I am organising benefit performances in aid of the Cancer Relief Fund. For the same, I am herewith sending you the application in which, the Chairwoman, Cancer Relief Fund Dr. S. Lakshmi Reddy also signed on it. I request you sir, to permit me to use the Theatre free from all the expenses since the object of organising such performances is to help the public to have the benefit of having a Cancer Hospital in Madras too like Calcutta and Bombay.

I like to say that the Government too exempted this Relief Fund from Incometax, hence I hope you too will be pleased to permit me to use the Theatre free from all the expenses.

I am awaiting your favourable order.

Thanking you,

No. 3220/49-2

Dated the 29th November 1949.

Sir,

Subject: Museum - Museum Theatre - Reservation by Sri K.V. Ranganathan on the 14th June 1949.

Reference: Government Endorsement No. 91166-1 02 Ebn. dated the 24th November 1949. J. 1 ante

With reference to Government Endorsement cited, I have the honour to state that Sri K.V. Ranganathan has applied for the use of the Museum Theatre on 8th and 14th January 1950. The probable expenditure, the applicant has to incur for each performance is roughly Rs 55/-. This amount covers Rs 25/- as rent for each day, and the charges for current consumption, for the Police attendance, for the wiremen's attendance, for pumping water and for the overtime attendance of the caretaker, in case he has to work over-time. Compared to the rent levied by other halls in the city and considering the better convenience enjoyed in this theatre, I do not consider that the rent charged is at all high and no institution should grudge paying it. Among the other items of expenditure, the main items are for the attendance of Police, Wiremen, and Caretaker. In these hard days it will be unjust to deny

them these charges. - But however, in view of landable object for which their performances are reported to be held, they may be granted half rent concession under rule 40(b) which I consider is adequate in such cases. I have in this connection to state that Government had sanctioned the waiving of all the charges of the theatre only in very exceptional cases like the performances organized by the Army in times of war. I therefore do not recommend waiving of all the charges as asked for by the applicant. With the above remarks I resubmit the enclosures sent with the Government Endorsement cited for necessary orders of Government.

Yours faithfully,

A. Rajappa
