An annual return on the unprotected ancient monuments or other objects of archaeological interest is being submitted to the Government in Pdl.1629-G-52-Bl, as per Board's L.Dis.859/50 dated 17-8-50.

2 It is seen from the Government memo cited that the annual consolidated return on unprotected ancient monuments prescribed in Government Memo No.27597-E/50-1 Education, dated 27-9-1950 need not be sent to the Government in future.

B/2

3 It is presumed that the Periodical referred to in para 1 is the periodical concerned with the Government Memo cited in para 2. Since the Government Memo No.27597-E/50-1 is not available in this office, it could not be decided as to what is the annual return that has been ordered to be discontinued in the Government Memo cited.

B/2

4 I therefore request that a copy of Government Memo No.27597-E/50-1 Education, dated 27-9-50 may please be sent to me for reference.

Sir,

Sub: CENTRAL ADVISORY BOARD OF ARCHAEOLOGY - Resolution on unprotected ancient monuments in Provinces.

Ref: Letter from the Government of India, Ministry of Education, D.No.5056/49/A2 dated 8-12-1949.

The Government of India, Ministry of Education, have in their letter cited, requested that the State Governments ~~to~~ may instruct the touring staff of the Education, Revenue and Police Departments to report to the State Government about the old unprotected monuments, mounds, sculptures, etc., which they may come across in the course of their official tours and that State Govts. may ~~and the State Government may~~ place the information thus collected at the disposal of the Archaeological Department and the Universities of the States at the end of the year. This Government accepted the suggestion and issued instructions to the concerned heads of departments. ~~(According to these instructions, the reports have to be submitted to the State Government by the touring staff of the Departments referred to above and the State Government are required to collect the information and place it at the disposal of the Archaeological Department and the Universities at the end of the year).~~ However, it is found that the adoption of this procedure, besides throwing some additional work on the State Government, will not enable the Archaeological Department to take quick action where it is considered necessary. If, on the other hand, the Inspecting Officers send their reports direct to the Superintendent (Govt. Museums, or the Supdt.) of Archaeology concerned, those authoriti

This Government would therefore suggest that the inspecting officers of the Education, Revenue and Police Departments may be required to send the reports to the Superintendent of Archaeology and to the Superintendent, Government Museum, Madras, if they have any material to report upon instead of to the State Government. The Superintendent of Archaeology or the Superintendent, Government Museum, may send a ~~consolidated~~ report to the Universities and also to this Government where any action on the part of these authorities is called for.

2/ In pursuance of the resolution of the Central Advisory Board of

Archaelogy passed at its sixth meeting held on 7.2.1949, the Govt of India required the State Govts to instruct the touring staff of the Education, Revenue and police Depts to report about the old unprotected monuments, mounds, sculptures etc which they may come across in the course of their official tours and to place the information thus collected at the disposal of the Archaelogical Deptt and the Universities of the State at the end of the year. The resolution of the Central Advisory Board of Archaelogy was communicated to the Board of Revenue, D.P.I, I.G. of Police and the Supdt. Deptt of Archaelogy for necessary action – Vide G.O. No. 3949 Edn d 23.12.1949. The above Heads of Deptts were also informed in Memo No. 27597 E/51-1 Edn d 27/9/1950 that the information should be furnished to Govt by the 15th December of each year commencing from December, 1950. 3/ The question may perhaps be considered in this connection whether the consolidation of the reports should be done in this Deptt or whether the Collectors, D.P.I and the I.G. of Police may be asked to send the reports direct to the Archaelogical Deptt. From the Govt of India's letter on pages 1-2 cf of (E), it is seen that copies of the consolidated report should also be sent to the Universities of the State. Archaeology - Unprotected ancient monuments - Submission of annual reports.

From the Inspector-General of Police, Rc. No. 1164/HB/52 dated 29.7.1952.

p. 1 c.f.

(R) 19-20 c.f.

In Memo. no. 48755-E/51-6 Edn. d 12.7.52, the DPI, the I.G. of Police and all the Collectors of Districts were informed that in future their reports, if any, on unprotected monuments or other objects of archaeological interest which they or their subordinate officers come across in the course of their official tours might be sent direct to the Supdts. of Archaeology, Southern or Southeastern Circle, as the case may be, as and when such cases were noticed. They were also informed that such reports might be simultaneously sent to the SGM & the Dir-Genl. of Arch. to enable these officers to take urgent action wherever necessary. The I.G. of Police has now raised the following points:-

A | direct to the Supdts. of Archaeology, Southern or Southeastern Circle

B | these officers to take urgent action wherever

(1) Particulars of the district over which the Supdts of Archaeology, Southern & Southeastern circles have jurisdiction.

(2) Whether the reports may be sent by the officers of & above the rank of D.S.Ps direct to the authorities mentioned at 'A' & 'B' above and whether it is not necessary to send a consolidated report to Govt as required in Memo. no. 27597-E/50-1 Edn. d 27.9.50.

(M) 2

2. (1) above: The Superintendents of Archaeology, Southern and Southeastern Circles may be requested to furnish particulars of the Dts. over which they have jurisdiction to the DPI, IG of Police and to all the Collectors.

P.T.

(2) above:- There does not seem to be any objection to the officers of the rank of DSPs & above sending the reports direct to the Supdts. of Arch., SGM & the Dir.-Gl. of Arch. The direct submission of the reports will avoid the delay in the consolidation of the reports by the Head of the Dept. and will facilitate the taking of urgent action wherever necessary. In the circumstances, it is for orders whether general orders may be issued to the effect the reports may be sent direct to the authorities concerned by the officers of & above the rank of DSPs & DEOs. In the case of Revenue Dept., the Collectors may send the reports, since there are no higher officers above them in their districts.

Since the DSPs & DEOs & the officers above them & the Collectors are to send, in future, their reports direct to the Supdts. of Archaeology, SGM & the Dir.-Genl. of Arch., it is not necessary for the DPI., IG of Police & the Collectors to send a consolidated report to Govt. as ordered in Memo no 27892-E/50-1 Edn dt 27.9.50. The ~~[illegible]~~ G.G. may be informed accordingly. ~~[illegible]~~

3. After orders are passed, the file may be sent to Home and ~~Revenue~~ Departments for remarks.
