EDUCATION DEPARTMENT

FROM THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to Government,
Education & Public Health Dept.
Madras.

Rc.No.1377 K3/49 dated 23-11-49

Schools--Govt. Training School for masters,
Ootacamund--Employment of a Physical Training
Instructress--Sanction--requested.

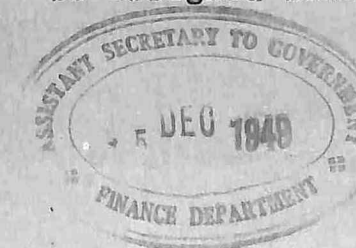

The Government Training School for masters, Ootacamund caters to the needs of both men and women candidates in the District. The number of sections and the number of men and women pupils teachers in the sections are furnished below:--

Grade	No. of sections	No. of pupils	
		Men	Women
Higher Elementary -Senior	2	35	21
" Junior	1	26	23
Secondary Junior	1	21	14
		82	58

A male Physical Training Instructor is employed in the School and he imports Physical education to men-pupil teachers only. The women pupil-teachers in the School are not given instruction in Physical Education as there is no Physical Training Instructress, and as it is not desirable to entrust this work to the male Physical Training Instructor. In view of the importance given to Physical Education in the Training School Course, I consider it necessary to employ a Physical Training Instructress to look to the needs of the women pupil-teachers. In the circumstances I request that Government may be pleased to sanction the employment of a Physical Training Instructress-Grade I- for a period of two years from the date of appointment.

It is reported that the existing male Physical Training Instructor is assigned 12 periods of work per week for men-pupil-teachers. The Physical Training Instructress will also be assigned similar number of periods for women-pupil-teachers.

Yours faithfully,

For Director of Public Instruction

Finance (E.III)

The Director of Public Instruction has recommended the employment of a Physical Training Instructress Grade I on Rs. 50-95 for 2 years, for ^{giving instruction in physical education to} the sake of 58 women candidates in the Government Training School for Masters, Ootacamund. E & P.H., however, have proposed the employment of the Instructress for a period of one year during the school year of 1950-51. The cost involved is Rs. 1158/per annum.

2/. It is not clear whether the need for a Physical Instructress for women candidates was not anticipated at the time of sanctioning the male Physical Training Instructor. The original papers sanctioning the post are necessary for a detailed examination of the proposal. If, however, it is considered that an Instructress is absolutely essential, this Department may suggest that it is enough if a Grade II Instructress on Rs. 45-2-75 is employed instead of Grade I Instructress in view of the fact that the number of women candidates is decidedly less than that of men candidates -
