Sir,

Sub: Colleges - Government -~~xappxx~~ affiliation in new year additional courses in 1949-50

I have the honour to enclose herewith for favour of orders a copy of letter No. A 5296 dated 30-11-48 from the Registrar, Madras University. — p 3 [illegible]

2. The affiliation of the Presedency College, Madras in certain languages under part I of the B.Sc has already been sanctioned in Government Order No. 2862 Education dated 15-11-48. In view of the fact that the college is already affiliated in these languages under Part II of the B.A., course, the ~~Mxxx~~ University have been requested to dispense with a committee for local enquiry. Orders have also been issued deferring the proposal for the opening of a second grade college in the Nilgiris district.

3. In regard to the Queen Marys College, Madras, the Principal submitted a proposal for the ~~ratification~~ reaffiliation of the College in geography in the B.A. and B.Sc., (pass) Main and subsidiary consequent on the revision of the syllabuses in geography. As the new affiliation in the main and subsidiary did not involve any extra expenditure, an application has been forwarded to the University with a request that the appointment of a commission may be dispensed with as the college is already affiliated in that subject for the B.A. Along with this the principal requested that the college may also be affiliated in Maths and Physics and Chemistry in the B.Sc instead of the existing B.A, courses in these subjects. As the affiliation in the B.Sc courses does not involve any extra expenditure either under staff or ~~as~~ equipment, the request of the Principal has been recommended to the University with a suggestion ~~thatx~~ that the appointment of an inspection commission may be dispensed with as in case of geography. The Registrar states that the question will be considered at its next meeting and a reply will be sent in due course. A further report will be submitted to Government on receipt of a reply from the University.

Yours faithfully,

For Director of Public Instruction

Copy of letter from the Registrar, Madras University No. A 5296 dated 30-11-48.

Sir,

Sub: Government Colleges in the University area - Applications for affiliation in new and or additional courses from the next academic year 1949-50

I have the honour to invite your attention to the several applications received from you (Vide list enclosed) for affiliation of Government Colleges in the University area in New and or additional courses and subjects from the next academic year 1949-50 stating ~~thax~~ that the proposals have been submitted to Government as part II scheme, and that in many cases classes in subjects will be opened only if the Government sanction the proposal, and to ~~ff~~ inform you as follows:-

2. In the case of applications for affiliation of Government Colleges, considerable difficulty has been experienced with regard to further action on the applications, as decision of the Government on the question of opening or otherwise of the courses is being communicated to this office after the passing of the scheme in March at the Budget section of the Legislature. This has accounted for delay in the appointment of inspection commissions and further action to be taken thereon. Usually according to the procudure followed by the University, about three months' time will be required before the question of affiliation is finally decided by the Syndicate, as inspection commissions will have to submit their reports and the Management will require time to forward their assurances and carry out the several recommendations of the commission wherever found necessary, before the grant of affiliation.

3. Under the circumstances, I have to request that, subject to the vote of the Legislature, provisional sanction of the Government in regard to each college may be obtained and communicated sufficiently in advance at least before the middle of January 1949, so as to enable the Syndicate to decide on the application and call for the required affiliation fee, and to appoint inspection commissions, etc. for the several Government Colleges.

4. I shall be glad if you will kindly take up this matter immediately with Government and let me know their decision at a very early date.

About the new courses to be started in the Presidency College the Cabinet has decided as follows:—

"This may be considered along with the proposals of Sir C.V. Raman for the re-organisation of the Presidency College. (A provision of Rs 3.16 lakhs will be included in the budget for 1949-50 to give effect to Sir C.V. Raman's proposals)".

3.2.49

Sir C.V. Raman has promised to send his report this month. After the report is recd: the D.P.I's remarks thereon will have to be obtained. Then the proposals will have to be examined by the depts concerned. All these will take some time. If Sir C.V. Raman considers that the proposals already put up by the D.P.I need not be given effect to and sends other proposals they may be considered afresh. But if he agrees that ~~the~~ proposals already put up may be given effect to some undertaking will have to be given to the University even now. Otherwise it will not be possible to start these courses next year and the provision in the budget will go unutilised. By giving the undertaking the Govt may lose to the extent of the affiliation fees to be paid to the Univty if the courses are not to be started. On the other hand if the undertaking is not given now ~~[illegible]~~ the opening of the courses will have to be completely postponed till the academic year 1950-51. Ref: Government Memo No.19764-2/49-A Edn., dat

A contingent bill dated 31-3-49 for R.600/
issued by the Principal, Queen Mary's College, Madras in favo
of Registrar, University of Madras towards the payment o
affiliation fees to the University was returned by the Accountant-
General with the objection that the Government Order referred to
above relates to expenditure to be incurred in 1948-49 and that
sanction for providing necessary funds in the current year has
to be obtained before admitting the claim. As the matter is of
utmost urgency I am requesting the Accountant-General to pass
the bill for payment from the current year's budget in anticipatio
of the sanction of Government. I request necessary sanction of
Government permitting the expenditure from the current year's
budget at a very early date.
