With reference to Government Memorandum No.24992/47-9. G3, Edn., dated 1st October, 1947, the question papers for the S.S.L.C. Public Examination of 1948 were printed at the Government Press, Madras. The Superintendent, Government Press, Madras, now informs me that for the reasons detailed in his letter No. Confl/Spl. dated 15th June 1948 (copy enclosed), he will not be in a position to print the papers of this examination in future and that they may be printed elsewhere.

I have explained in detail as to why the papers should be printed at the Government Press only and not by any other agency in India in my letter R.O.C.No.71-B/47, dated 17th September, 1947 disposed of in the Government Memorandum referred to above. I suggest that necessary facilities may be provided to the Government Press for printing the special papers of the S.S.L.C. Examination. I am however addressing in the alternative, the Oxford University Press, Oxford, who used to print the question papers for several years, prior to the outbreak of the War in 1939, asking them to state whether they are prepared to resume their services.

FOR COMMISSIONER. 23.6.48

Enclosure.

Copy of confidential letter No.Confdl./Spl., dated 15th June 1948, from A. Lepper Esquire., Superintendent, Government Press, Madras, to the Director of Public Instruction, Madras.

Ref: Printing of Special Papers for supply to the Secretary to the Commissioner for Government Examinations, Madras.

In connection with the printing of the special papers I have to state that the volume of work for T.S.L.C. and E.S.L.C. examinations for 1947-48 together with other technical examination papers has increased to an enormous extent, in addition to the abnormal increase in the papers for the schools and colleges for 1947-48, apart from the heavy rush work from the Madras Public Service Commission P.T.O.

and Joint Director of Industries and Commerce, Madras. Considering the limited staff and inadequate accommodation of the Confidential section of my office, much difficulty and strain was experienced for the printing and supply of papers for the S.S.L.C. examination for 1948, as this work was also very heavy and voluminous and required within a prescribed time.

2. As such I have to remind you that the printing of S.S.L.C. papers for 1947 was taken up due to the urgency of reprinting copies on account of the leakage of the paper for the same year, and those for 1948 as a special case.

3. Under the circumstances, and as it is presumed that the volume of S.S.L.C. work in future will be very heavy and as the limited staff of the Confidential department as well as the accommodation are absolutely insufficient to meet the time and demand of the author, I suggest that arrangements may be made to print copies of the S.S.L.C. papers for future years elsewhere.

(Signed). A. Lepper,
Superintendent.

In submitting a copy of the letter No.8/Confidl.
dated 3-2-49 from the Superintendent, Government Press, Madras,
I request that in the circumstances stated therein, I may be permiss-
ed to **print** the question papers for all the institutions
under my control, at a private press in consultation with the
Superintendent, Government Press so far as the annual examinations
for 1949 is concerned. The arrangements to be made for the
future may be taken up in consultation with the Superintendent,
Government Press later.

2. I request the favour of early orders.

Yours faithfully,

K. S. Srinivasan

Copy of letter No.S/Confdl., dated 3rd February 1949
from the Superintendent, Government Press, Madras to the
Director of Public Instruction, Madras.

1/3 and
In connection with the printing of the above papers,
I have to state that ever since the printing of S.S.L.C.
question papers has been taken up in this office as per
Government Memo No.47153/48-1 G3, Education and Public
Health, dated 3-7-1948, the volume of work in the Confidential
section has increased enormously and with the limited staff
and inadequate accommodation of the Confidential section of
my office it is found not practicable to print and supply copies
of question papers of the various schools and Colleges on the
dates specified by them, as almost all of them send their
papers simultaneously fixing more or less the same period for
the supply of clean copies.

Under the above circumstances and in view of the fact
that the work of printing S.S.L.C., T.S.L.C., E.S.L.C. and
strictly Confidential papers of other offices as well is very
heavy and voluminous one and required within a prescribed time,
a circular may kindly be issued to all Government Colleges and
Schools instructing them to make their own arrangements to get
their papers of the annual examination 1949 and for future years
printed elsewhere or to have them either Roneoed or cyclostyled
in order to meet with their urgent demand.

The papers received so far from certain Colleges and
Schools will be returned to them on hearing from you.

An urgent reply is requested.

The S. S. P has suggested to the ~~D.P.S.~~ C.G.E.
