Memo no: 86399-B1/48-1 Edn dated 4-12-48

The DP D is requested to report when the Hindustani Pracharak Diploma Examination is usually held and whether it is his intention that such of the existing Hindustani teachers ^{as} who had not already obtained the diploma of who are not undergoing the course in the current year should be allowed two chances to ~~appear for the~~ undergo the training and obtain the diploma - If so, the Director is requested to report in consultation with the General Secretary ~~Hindustani~~ Dakshina Bharat Hindustani Pracharak Sabha

Office of the
Director of Public Instruction,
Madras, Dated 5-2-1949.

From The Director of Public Instruction,
Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir, Sub: Schools - Secondary - Hindustani teachers - Extension
of the time allowed for obtaining Pracharak Diploma.

Ref: Government Memo. No.86399-B.1/48-1 Edn dated 4-12-1948.

The pracharak course is divided into three parts. The first part which is purely a literary test will be conducted along with other examinations twice a year during the months of February and August in the name of Vishesha Yogyatha (proficiency). The examinations in respect of parts II and III are conducted as many times as are found necessary and a candidate who fails can attend either for the I, II or III part or for all parts together once again without attending the class. The Dakshina Bharat Hindi Pracharak Sabha is conducting a shortened but intensive course for 3 months and one has to undergo this training to be eligible to sit for Parts II and III while he can sit for Part I through private study. I am herewith enclosing a copy of the statement furnished by the General Secretary, Dakshina Bharat Hindi Pracharak Sabha showing the details of the number of sessions so far conducted; the number of teachers (who were in service before 2-11-46 and those appointed subsequent to 2-11-46 -- 2-11-46 being the date of the G.O.No.2098 Edn) who attended these sessions; who have those who have been awarded the Diploma and those who have not been awarded the Diploma since they have yet to complete either of the parts. The General Secretary recommends vide copy of his letter enclosed that those who were in service before 2-11-46 may be allowed time till 1-1-50 while those appointed subsequent to 2-11-46 may be allowed time till 1-1-51 to acquire the Pracharak Diploma. But since the acquiring of the Diploma depends on the passing of all the 3 parts and since it is very likely that even the teachers who were in service before 2-11-46 may also fail in these parts and thus become unable to acquire the Diploma even by 1-1-50 and since this is a test newly imposed upon them it seems desirable to extend the time in regard to the former also (appointed before 2-11-46) upto 1-1-51 as in the case of the latter (appointed after 2-11-46). I therefore, recommend that the Hindustani teachers who are now in service may be permitted to acquire the Pracharak Diploma by 1-1-51.

In this connection I invite your attention to the last sentence of the Government Memo. referred to above wherein Government have stated that the number of Hindustani teachers deputed for Pracharak training may increase next year when Government Pass orders on the question of admitting the expenditure ~~grant~~ as an approved item for purpose of assessment of grants. The Secretary dated 29-12-1948 (copy enclosed) that there is no restriction in regard to the number of teachers that can be admitted to each session and if, however, the number exceeds 40 or 45 and is sufficient for two classes, they are sometimes divided into two classes as they did in April 1948 when they conducted one class at Madras and the other at Aravankadu (Nilgiris).

Yours faithfully,

for Director of Public Instruction.

the date up to which permission to qualify ~~the~~ should be given. In this connection the Director is informed that the question of admitting the expenditure incurred on the deputation of Hindustani teachers for the training as an approved item of expenditure for purposes of assessment of teaching grant is being considered as a Part II scheme for 1949-50 and if orders are issued early in the next year, there will be an increase in the number of teachers who are deputed for the training.

Of the time allowed for obtaining Pracharak Diploma.

Ref: Government Memo. No. 8889-G.2/47 dated 4-12-1948.

The Pracharak course is divided into three parts. The first part which is purely a literary test will be conducted along with other examinations twice a year during the months of February and August in the name of V. S. S. (Proficiency). The examinations in respect of parts II and III are conducted as many times as are found necessary and a candidate who fails can attend either the I, II or III part or for all parts together once again without attending the class. The Dakshina Bharat Hindi Prachar Sabha is conducting a shortened but intensive course for 3 months and one has to undergo this training to be eligible to sit for parts II and III while he can sit for part I through private study. I am herewith enclosing a copy of the statement furnished by the General Secretary, Dakshina Bharat Hindi Prachar Sabha showing the details of the number of sessions so far conducted; the number of teachers (who were in service before 2-11-48 and those appointed subsequent to 2-11-48 -- 2-11-48 being the date of the G.O. No. 3098 Edn.) who attended those sessions; the names of those who have been awarded the diploma and those who have not been awarded the diploma since they have yet to complete either of the parts. The General Secretary recommended vide copy of his letter enclosed that those who were in service before 2-11-48 may be allowed time till 1-1-50 while those appointed subsequent to 2-11-48 may be allowed time till 1-1-51 to acquire the Pracharak Diploma. But since the acquiring of the Diploma depends on the passing of all the 3 parts and since it is very likely that even the teachers who were in service before 2-11-48 may also fail in these parts and thus become unable to acquire the Diploma even by 1-1-50 and since this is a test newly imposed upon them it seems desirable to extend the time in regard to the former (appointed before 2-11-48) upto 1-1-51 as in the case of the latter (appointed after 2-11-48). I therefore, recommend that the teachers who are now in service may be permitted to acquire the Pracharak Diploma by 1-1-51.

In this connection I invite your attention to the fact that the Government Memo. referred to above where Government have stated that the number of Hindustani teachers desired for Pracharak training may increase next year when Government have regard to the question of admitting the other language staff as an approved item for the purpose of assessment of schools. The Secretary, Dakshina Bharat Hindi Prachar Sabha writes in his letter dated 24-12-1948 (copy enclosed) that there is no restriction in regard to the number of teachers that can be admitted to each session and II, however, the number assessed to or 45 and is not to exceed two classes. The other recommendation is that the class at Madras and the other at Aravankadu (Nilgiris).

of Public Instruction, Madras.

Ref: RC.No.898-G.2/47 dated 18-12-1948.

With reference to the above we wish to inform you that it is possible that some Hindustani teachers who were in service by 2-11-46 and who were appointed shortly thereafter may not have acquired the Pracharak Diploma. Hence we suggest that--

1. Those Hindustani teachers who were in service by 2-11-1946 may be permitted to acquire the Pracharak Diploma before 1st January 1950.
2. Those Hindustani teachers who were appointed after that date may be permitted to acquire the Diploma before 1st January 1951.

In selecting candidates for the intensive training course preference will be given to the teachers belonging to the first category.

Other details asked for in your letter quoted above will be furnished within a week.

Copy of letter No. 102 dated 29-12-1948 of the Secretary for Education, Dakshina Bharat Hindustani Prachar Sabha, Madras to the Director of Public Instruction, Madras.

In continuation of our letter dated 25-12-1948 in reply to your RC.No.898-G.2/47 dated 18-12-1948, we are furnishing the following details:-

1. Your presumption mentioned in para 2 of your letter quoted above is correct.
- II. Pracharaks Training -- Intensive Course - 1947-48
(Vide: Particulars attached herewith) *p. 5 infra*
- III. Regarding the number of teachers who have yet to undergo the training course, we have no record.
- IV. The current session of the course which commenced on the 1st December 1948 will close on the 28th February 1949.
- V. There is no restriction in regard to the number of candidates that can be admitted in each session. If, however, the number exceeds 40 or 45 and is sufficient for two classes, they are sometimes divided into two classes as we did in April 1948 and conducted one class at Madras and the other at Aravankadu (Nilgiris.)

The Director may also be consulted u.o. whether the period of two years fixed in G.O.No. 2098 Edn. dated 2-11-46 should be extended as the Hindi Prachar Sabha, Madras, alone is providing for the training and it may not be possible for all the teachers who do not possess the training diploma to undergo the course and obtain the diploma within the prescribed period.

I also agree to the proposal in para 4 of the U.O. note and suggest that Hindustani teachers who are now in service may be permitted to acquire the Pracharak Diploma within a period of two years from the date of the order proposed to be issued if they have not already acquired the qualification.

Please see the notes extracted on p. 14 from the file relating to the revision of the rules of the Pracharak. The suggestion of the D.P.S. is that the teachers who are now in service may be permitted to acquire the Pracharak diploma within two years from the date of the order proposed to be issued in this regard. ~~It may perhaps~~ ^{the Director might}

seems to be that for those who cannot appear for the examination to be held in the current year, two chances should be allowed. It may be ascertained as to when the Pracharak diploma examination is held before an extension of time is allowed.
