Sir,

R.C.No.436-B1/47 dated 7-11-1949.

Sub: Education - Teachers under Government and local
bodies - Payment of craft allowance - Certain
omissions and corrections - Pointed out.

Ref: G.O.No.2392 dated 22-7-1949.

While issuing the G.O. cited above I presume my recommendations for including 'Home craft' Training exclusively conducted for women teachers at selected centres were not been taken into account and included among the crafts. In this connection I invite the attention of Government to my letter R.C.No.436-B1/47 dated 10-9-1948 and R.C.No.166.K1/48 dated 31-3-1949. As Home Craft Training for women teachers is an important qualification, I suggest that this may also be included under Item II of para 3 (1) II of the G.O. cited above. Secondary and Collegiate Grade Teachers.

I am also to point out that among the various Scout Training certificates included at the end of para 3 (1) II there are certain verbal errors. I suggest the following terms may be substituted for the terms used in the G.O.

for the existing terms	please substitute the following.
1. Blue Bird Flock Leaders in item (d)	Blue Bird or Bul Bul Flock Leaders
2. Scout Leaders in item (e)	Girl Scout or Girl Guide Captains or Ranger Scout Leader.
3. Junior Red Cross Leaders item (f)	Junior Red Cross Counsellors.

In my letter R.C.No.436-B1/47 dated 14-10-1948 to Government I also recommended that the teachers who have undergone the Manual Training Course in the Teachers' College, Saidapet and who hold certificates issued by the Director in respect of the subjects specified therein may be considered as qualified in craft. I presume that these recommendations have also been considered and that the last sentence of paragraph 3 (3) of the G.O. included these suggestions.

In paragraph 3 (6) the implication of the term Handicraft is not clear. I presume the term Handicraft occurring in the G.O. is an error for Home craft. This doubt may also be cleared.

With reference to paragraph 4 of the G.O. I am to state that in respect of the following craft alone necessary facilities for the training of teachers will have to be provided, as in the case of other subjects the teachers have to make their own arrangements for appearing for the Government Technical Examination or undergo the Scout Training given by the Scout Organizations or the other training given by the St. John's Ambulance Association Regulations such as First Aid.

- 1) Spinning (according to the syllabus and test prescribed by the Director.
- 2) Retraining in Basic Education at the centres organized p.t.o.
