~~SECRET~~ SECRETARY TO GOVERNMENT.

65940

THE Chief Secretary to the Government of Madras.

SIR,

I write to inform you that the qualification prescribed for the teachers and Headmasters of weaving schools in the State is the Madras Government Technical Examination in Weaving, Lower and Higher Grades. Some years ago Nagercoil was a centre for these Madras Government Examinations and large numbers of Travancoreans appeared and got themselves qualified to be posted as teachers and Headmasters in Weaving Schools. Ever since the abolition of that centre some time back the people have been moving Government for its revival. As this Examination centre at Nagercoil is an indispensable one, I request that you will be so good as to accord necessary permission for the opening of a centre at the S.M.R.V. Weaving Institute, Nagercoil for the holding of the Madras Government Technical Examination in Weaving. The conduct of the examinations will be under the supervision of the Department of Industries. An early reply in the matter is solicited.

Yours faithfully,

Secretary to Government.

I have consulted the Lecturer in Textile

The syllabus for the examination will be
available with the Director of Public Instruction, Madras.
The same examination can be conducted at Nagercoil, if
