R.C. No. 1385 C.1/48, Dated 18th August, 1948.

Sir,

Subject:- Madras Educational Service - Major B.H. Marley -
Seniority and fixation of initial pay by virtue
of Direct recruitment as a War Service candidate.

Reference:- G.O. Ms. No. 702 Education, dated 30-3-1948.

IN paragraph 3 of the G.O. cited above, Major B.H. Marley, Officiating Professor of Civil Engineering in the Madras Educational Service was deemed to have been appointed as Professor by virtue of his war service. With reference to the concluding paragraph of the above G.O., Major B.H. Marley has submitted a petition (copy enclosed) for taking necessary action for fixing his initial pay in the post of Professor having regard to his war service for a period of 5 years and 131 days (inclusive of 56 days' Release Leave benefit).

2. In this connection I invite the attention of Government to their orders contained in G.O. No. 975, Public (Services), dated 26th April 1948. Accordingly, 3rd August 1946, the date from which he has been officiating as Professor, should be taken as the date for purposes of seniority in the category of Professors. As regards fixation of his initial pay, I may submit that no specific age-limit has been prescribed for appointment to the posts of Professors in the Colleges of Engineering.--Vide clause (a) under Rule 5(a) of the Special Rules for the Madras Educational Service. I suggest that the absence of age-limit for this particular category of posts need not be considered as a bar for taking into account the period of his war service from 1-4-1941 for fixing Major Marley's initial pay in the post of Professor. If the Government are pleased to accept the above suggestion, I recommend that having regard to the war service of over 5 years rendered by Major Marley, his pay may be fixed at Rs. 750/- per mensem in the scale of Rs. 600--75/2--900, with effect from 3rd August 1946.

3. I solicit the favour of early orders.

Yours faithfully,

For DIRECTOR OF PUBLIC INSTRUCTION.

R.C.No.1142 C1/48-1 of 1st April 1948.

As action on the last clause of the G.O. will be dependent
on the number of years of war service rendered, I have to submit
that my period of service during the war was ---

(H) (A) From 12-3-1941⁴⁶
To 20-7-1946, ie., 5 years, 74⁷⁴ days

though in the first instance it was shown as terminating on
26-5-1946 forenoon.

The discrepancy is due to the non-addition of 56 days release
leave, for which period pay and allowances were not disbursed in
the first instance, but for which, about six months later, after
eligibility of permanent employees of the Civil Department for
Release leave benefits had been established, pay and allowances
were granted as per military rates.

In submitting herewith the petition No. VAP/260 dated 27th
Sept. 1948 received from Major V.A. Ponnaiya, Physicist, Barnard
Institute of Radiology, Madras, I have to state as follows:-

2. In the G.O. cited above, Major V.A. Ponnaiya, ~~Physicist~~,
war service candidate selected by the Commission, was appointed
to officiate as Lecturer in Physics, Government Arts College,
Rajahmundry in the Madras Edl. Service. Mr. Ponniah has not yet
been relieved from his present post in the Medical Department. The
post of Lecturer in Physics, Government Arts College, Rajahmundry
has been vacant from 26-8-1948 and the Principal of the College
has reported that the work in the senior classes is suffering
very much for want of a Lecturer. But, Sri Ponniah has been submit-
ting petitions on various points and it seems that he is not willing
to join duty in the Madras Educational Service until the various
points raised by him in regard to his seniority, pay, confirmation,
etc., are settled to his satisfaction.

G.O. (MS.) No. 453 Edn., dated 18-2-48.

In G.O. No. 1856-Edn., dated 26-7-48,
Sri V.A. Ponniah (Second Physicist, Barnard Institute
of Radiology, ^{Govt.} General Hospital, Madras), who had
rendered war service, was apptd. as Lecturer in
Physics in the M.E.S. in the Govt. Arts College,
Rajahmundry. But he could not join the appt.
immediately as he was not relieved from his post in
the Medl. Dept. until 2-11-48. He therefore represented
that in order that he might not lose his seniority
in the M.E.S. he might be shown on the ^{cf 13} strength of
that service from 9-8-48, the date of expiry of the
compulsory leave availed of by him in the Medl. Dept.
The Govt. consider that the officer's request shd. be
complied with. Under Section 241(5) ^{p. 2, BK-112} of the G. of I.
Act, 1935, H.E. the Governor of Madras accordingly
directs that the provns. of rule 29 of the General
Rules for the Provl. & Sub. Service be relaxed in
favour of Sri V.A. Ponniah and that he be given seniority
in the M.E.S. over persons who joined that service
subsequent to 9-8-1948.

2. The D.P.I. is requested to inform
Sri Ponniah ~~that~~ w.r.t. para 2 of his letter d/-
27-9-48, that the orders in G.O. No. 165-P. (S), d/-
21-1-47, have since been cancelled ^{by} G.O. No. 975-P. (S.),
dated 6-4-48.

For pension, war service ^{R.O.}
before the date on which the appt. proposed under Genl.
Rule 4(c) takes effect cannot apparently be reckoned.

M.E.S. - Certain war service candidates appointed - Fixa-
tion of seniority and pay.

The question of fixing the seniority and the pay of 3
of the war services candidates appointed recently to ~~XXXXX~~
reserved vacancies in the M.E.S. is considered in this file

(1) Sri K. Gopal Rao:

Please see para 1 of the note at "X"/32.

about this candidate. He now requests to be informed of
the initial salary which he will get on joining the post
of Lecturer. The scale of pay of the post is Rs.230-30/2-
260-40/2-500-50/2-700. Sri Gopal Rao's war service from
14-11-42 can be taken into account for purposes of
fixing his initial pay and, if that is done, his war
service will come to about 6 years. For this period
(which is less than 8 years), under G.O. No.1261-P(S),
d/20-5-48, he can be granted one advance increment; i.e.,
he will be started on a pay of Rs.260 (230 plus 30).

Sri Gopal Rao also wants to know whether
his war service will be reckoned for purposes of seniority
and pension. He was informed previously that his
seniority would be calculated only w.r.t the date
of his joining duty. The D.P.I. enquires whether, in
view of the candidate's being on military duty still,
his case will be treated as one calling for special
consideration. It seems that some protection in this
matter should be given to Sri Gopal Rao. Perhaps, his
appt. may be made under rule 4(c) of the General Rules
in which case he can count his military service for
seniority.

For pension, war service rendered
before the date on which the appt. proposed under Genl.
Rule 4(c) takes effect cannot apparently be reckoned.

(2). Major V.A. Ponniah:

He was appointed as Lecturer in Physics
in the Rajahmundry Arts college on 26-7-48. He is a

permanent member of the Madras Medical Service. He is holding the post of ^{Second} Physicist in the Barnard Institute of Radiology (Genl. Hospital, Madras). He has not been able to get relief from the Medl. Dept. for joining the Lecturer's post. He has therefore requested that he may be shown on the strength of the Edn. dept. from 9-8-48 (the date on which he returned from leave).

As this officer's joining the M.E.S. is postponed ~~in~~ by the conditions of service obtaining in another dept. of this Govt. and as the post which he holds in the other dept. is also a gazetted one, it seems that his request ~~may be complied with by relaxing the rule~~ regarding seniority - General Rule 29(a) - ~~in his~~ ^{may be relaxed} ~~in his~~ ^{order to give him seniority over people who have been apptd. since 9.8.48. For orders.}

(3) Major B.H. Marley: He is the permanent Instr. in Surveying and Drawing in the Guindy College. He was apptd. from 3-8-46 as Prof. of Civil Engineering by the method 'promotion'. He later applied for the war-reserved vacancy in the category of Profs. (Civil Engg.) ~~for~~ ^{and} ~~was~~ ^{was} ~~selected by the Commission~~ ^{selected by the Commission}. Therefore, he was deemed to have recruited as Prof. by virtue of his war service. The date of his original appt. viz., 3.8.46, will continue to be reckoned for purposes of his seniority. As to pay, since there is no age-limit

for posts of Profs. of Engg., that part of the proviso to rule 6-A of the M.C.S. (War Service Personnel) Recruitment Rules, which relates to age, will not apply to the case. Taking Major Marley's war service from 1-4-41 to 20-7-46 into account - this comes to less than

8 years -- he may be granted one advance increment in the scale of Rs. 600-75/2-900 from the date of his appointment. The D.P.I. in effect recommends the grant of 2 advance increments. There is no justification to accept this recommendation and it may be negated.

Seniority. There is a proposal under consideration separately in this dept. to amend the definition of the term 'military duty' to the effect that only such service as commenced between 3-9-1939 and 1-4-46 will count as military duty. As Sri Gopal Rao joined the military in November 1942, there seems to be no objection to appointing him on paper under General Rule 4(c).

Pension. The question as to what period of war service should count for purposes of calculating pension is under consideration separately.

3. Sri V.A. Penniah. No remarks are called for in this dept. at this stage.

4. Mr. B.H. Marley - The view taken by E & PH in regard to his seniority may be agreed to. He entered war service on 12-3-41 and was discharged therefrom on 20-7-46. As there is no age limit for the post of Professor of Civil Engineering, he can count the whole period of his war service rendered after 1-4-41 for the purpose of fixing his initial pay - compare the last sentence of G.O. No. 1911 Public (Ser) dated 5-8-1948.

As his constructive war service extends to more than 5 years and as the pay of the post of Professor was not revised in 1947, there is no objection to granting him 2 advance increments with effect from 30-3-1948.

Seniority:- In the special circumstances of the case the proposal to give Sri Ponnaiya, seniority over persons appointed since 9-8-1948 by issuing an order under section 241 (5) of the Govt. of India Act, 1935 H.P. should see the case and copy and send to the Comm. may be agreed to. It is understood from E & P.H. that Mr. Moses, his junior in the approved list of candidates selected for the Physics Unit, has not yet joined duty.

Initial Pay of Sri Ponnaiya:- Age limit prescribed for appointment to the post of lecturer in the M.E.S. is 35. Sri Ponnaiya attained the age of 35 on 8-5-1943. He can, therefore, count his service from that date to 16-6-1947 i.e. 4 years 1 month and 8 days, towards fixing his initial pay. The provision scale of pay for lecturers was Rs.200-30/2-260-40/2-500-50/2-700/-. In G.O. No.78, Finance, dated 6-2-1947 the minimum of the scale has been raised to Rs.230/- but otherwise the scale has been left untouched. Whether he is given two advance increments in the old scale or one advance increment in the new scale he will get an initial pay of Rs.260/-. E & P.H. Department's proposal to start him at Rs.260/- may, therefore, be agreed to. Before issuing orders, they may verify the dates on which the candidate joined war service and the date of his discharge therefrom by a reference to his original application.

Sri V.A.Penniah has been
apptd. as Lecturer in Physics in the M.E.S. in a
'war-reserved vacancy'. In consideration of his
constructive war service for a little over four
years, the Govt. direct that his initial pay
in the service be fixed at Rs.260 p.m., in the
scale of Rs.230-30/2-260-40/2-500-50/2-700.
This order will be deemed to have taken effect from
the date on which the officer took charge of the
Lecturership.

To the DPI.

NOTE:- The notes at pp.4-6 N.F. of "2", in so far
as they relate to the question of Sri Penniah's
initial pay, may be seen. He has now produced
proof to show that he was paid salary by the
mily. authorities up to 19-5-47. Even if that
date is taken as the date of ^{termination} ~~terminatixxx~~ of his
war service, his constructive war service works
out to more than 4 years. He may therefore be
given 1 advance increment in the revised scale
of pay of Rs.230-700 for Lecturers; in other words,
his pay be fixed at Rs.260. This is in accordance
also with the instrns. issued in Memo.4032/48-2-
Pub.(Ser.), d/- 27-12-48.

2. At "2"/C.F.19, Sri Penniah was given
a relaxation of the rules, but rank in seniority which would be
been his seniority as if he ^{had} joined duty on 9-8-48. He ^{has} ~~has~~
actually took charge of the post only in the
second week of Nov.1948. He now requests that
he may be given the higher initial pay also from
9-8-48. There is no justification to comply with
this request. The higher pay need be granted only

2. The D.P.I. is requested to
inform Sri Penniah that he is
not eligible to draw any pay
in the M.E.S. scale of Rs.230-

till the date of his taking charge
as Lecturer in the service
