9th February, 1949.

Dear Sir,

Ref: Letter No. 96663-B1/48-3-Edn. dated
5th Feb. 1949 from the Secretary to Govt. Education
Dept. to the Provincial Secretary, Hindustan Scouts.

I am very sorry to note that the Govt. do not consider it necessary to sanction the balance of Grant to the H.S.A. for the current year, namely Rs. 5250/- as the question of amalgamation of the Scout Associations in this Province is in progress, and I desire to point out that the conclusions arrived at are not justifiable.

Though we, the H.S.A. in this Province exhibited the greatest anxiety for amalgamation into one Association, we are helpless since the unity is to be effected at the All India level. The All India Authorities of all the three Associations have formed a small Committee with H.E. Mangaldas Pakwasa Governor of the C.P. as the Chairman, and Pandit H.N. Kunzru, Justice Vivian Bose, Mrs. Captain, and Dr. Tarachand (personal Secretary to the Hon. Minister of State for Education) as members, and they are at the work taking their own time. We are forced to continue as a separate body in the said circumstances, much to our dislike. Thus we are obliged to keep a separate staff, and do our work separately for which we require funds.

I was anxiously waiting for an opportunity to meet the Hon. Minister for Education personally and explain matters for paying the balance of Government Grant Viz. 5250/- since our separate existence is inevitable due to the circumstances beyond our control, but the latter was away on the Northern Indian tour for some time, and he was not well thereafter. But in the mean while

the Govt. letter referred to above has come, and it is really a bolt from the blue. Our annual expenditure comes to about Rs. 25 to 30 thousands, and after what the Government pay is only Rs. 10500/- . We have done some substantial work during this year and our strength has far excelled to that of last year. We were quite earnest all the while to unite ourselves into one Association as desired by the Hon. Minister for Education, but it has not come to fruition yet for no fault of ours. If the Government do not pay us the balance of the Government, I am sorry to state that we will be left in the lurch, and the national youth movement which the Government are bound to nurture in the good interests, and well being of our country, will be greatly handicapped in its useful work.

Hence I very strongly plead that the Hon. the Minister for Education be pleased to order the payment of the balance of the grant due to us, namely Rs. 5250/- immediately as we are very much hard up for funds.

Solicit the favour of urgent and sympathetic consideration, and a kind and favourable reply.

Yours sincerely,

(K.A. Nachiappa Gounder.)

To

The Premier and

The Education Minister

Dear Sirs,

I am writing on behalf of the Hindustan Scout Association. I hope I am not prejudicing their cause by my espousal of it.

Unification of Scouting has been decided on and the constitution is being framed. It is a question of time not a thing that will fail.

EVERY PROVINCE EXCEPT MADRAS HAS CONTINUED THEIR CONTRIBUTIONS AND IN SOME PROVINCES I AM TOLD THAT MORE MONEY REQUIRED FOR THE HINDUSTAN HAS BEEN GIVEN. Madras stands alone in its stand against grants to the two organisations until the unification has been effected and they can give the money in one consolidated amount into one hand. May I earnestly request that the matter may be reconsidered and grants given this year as before to both organisations so that their work might be carried on..

Work that has to be carried on suffers for inadequate funds.

PRAY CONSIDER

yours sincerely

We are glad to inform you that all arrangements for Merger of the Scout and Guide Associations in India are nearing completion and it is expected that one Unified Scout Association will function from 1st April '49. In the mean-time, we request that the Boy Scouts, the Hindustan and the Girl Guides Associations may kindly be granted the usual annual grant provided in the Budget so as to enable them to meet all their financial commitments without any unpaid liabilities and start the United Association in Madras without any encumbrances.

Dear Mr. Vivian

I am exceedingly glad to have your letter conveying the glad news. At Nagpur I went to the Mr. Vivian Rose C.J. who is in charge of the drafting of the Amalgamation programme and the new Constitution of the Untited Scouts. He told me that the delay was due to new points cropping up and he expected it to be completed by April or May. He said that if the Govt would give the contribution for this year 1948-49, the amalgamation will have been effected in 1949-50 and divided grants will not be necessary. Before I could convey his suggestion to you, you have yourself given the necessary directions.

the Scout groups in Madras will
be deeply grateful to you and I need
not add that you have *misinterpreted* too

I am writing to Hridayanath Kunzru
to expedite the amalgamation by
meeting early if necessary to settle
the constitution. I learnt that
recently Mr. Bose, Kunzru and H E
Pakwasa, Governor of C.P. all ^{three} met.

Dear Mr. Chettiar,

I thank you very much
for your kind letter of the 14th instant intimating
to me of the fact of sanctioning the entire balance
of the grant due to us. We have got the G.O. since,
and I feel highly grateful to you for having appre-
-ciated the situation in which we are placed, and
complied with my request for the payment of the ----
grant.

We are doing all in our power
to achieve unity at the earliest possible date. But
unfortunately, the matter being one of all India
affair, we are helpless ~~to do~~ do any thing further.
In this connection, I may suggest to you that you may
kindly write to Dr. Tarachand to expedite action,
and bring about unity at all costs by 1-4-1949.

I take this opportunity to thank you
for the kind interest that you are taking for spreading
the beneficent effect of scouting in our Presidency.

With best regards,
