To

Sri K. Madhava Menon,
Minister for Education,
Government of Madras, M a d r a s.

I am directed to submit to you the following resolutions passed unanimously at the General Meeting of the Council held on Wednesday 14th September 1949 under the Chairmanship of His Grace Dr. Mathias, Archbishop of Madras, for favour of consideration.

The Council is representative of 30 Ecclesiastical Dioceses in South India and the Educational Institutions in their jurisdiction.

RESOLUTION I :- "That the Government be requested to pay the entire salaries of all the Elementary School teachers and that the scale of pay be the same as those paid to teachers in Government and Board Schools."

RESOLUTION II :- "The Catholic Educational Council of South India expresses its grateful thanks to the Government for exempting schools opened before 1st June 1948 from the creation of endowments. It regrets, however, that similar exemption has not been extended to schools opened thereafter.

It requests the Government that in case of Schools maintained by organised educational agencies, such as Dioceses or Religious Orders to authorise the Director of Public Instruction to accept an assurance given by the head of a Diocese or Religious Order as a guarantee for the financial stability of such schools and to exempt them from creating an endowment."

RESOLUTION III :- "As the Requisition Bill is unnecessary and impracticable, the Council requests the Government to drop the Bill".

Thanking you,

I remain,
Yours faithfully,

A. Theodore

TO:
The Secretary,

Secretariate,

Dear Sir,

We acknowledge with thanks receipt of your G.O.
No. Ms. 3953 dated 27th December 1949 which we assume will permit
the opening of schools, now prevented by the difficulty of
finding endowments and we are circularising it to our Schools.

While we appreciate these small mercies, we trust the
Government will completely give up their demand for endowments
which restricts the expansion of education.

Yours truly,

SECRETARY
TO THE CATHOLIC EDUCATIONAL
COUNCIL OF SOUTH INDIA.

As regards the request of the Catholic Educational Council of South India for the introduction of Govt. scales of pay or local body scales of pay for teachers in aided elementary schools, the Director states that it deserves no consideration in view of its financial implication. His views may be concurred in. In the present difficult financial position, it is not possible to undertake any additional recurring liability.

2. Resolution No II relates to the question of creation of endowments for Secondary Schools maintained by Corporate agencies like Dioceses or Religious orders. The Council requests that in such cases the creation of an endowment need not be insisted upon even if the schools were opened after June 1948. As stated by the Director the question whether any endowment should be insisted upon in respect of schools opened after June 1948 is under consideration. The Director's specific recommendations in the matter are awaited. In view of this no action seems called for on this resolution. The Director is already for willing the management to provide the endowments.
