Home Department.

Please see the L.A.Q. at page 1.Cf. and the notes of the E. & P.H. Dept at pp 3-4 above. The file has been sent to this department for information as to how many communities under the list of Harijans are ex-criminal tribes.

A list of criminal tribes registered under the C.T. Act, 1924, is given at pp. 54-67 of the C.T. Manual. The list of Harijans given in the Madras Educational Rules is identical with the list of scheduled classes eligible for help by the Labour Department given in Appendix A of the Administration report of the Labour Dept. Some tribes notified under the C.T. Act, 1924, in one district are not notified tribes in another district.; for example Koravas who are included in the list of Harijans and who have been notified as C.T. members in Salem and Madurai districts etc., are not notified as C.T. members in Malabar District. It is not therefore possible to furnish a separate list of Harijans who are also ex-criminal tribes. It may be noted here, that the members of notified tribes and their families are also eligible for help by the Labour Dept in the same way as Harijans. It may therefore be said that the term Harijans includes members of the so-called Criminal tribes.

May be returned to E.P.H. u.o.
