The note at p.4 of "Y" may be seen.

Out of every 4 substantive vacancies arising in the Administrative Section of the M.E.S. (posts of D.E.Os., etc.), ^{one} ~~two~~ should be filled or reserved to be filled by the direct recruitment of teachers employed in recognized non-Govt. secy. schools. It is not as if a particular vacancy out of the ~~the~~ ^{another} vacancies will be available only for municipal teachers and ~~the other~~ ^{another} ~~only~~ for local body teachers, and a subsequent vacancy will be filled only by an aided school teacher. Teachers from recognized non-Govt. schools, belonging to all the 3 categories, will be eligible to compete together, for the vacancies. The answer to clause (a) of the Assembly question may therefore be:

"No."

2. No non-Govt. secy. school teacher has been recruited so far to the higher inspectorate. In the estimate of candidates to be recruited direct to the MES during 1949, sent to the M.P.S.C. a few days ago, the Commission has been asked to select two non-Govt. secy. school teachers for appt. as D.E.Os. The statutory service rules were amended in April 1948 and the teachers are eligible only for vacancies arising since. This was the first estimate for direct recruitment due with the Commission after the amendment ^{of the rules.} ~~due with the Commission after the amendment of the rules.~~ The answer to clause (b) may, it is suggested, be:

"No recruitment has so far been made from among teachers employed in non-Govt. secy. schools to the Administrative Section of the M.E.S. (Men's Branch), in which the posts of D.E.Os. are included. Two such qualified teachers will be recruited as D.E.Os. during 1949."

3. ^{The file may be circulated to H.M. (Edn.)} ~~For private use to H.M. (Edn.)~~

I think we have reserved out of 4 seats only one to be filled by direct recruitment of teachers employed in recognised non-Govt. secondary schools and not 2 as referred to at A above.

(contd.)

(specify date)

The answer may be:-

"Orders have been issued that for recruitment of D.E.Os. after - - out of every 4 substantive vacancies arising in the Administrative Section of the M.E.S., one may be filled or reserved to be filled by the direct recruitment of teachers employed in recognised non-Govt. secondary schools. By "recognized non-Government secondary schools" ^{as} ~~the government~~ meant teachers employed in all recognized schools outside Government service, namely, District Boards, Municipalities or aided schools. No recruitment has so far been made on this basis till now".

This may be checked up and the draft answer put up.

The mistake at A at p.2 ante is regretted. Only 1 out of every 4 vacancies shd. go to non-Govt. secy. school teachers. The fact is that the Commission has been asked to select non-Govt. school teachers for two out of the vacancies due to occur next year ~~xxxxxxx~~ and that no. wrongly crept into the portion of the note. ~~In the answer suggested, however, the no. of vacancies for which the teachers were eligible was not been mentioned.~~

The answer as at p.1 C.F., which is a slight verbal modification of H.M.'s draft above, is for approval.
