Department, Fort St. George, Madras.

R.O.A5.4730/49, dated 12.9.49.

Sub:- Grants - Teaching - Secondary Education - The
Nilgiris District Board - Net cost - Requested.

Ref:- Para 2 of Government Memo No. 37600-B2/49-1, dated
30.6.1949.

A statement showing the receipts and expenditure of the
Secondary schools under this District Board for the three years
from 1946-47 to 1948-49 is furnished herewith with reference to
para 2 of Government Memo No. 37600-B2/49-1, dated 30th June 49.
It is seen from the statement that the expenditure under Secondary
Education has become a heavy strain on the slender resources of
the Board and the revised system of teaching grant ordered in
G.O.No. 975 Edn., dated 10.5.47 has not afforded sufficient
financial relief to the District Board.

In this office letter A5-5181/47 dated 14.10.47 the Govern-
ment were requested to take over the management of the 3 high
schools viz. Hubbathalai, Nanjoor and Kotagiri from the District
Board, due to its slender resources or as an alternative it was
suggested that the Government may be pleased to consider the
possibility of raising the education cess to Re. 0-8-0 in the
rupee of land revenue. In G.O.No. 2666 Edn., dated 15.12.1947,
the Government declined to take over the management of the high
schools and with regard to the raising of the education cess final
orders of Government are still awaited. The Nilgiris District
Board was getting arrear toll compensation grant of Rs. 1,44,100/
annually from 1945-46 and so it was possible for the Board to
balance the budget. This grant has been discontinued from
1949-50, and consequently it may not be possible for the Board to
balance the budget in future years unless the Government sanction
a subsidy for running the high schools. I, therefore, request
that the Government may be pleased to sanction a subsidy equal to
the net cost involved for running the three high schools.

Special Officer,
District Board, Nilgiris.

Order no 3945 Education dated 23.12.49
The President, District Board, The Nilgiris

is informed that the request that teaching grants
may be paid on the basis of the full net cost of
maintenance of the three Secondary Schools
under the control of the Dt Bd cannot be complied
with.

To
The P.D.B., The Nilgiris
-- D.P.D.
S/C.E.

Under the revised system of aid introduced from
1.1.47, teaching grants are payable to all recognised
secondary schools under local bodies on the basis
of one half of the net cost of maintenance of those
schools. In addition grants are also paid towards the
expenditure incurred on payment of dearness allowance
to the staff and also compensation towards fee income
foregone on account of the grant of fee concessions
under rule 92 of the M.F.R. and also scholarships.
This has afforded considerable relief to local bodies. It is not
possible to vary the basis of assessment with reference
to the financial position of each local body. Teaching
grants on the basis of full net ^{cost} are being paid only
in respect of secondary schools newly opened
in taluk not served by even a high school boys
and the concession is limited to a period of five years.

from the ^{year 4} opening of the schools. The question of restricting this concession to a period of three years and also altering the basis of assessment to three fourths of the net costs in respect of schools that may be newly opened in future is under separate consideration. The special subsidy system is not applicable to schools already opened. It may be mentioned that in respect of the middle school newly opened at Gudalur special aid has been given. The request of the D. B. D. may be negatived. The draft order above is for approval.

1/12/49. 2-12-49. April 14. What delays order in the proposed to raise the cen.

With reference to the Secretary's query above, it is submitted that while examining the B. E. for 1949-50 of the E. E. fund of the D. B. D. at Nilgiris, it was found that the fund may close with a ^{small} deficit of Rs. 1,950 only at the end of the current year, and the S.O. was instructed to make up this deficit by an additional contribution from the general funds. Thus it was not necessary at that time to raise the educational tax under the D. B. D. The S.O. further addressed the Govt. to raise income tax rate of educational tax under the D. B. D. for which he was given a reply that the question will be considered, if necessary, on receipt of the R. E. for 1949-50.

It may be noted that the general question of uniform rate of ed. tax is under consideration of the Govt. It is proposed in that file an addl. contribution is made from the go. fund in respect of ed. tax, there may not be any need to raise

raise the rate of ed. tax.
