Re.No.A16.44016/49, dated 11-12-1949.

17 DEC 1949

Sir,

Sub:- TOOLS AND PLANT - Furniture - Supply of - Board
Secondary Schools etc. - From the District Board
Industrial School, Tanjore - Non-invitation of
tenders.

Ref:- Rc.No.1558-G2/49, dated 9-11-1949 of the Director
of Public Instruction, Madras.

The District Board of Tanjore is running an Industrial School of its own from the year 1936. Eversince the school was opened articles of furniture required for the several educational institutions, medical institutions, maternity and child welfare centres, rest-houses, etc., are being manufactured in the school and supplied to the several institutions under the control of this District Board and the cost thereof is being adjusted to the credit of the said District Board Industrial School in the accounts of this office. No tenders or quotations are called for before placing orders for the supply. During previous years Government grant sanctioned under Part II scheme for the supply of furniture to Board Secondary Schools etc., have been earned after getting the supply from the District Board Industrial School. The cost of articles manufactured at the school is being calculated taking into account the actual cost of materials used, labour charges plus 20% supervision charges.

During the current year when proposals for inclusion of indents in Part II scheme of 1950-51 were sent to the Director of Public Instruction, Madras, he called for competitive quotations for the supply of furniture to Board High Schools and he was informed in my N.Dis.A16.37746/49, dated 6-10-1949 that as the District Board is running an Industrial School of its own, it is not the practice to call for quotations for the supplies required.

The Director of Public Instruction has while approving the indents for inclusion in Part II scheme of 1950-51, suggested to me that sanction

P.T.O.

of Government may be obtained for placing orders with the District Board Industrial School, Tanjore, without calling for tenders. I therefore request that Government may be pleased to accord early sanction for the supply of the articles of furniture indented for the Board Secondary Schools from the District Board Industrial School, Tanjore, without calling for tenders.

C. Wharm
