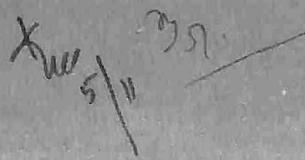

3. In view of the fact that Sri Panikkar is a political sufferer I recommend that Government may be pleased to exempt him from the age rule as also from the possession of minimum qualifications. If this recommendation is accepted, Sri Panikkar will be included in the list of suitable candidates for recruitment as a Junior Deputy Inspector in one of the vacancies reserved for teachers in recognised schools under the management of local bodies and private agencies.

Yours faithfully

For Director of Public Instruction.
