Sir,

Sub: University - Annamalai - New Science Buildings - Grant for
Work Benches, Furniture etc.

44581

Ref: G.O. 1027 Edn. dated 7--4--1949.

I have to state that in G.O.Ms.967 dated 28-6-'43, Government have sanctioned on full grant basis the sum of Rs.2.25 lakhs towards the cost of Extensions to Science Laboratories and this sum has been drawn in instalments during the years 1945--46, 1946--47, 1947--48, 1948--49.

In the original estimate on the basis of which the original sanction of 2.25 lakhs was made, there was no provision for work benches, furniture for laboratories, rain water pipes and drains for rain water and the electric fittings etc., and as these were considered essential for the completion of the laboratories, Government were approached for a grant of Rs.75,000 being their cost. Government have since sanctioned in G.O.No.1027 Edn. dated 7--4--1949 the payment of a half grant subject to a maximum of Rs.37,500.

I beg leave to point out that the original sanction of 2.25 lakhs towards the New Science Extensions has been on full grant basis and the Government have therefore met the full cost of the scheme. The Grant towards the cost of subsequent additions of furniture, fittings and equipment of the Laboratories etc., should, I submit, be also on full grant basis as the laboratory would be incomplete without the equipment referred to above.

I request that Government may be pleased to reconsider their order and sanction the grant on full grant basis.

Yours faithfully,

P.N.7/6.

Registrar.

From

THE REGISTRAR,
ANNAMALAI UNIVERSITY,
ANNAMALAINAGAR.

To

The Secretary to Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

Sub: University - Annamalai - Extensions to Science Buildings - Grant.

The Government have been pleased to sanction the construction of an extension to the Physics and Chemistry Laboratories and to house the new Zoology and Botany Laboratories. A further sanction on the basis of half cost grant, was made for adding to the provision of workbenches, drains etc. Thus Government have paid full cost on the building, and sanctioned half grant on the additions by way of equipment. Till now this University has, like the old Universities of Madras and Andhra, been given privilege of full grants. Half grants are sanctioned only in the case of aided schools and colleges where there is an agency to supplement the aid of Government. In the case of Annamalai University, the half grant by a private agency may be deemed to have been already made, as the Founder made an endowment grant and gave away all the equipment of the Sri Minakshi Colleges even at the inception of the University. A treatment of full grant given to, two older Universities like Madras and continued for the Andhra, may reasonably be expected to be further continued in the case of this University also, started as it had been with the help of a private benefaction and considered unique by the Government of Madras and the public.

I have therefore to request the favour of full grant being sanctioned in the scheme in all its two parts namely Sir Arthur Hope Laboratory building, (2) the equipment.

Yours faithfully,

K. M. S. Dasgupta
Registrar.

~~From the Registrar~~ dated 7.6.1949.

Order/Ms. 3920 Edn. dated 21-12-48 1804/1312/3/969

In G.O.No.1027 Edn., dated 7.4.1949, the Govt.

sanctioned the payment to the Annamalai University during the current year of a half-grant subject to a maximum of ~~Rs. 37,500/-~~ ^(Rs. Fifty seven thousand five hundred) Rs. 37,500/- for the provision of work benches, furniture for laboratories, rainwater pipes, drains for rain water and electric fittings etc. to the New Science Buildings. The Registrar of the University has ~~applied~~ requested ~~for~~ the payment of ~~full~~ a full grant for the scheme, on the analogy of the grant sanctioned ~~originally~~ for the New Science Buildings. The Govt. ^{regret that they are} have carefully considered ^{unable to sanction a full grant for this work.} the University's request and have decided that a full

grant cannot be sanctioned to the University for this scheme. They, however, direct that the grant for ^{already sanctioned,} this scheme will be paid ^{during the current year} ~~xxxxx~~ as a block grant, ~~xxx~~ without any reference to the actual expenditure incurred by the University ^{on the} ~~scheme~~.

2. The expenditure will be met from the current year's ~~expenditure estimates~~ under provision under "37-a-Education - University - Grants to Universities - C.Annamalai University - Voted - Non-recurring" in the current year's estimates.

UNIVERSITY - Annamalai - Grant for work benches, furniture etc.-Recon- sideration of previous orders.

C.No.44581/49, From the Registrar, Annamalai University, No. Roc.11804/BI dated 7.6.49.

In August 1948, the Registrar, Annamalai University, applied for a grant of Rs.75,000/- towards the cost of provision of ~~provision of~~ benches, furniture for laboratories, rain water pipes, drains for rain water and electric fittings, required for the extensions to the Science Buildings in the Annamalai University. The proposal was considered as a Part II Scheme for 1949-50 and a half-grant of Rs.37,500/- was sanctioned By Govt. for the purpose in G.O.No. 1027 Edn., dated 7.4.1949. The Registrar now states that the original grant of Rs. 2.25 lakhs sanctioned for the Science Buildings in 1945 was on a full grant basis and therefore requests the Govt. to reconsider the orders issued in G.O.No.1027 Edn., dated 7.4.1949 and make a full grant for the additional equipment for the laboratories, instead of the half-grant of Rs.37,500/- now sanctioned.

2. It may be mentioned in this connection that the Govt. have of late been generally sanctioning only half-grants to the Universities for their various non-recurring schemes, viz.-

Details of scheme.	Estimated cost of scheme. Rs.	Grant sanctioned. Rs.
<u>Andhra University</u>		
1. Opening of M.Sc. courses in Geophysics, in 1948.	3 lakhs.	1.50 lakhs.
2. Construction of a boys' hostel.	6.6 "	3.30 lakhs.
3. Installation of a gas plant to the Erskine College of Natural Sciences.	0.60 lakhs.	0.30 lakhs.
<u>Annamalai University.</u>		
4. Construction of hostels for the Minor Irrigation and Road construction Overseers' course.	0.76 lakhs.	0.38 lakhs.

The Govt. have recently turned down the request of the Andhra University for a full outright grant for the Geophysics course referred to in item 1 above. Similarly, the request of the Annamalai University for a full grant of Rs. 9 lakhs instead of the half-grant of Rs. 4.5 lakhs sanctioned for the construction of hostels in the Annamalai University. Please also see in this connection the orders of Secretary at M on p.2 n.f. of G.O.1027 Edn., dated 7.4.1949. The argument of the Registrar

trar

that as the grant for the Extensions to the Science Buildings was on a full grant basis, the grant for the additional equipment for the laboratories also should also be on a full grant basis cannot be supported, since each application for grant from the University is considered on its merits with reference to the present state of Provincial finances.

3. In the circumstances, there seems to be no necessity to reconsider the orders already issued in G.O.No.1027 Edn., dated 7.4.1949. It is for consideration whether the Registrar may be informed that accordingly. Subject to orders, the draft letter below is for approval. Finance may see prior to circulation.

Please see the orders in circulation above. It is presumed that

that the intention is that the amount of grant of Rs. 37,500/- already sanctioned on a half-grant basis should ^{now} be paid as an outright grant without any condition

attached to its payment, and irrespective of the amount the University may incur on this scheme. The orders in Circ. in the linked file is that the Andhra Univ. may be given a full grant. H.M. (Finance) has not seen this case. The file may now

be circulated to ~~H.M. (Edn. & Law)~~ H.M. (Edn. & Law) and H.M. (Fin) for orders.
