Sir,

Subject: Buildings - Teachers' College, Saidapet -
Improvement to the Twin Nissen huts at an
estimated cost of Rs.13,000/-

5 - OCT 1949

76286

The Principal, Teachers' College, Saidapet reports that a sum of Rs.13,000/- will be required for carrying out the necessary improvements to the Twin Nissen huts allotted to his College so as to make them suitable for College use. The Twin huts are proposed to be utilised one for the Manual Training Section and the other as Tiffin Shed and canteen. The huts have to be provided with enclosures on all sides, flooring, doors, windows etc. Further the zinc sheets etc. have to be painted as they have already become rusty. The Principal states that without these improvements the huts cannot be put to any use. The P.W.D. has been consulted by the Principal in the matter and the estimate of Rs.13,000/- was arrived at only in consultation with them.

The work is quite essential and urgent. I therefore request that Government may kindly accord the necessary approval and provide a sum of Rs.13,000/- for the purpose in the budget for 1950-51.

Yours faithfully,

for Director of Public Instruction.

Sub:--Buildings--Teachers' College, Saidapet--Improvements to the

Ref:--My letter Rc.No.1284 K1/49 dated 25-9-49

In continuation of my letter quoted above I have the honour
to state that the Principal, Teachers' College, Saidapet suggests that
instead of entrusting the work to the P.W.D. it may be ordered to be
carried out departmentally, so that it could be done more expeditiously
and perhaps at a lesser cost. I agree with the Principal that the work
can be carried out more expeditiously if it is done departmentally
and therefore request that Government may be pleased to permit the
Principal to carry out the work departmentally. In anticipation
of approval of the above proposal by Government I am including the
necessary provision for the work in the Budget Estimate for 1950-51 under
"works" under the head "37 -(d) Education - University- Government
Professional Colleges- C. Teachers' Colleges" The part II proposal
submitted in my letter quoted above may therefore be considered to have
been withdrawn.

Please see the D.P.D's letter in the ef. The
diminished term Nairan huts have already
been brought to the Teachers College, Saidapet, and
they are lying full well in the compound exposed
to sun and rain. They are already getting rusty.
In another six months the parts will deteriorate
very much. It seems that the expenditure of

least possible delay. Otherwise there is the chance
of the amount spent on their purchase being
wasted. The file may be sent to P.W.D. and

Sir,

SUBJECT: Works - Teachers' College, Saidapet -
Improvements to the Twin Nissen Huts

IN G.O.No.3930 Education dated 22-12-1949 Government
sanctioned an expenditure of Rs.13,000 for improvements to the
Twin Nissen Huts in the Teachers' College, Saidapet. Considering
the very short time at the disposal of the Department for carrying
out the work a provision of Rs.8,000/- only was made in the
Final Revised Estimate for 1949-50. The Principal reports that
a sum of Rs.7,994/- only was utilised last year out of the
above provision and requests sanction for an expenditure of
Rs.4,481/- during the current year to carry out the remaining
items of the work. A copy of the Principal's letter in this
regard is enclosed herewith for favour of information.

2. A provision of Rs.13,000/- (suggested by me in
October last for inclusion in the Budget Estimate for 1950-51)
exists in the current year's Budget Estimate under "works" for
the above purpose.

3. In the circumstances I request to be informed,
whether the resanction of the Government to incur the balance
of the expenditure is necessary or whether the sanction accorded
in the G.O. referred to above holds good for this year also.
If resanction is necessary, I request that Government may be
pleased to accord the necessary sanction in the circumstances
reported by the Principal.

4. I request early orders of the Government in the
matter.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

In the G.O. cited above, Government sanctioned a sum of Rs.13,000/- for improvements to the Twin Nissen Huts in the College. Of this amount only a sum of Rs.8000/- was placed at my disposal for carrying out the improvements during 1949-50 and was asked to carry out the work departmentally. As only part of the work was carried out within the short period and with the sanctioned amount, some items of work had to be left out. I find from the Budget allotment for 1950-51 that a sum of Rs.13,000/- has again been provided for improvements to Nissen Huts under "Works". I have obtained an estimate for Rs.4481/- for the remaining work as per statement attached. I request that you will be good enough to sanction this amount and permit me to carry out the necessary improvements by the contractor who did the work last time. I solicit early orders on the subject as it is my desire that the work should be finished before the beginning of July next.

WORKS - Teachers' College, Saidapet - Improvements to the Twin Nessen Huts.

The D.P.I.'s letter on p.1 c.f. may be perused. He states that out of the amount of Rs.13,000/- sanctioned in G.O.No. 3930 Edn., dt. 22-12-49 for carrying out certain improvements to the Twin Nessen huts in the Teachers' Colleges Saidapet, only an amount of Rs.7,994/- was spent last year and that the Principal requests sanction for an expre. of Rs.4,481 in the current year. He also states that in the current year's budget there exists provision under "works" for the sum of Rs.13,000/- and enquires whether the resanction of the Govt. is necessary for incurring the balance of the expre. or whether the previous sanction accorded in G.O.No.3930 Edn.,dt.22-12-49 will hold good for this year also.

The G.O. does not say that the work should be completed in 1949-50 itself. As there is provision for the work in the current years budget, fresh sanction of Govt. does not seem to be necessary.

The remarks of the Fin. may be invited.
