No. 2278-24/49 Dated 23-12-1949.

Sir,

Sub: Educational Exhibitions at Guindy and Teynampet.

Ref: 1) G.O.Ms.32 Finance Department dated 16-1-1949.
2) G.O.Ms.No.3069 Edn., dated 4-12-1948.
3) Govt.Memo No.85817-C2/48-8 Edn., dated 26-1-1949.

I have the honour to state that in connection with the All India Khadi and Swadeshi Exhibition, Teynampet held last year, the expenditure incurred by aided educational institutions for participation the preparation of charts, exhibits, and other materials was treated as an admissible item of expenditure for purposes of teaching grant and that the Government Institutions were also permitted to incur the necessary expenditure from the provision under contingencies. I have issued similar instructions this year to the District Educational Officers and the Chief Inspector of Physical Education to issue necessary circulars for this year's exhibition in anticipation of the approval of Government. In the case of exhibits these instructions would apply such of them as those which after display at the exhibition could be taken back and used by the schools subsequently, as distinct from exhibits which are departmentally prepared and paid for from the amount sanctioned by Government and the permanent ones among which will be retained by the Department and used at other exhibitions in the City and in the Mofussil as was done in 1949. In the case of Government Institutions the expenditure was permitted last year to be incurred from the provision under contingencies and similar instructions have been issued this year. I therefore request that the Government may be pleased to approve of my action and permit the above arrangements this year also.

p.t.o.

2. In Government Memo No.85817-C2/48-8 Edn., dated 26-1-1949, it was ordered that conveyance charges at the rate of Re.1/- per member should be paid to the members who attended the meetings and that the expenditure be met from the lump sum allotment sanctioned by the Government. This year the Exhibition is held in a much larger scale at Teynampet besides the Engineering College Exhibition at Guindy. As such, the conveyance charges connected therewith may be higher than last year. As the lump sum allotment sanctioned by the Government is hardly sufficient to meet the various incidental charges I request that the Government may be pleased to permit the institutions concerned to meet the conveyance charges from their own funds in the case of the new sections of the Exhibition at Teynampet (such as Physical Education, Teaching of the Blind, Demonstration of Craftwork by the blind etc.) and of the Educational Section of the Exhibition at Guindy and to include this as one of the admissible items of expenditure for the purposes of teaching grant and that Government Institutions may be permitted to incur the conveyance charges from the provision under contingencies.

3. I further request that Government may be pleased to permit as they did last year in G.O.No.Ms.32 Finance dated 11-1-1949, the Government Servants who have been deputed to take part in the Exhibition may be allowed to draw D.A. for all days on which they have worked throughout the day at the Exhibitions at the rates that would have been admissible to them under the rules had they been absent on tour outside Madras.

4. Lastly, I further submit that in spite of the above provisions which are the same as for last year, the amount sanctioned by Government viz. Rs.10,000/- in G.O.No.Ms.3640 Education dated 25-11-1949 will not be sufficient. After estimating all these additional items of expenditure and having regard to the facts that exhibition is held in a much larger scale both at Teynampet and at Guindy, I submit that I am approaching Government for the sanction of additional allotment in a separate communication.

Yours faithfully,

J. P. Pantanali

R.C. No.2278-L4/49 dated 23--12--1949

Sir,

Sub: All India Khadi and Swadeshi Exhibition --
Additional allotment -- Sanction of.

In G.O. No.3640, Education dated 25-11-1949 Government sanctioned an expenditure of Rs.10,000/- towards the expenses in connection with the arrangements to be made by this Department to participate in the All India Khadi and Swadeshi Exhibition at Teynampet and the Engineering College Exhibition at Guindy. In my letter Rc.2278-L4/49 dated 23--12--1949, I have already explained that the exhibitions at Teynampet and at Guindy are held on a very large scale this year as distinct from last year, both from the view point of quality and quantity. A mass drill and physical education display have been arranged at which His Highness the Maharaja of Bhavanar, Governor of Madras, is to preside on the 5th January and a large number of schools are expected to take part. Elaborate arrangements have had to be made and as such members of the Exhibition Subcommittee had to meet frequently to devise ways and means of making the Exhibition a complete success. Volunteers, Watchmen and propagandists drawn from all quarters had to be selected and posted at the Exhibition. In these circumstances I may state that the contingent expenditure by way of conveyances and other incidental charges etc. is likely to increase. As such, I request that Government may be pleased to sanction an additional allotment of Rs.5,000/- as requested by the District Educational Officer, Madras, in his letter Rc. 401-U/49 dated 19--12--1949.

Yours faithfully,

J. P. Pantanali

Please see the letters from the D.P. on 1-3 CF.

Attention is in this connection invited to this deptt note on 17th of G.O. at (A). In the order issued in G.O. No 3640 Edn of 25-11-49, the D.P. was specifically informed that the expe for participation in both the All India Khadi and Swedish Exhibition at Teyanpet and the Engineering College Exhibition at Quindry should not exceed Rs 10,000/- on any account.

For the reasons urged in his letter on 1-3 CF, the D.P. now requests that sanction may be accorded for an additional expe of Rs 5,000/- as he has accepted the Director's proposals. It is ^{acute} noted that in view of the present financial stringency, this deptt has been stressing the need for economy in all directions and following this the Director was asked to restrict the expe to Rs 10,000/-. In view however, of the reasons stated on 1-3 CF, this deptt may suggest that the D.P. may be asked to restrict the ^{further} expe to Rs 3000/- for orders.

6 Finance (Exp. B.) Department

In G.O. No. 3640 Edn. dated 25-11-49, the Government sanctioned an expenditure of Rs. 10,000 towards the expenses in connection with the arrangements to be made by the Education Department to participate in the All India Khadi and Swadeshi Exhibition (1949-50) at Teynampet, and the Engineering College Exhibition (1949-50) at Guindy. As advised by this Department, the Director was requested to see that the expenditure did not exceed Rs. 10,000 on any account. In December 1949, however, the Director of Public Instruction applied for an additional allotment of Rs. 5,000. This Department noted that it was stressing the need for economy in all directions in view of financial stringency and suggested that the D.P.I. may be asked to restrict the further expenditure to Rs. 3,000. Accordingly in G.O. No. 3997 Edn. dated 30-12-49, sanction was accorded to an additional expenditure of Rs. 3,000 over and above the amount of Rs. 10,000 sanctioned in the G.O. at (P). The Director has now asked for sanction for a further additional expenditure of Rs. 1,000.

It is reported that the Principal, College of Engineering, Guindy is having a balance of Rs. 4,500 out of the transactions relating to the Exhibitions. The Director has proposed that the amount may be set apart for the college as an Exhibition Fund so that it may be available for initial expenditure for any future exhibition.

Education have put up a draft Order sanctioning the above proposals of the D.P.I.

It does not seem necessary to set apart any amount as an Exhibition Fund as proposed by the Director. He will have to come up to Government for incurring expenditure in connection with exhibitions as Government or Heads of Departments do. It is seen from the Director
