From

Education Department.

The Director of Public Instruction, Madras

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

R.O.G.No.94-M/48 dated 12th November, 1948.

85352 SIR,

Basic Education--Terms of service etc. of the
cooks employed in Government Basic Training
schools.

Reference:-G.O.858-Education dated 12.4.1948.

In their order referred to above the Government
have sanctioned the conversion of seven ordinary Training
schools into Basic Training schools and also sanctioned
the appointment of one cook on Rs.24/- p.m. plus Dearness
allowance to each training school. Similarly for each of
the other Training schools converted into Basic Training
schools, the post of a cook has been sanctioned.

2. I am advised that a cook employed in a Government
Basic Training school should be considered a regular
member of the establishment of the Training school and
treated as belonging to the vacation department for
purposes of leave etc. And I am also advised that cooks
in these should be treated as inferior Government servants
or menials paid for from contingencies. Instead of a
fixed pay of Rs.24/- plus the usual dearness allowance,
I recommend for the cook a time scale of Rs. 25-1 annual 40-1
annual-50 with free food in the hostel but without
dearness allowance and they may be treated as belonging
to the Madras General Subordinate Service.

3. As regards the qualifications for a cook I am
of opinion that persons possessing atleast a certificate
showing that they have passed the 5th standard or class
in a recognised elementary or secondary school
may be appointed. Regarding the age limit for appointment
I suggest that 30 years may be fixed as the maximum
age for entry into Government service.

4. The temporary posts of cooks may constitute a
separate class in the Madras General Subordinate
Service. Government may decide whether the communal rule
should be applied in the case of recruitment of candidates
to these posts.

5. If the above proposals are approved by the
Government I shall submit a draft of ad hoc rules govern-
ing the conditions of service of these temporary posts.

Yours faithfully,

For Director of Public Instruction.

G.O 858 Edn D 12.4.48 is

Office of the
Director of Public Instruction
R.O.C. No. 94/M/48.

MADRAS: 1st February 1949.

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

SUB:- Basic Education -Terms of services etc., of the
cooks employed in Government Basic Training
Schools.

REF:- D.O.No.85352/B.2/48-2 Education, dated 6th Jan.49.

The Hon'ble Minister for Education's note implies that
the cooks should have a higher educational qualification. It
would certainly be good if better qualified cooks are avail-
able; but experience during these two years shows that cooks
who are also educated are not available. Hence as already
recommended by me only a pass in Standard V may be considered
sufficient for the present, since if a higher qualification
is prescribed cooks may not be available.

Yours faithfully,

R.V. Rudrappaswami,
1.2.49.
for Director of Public Instruction.

Geo. (MS.) No. 42

March 1944

, Edw., dated

17² 48

The Govt. do not approve the proposals of the D.P. I. to include the cooks employed in the Govt. Basic Training Schools in the Madras General Subordinate Service, to prescribe qualifications for them and to grant them a time scale of pay.

~~22 May 1972~~

20

The D. R. I.

(One ge.)

7.4/2008

16/2/69

From the D.P.I., No.94-M/48, dated 12--11--1948.

Sub:- BASIC EDUCATION - Terms of service, etc. of the cooks employed in Govt. Basic Training Schools.

The D.P.I. has proposed that the cooks employed in the Govt. Basic Training Schools should be treated as belonging to the regular establishment of the schools and allowed leave, etc., as regular Govt. servants. There are at present 17 Basic Training Schools and each school has a cook on a fixed pay. The policy of the Govt. is to convert all the existing training schools into Basic Training schools gradually under the scheme of expansion of basic education. More basic training schools (about 100) will be opened if the scheme of compulsory Basic education is introduced in future years. It may therefore be assumed that ultimately there will be a large number of cooks (about 250) employed in all the basic training schools. The proposal to include cooks in regular Govt. service may be accepted.

2. The Director has recommended

(1) that the cooks may be treated as belonging to the Madras General Sub-ordinate Service;

(2) that they should possess a certificate showing that they have passed the 5th standard or class in a recognised school;

(3) that they should not be more than 30 years of age; and

(4) that they may be given a scale of pay of Rs.25-1-40-1-50 without dearness allowance;

(5) that they should be given free boarding; and

(6) that they should be treated as belonging to the Vocation Deptt. for purposes of leave.

These recommendations may be accepted.

3. The Director raises in this connection whether communal rule should be applied in the recruitment of cooks. It does not seem that communal rules need be applied. The Director has not stated who should be the appointing authority, etc. for cooks. He may be asked to

Income (SII)

Please see to letter from D.P.I. on page 1 of and the notes of F.P.H. on pages 1-2 above. The Cooks attached to various hostels and other Govt. Trng. Schools are notials paid from Contingencies and their pay is regulated with reference to the prevailing market rates and the present case also is an exception to the general rule. As we know why the D.P.I. showed some up with the proposals for special scale of pay and privileges for the Cooks employed in the Basic Trng. Schools alone, leaving aside those employed in the different hostels attached to Training Schools and other Govt. Institutions. It seems to be no sufficient justification to give any special concessions to the Cooks employed in the Basic Trng. Schools. In the circumstances, this dept. may advise that the proposals of the D.P.I. be negatived.

thought. Apart from finance, fixing up qualifications for cooks, as has been suggested by the D.P.I. is a matter which must be considered properly. I think if kitchen work is going to be a means of training, we must consider it properly. The Basic Education Officer may consider the various points of view viz., qualifications, etc., and put it before the Basic Education Board, if necessary.
