Office of the
Superintendent, Government Press,
Madras, 24th Novr. 1949.

From
Janab R. Siddique,
Superintendent,
Government Press, Madras.

To
The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,
Sub: Government Press - Establishment - Press and
Machine Department - Additional staff - requested
Ref: G.O.No. 3531, Edn., dated 16-11-1949.

I have to state that sanction has been accorded to
one Foreman on Rs 90-150, 9 Junior Machine-men on Rs 35-55
and 9 Layers-on on Rs 30-50 as against my request in my
letter dated 2-8-1949 for one Foreman on Rs 90-150, 9 Senior
Machine-man on Rs 40-70 and 11 Layers-on on Rs 30-50.

2 The staff requested by me in my letter dated 20-6-49
was revised as per my letter dated 2-8-1949 in view of the
sanction of the requisitioned staff vide G.O.No. 2020, Edn.,
dated 24-6-1949. The original requisition was for 17 machines
consisting 13 bigger machines and 4 smaller machines. In
this G.O.No. 2020, dated 24-6-1949 satisfied the needs of
4 big machines and 4 small machines transferred from the
Penitentiary Branch Press. The modified requisition was
therefore only for the new big S.W.2 machines received from
England. These require to be manned by two men - one Machine-
minder and one Layer-on. The minimum staff required for these
are 9 Machine-minders and 9 Layer-on for which only 9 Machine-
minders and 5 Layers-on have been sanctioned. This leaves
four machines from being put into operation by paid hands as
these are short of four Layers-on. Without the sanction of an
additional four Layers-on on Rs 30-50, the machines cannot be
worked.

3 The two extra Layers-on on Rs 30-50 were for the
purposes of increasing the strength of forme carriers due to
the advent of 17 extra machines (9 new machines and 8 old
machines) whereby increase in the work of carrying of formes
is inevitable. Therefore to maintain un-interrupted service
to these extra machines, the services of two additional
Layers-on or Forme Carriers of the grade of Rs 30-50 is
absolutely necessary.

4 I have further to state that in accordance to my
detailed explanation in para 3 of the letters dated 20-6-1949
and 2-8-1949, Junior Machine-minders will not be capable
enough to produce the requisite kind of work on these machines.
To maintain efficiency in the class of work, e.g., colour
work, half-tone blocks and other works requiring perfect
register and blocking, men with the necessary experience
and efficiency are vitally essential. These latest type
of machines with high speed, are specially intended for this
class of work and unless the right type of men in the class
and category to shoulder responsibility are posted, loss to
Government in the shape of machine costs and production will
entail.

5 In the circumstances stated above, I request that
Government may reconsider their decision in the light of the
facts and sanction the post of 6 additional Layers-on on
Rs 30-50 and convert the post of 9 Junior Grade Machine-minders
on Rs 35-55 to that of Senior Machine-minders on Rs 40-70.

I request that early orders may be passed in the interests of work and efficient running of the Machine Department.

Snr: Govt. Press - Press and Machine Dept
Addl. Staff.

Ref: From the S.G.P. No. A.S. 2 / Mech S.B.C.

of 24.11.49.

The S.G.P. requests that in the circumstances stated by him in his letter in the of the orders in No. 3531 Eon of 16.11.49 may be reconsidered and the full complement of the staff applied for in his letter No. S.B.C. Part of 2.8.49. may be sanctioned. The question was carefully considered before the staff was sanctioned and there seems no necessity to re-examine the question, as no new facts are now brought forward by the S.G.P.

The S.G.P.'s request for the addl staff of 6 layers on conversion of the posts of 9 Junior Machine minders into that of 9 Senior Machine minders may therefore be regarded. ~~For order~~ The staff was sanctioned in the No. 3531 Eon of 16.11.49. ~~was~~ applied in letter to Hon (S.C.C.) Hon (F.) after following New Senior Process.

The S.G.P.'s proposal for the employment of nine Senior Machine minders in lieu of Junior Machine minders sanctioned in the go, need not be accepted. But in the circumstances explained in paras 2 and 3 of his letter, the Supt's request for the employment of six layers on in the scale of Rs 30.50, seems to be acceptable.

in the Govt Press Madras. The extra cost involved works out to Rs 3264/2 p.a. The sanction for the posts may be co-terminous with that of the staff sanctioned in G.O. NO. 3531 Edn of 16.11.49.

2. As regards the employment of two addl layers - on or byme carriers, the reasons given by the S.G.P. in para 3 of his letter on p.10.F are not convincing. The request does not appear to have been made with reference to any definite standards. He may be asked to co-vent the working of the new machines into the staff of already sanctioned, and the question of employing any addl staff may be considered in the light of the experience gained.

3. If the suggestion of this dept. in para 1 above is accepted, the extra cost on staff as already stated works out to Rs 3264/2 p.a. and the case will have to be circulated to HM (fin) before the issue of orders.

The case relates to the proposal of the S.G.P. to sanction additional staff of six layers on to convert the posts of 9 junior Machine minder to that of 9 Senior Machine minder in the Press & Machine dept. This dept. supports the employment of only 6 layers on in the scale of Rs 30.00. Finance agrees to sanction only 4 layers on. They state that the extra cost works out to Rs 3264/2 p.a. For order sanction the proposal of Finance may be agreed to. The file may be circulated to HM (Edn) & HM (fin).
