Government of India,
Ministry of Education,

New Delhi 3, the 2nd March, 1948.

From

Dr. Tarachand, M.A., D.Phil.,
Secretary to the Government of India.

To,

The Secretary to the Government of Madras,
Education and Public Health Department,
MADRAS.

Subject:- Advanced studies overseas in respect
of Mr. R.G.Narayanamurthi 1945 scholar-
Employment Forms.

I am directed to forward herewith in continua-
tion of this Ministry letter of even No. dated 18th
March 1948, for your information and necessary action,
the Employment Forms in respect of Mr. R.G.Narayanamurthi,
received through the High Commissioner for India, London.
The scholar will undergo further practical training
with the N.G.T.E and Power Jets, and also undertake
Industrial visits to France Switzerland, Czechoslovakia,
and Sweden and to the various Aircraft firms in the
United Kingdom. He will complete his programme of
training by the end of June 1948, and then return to
India.

I have the honour to be,
Sir,
Your most obedient servant.

Ok Huzarav

for Secretary.

Please see the letter from the Govt above.

Mr. R.G. Narayanamurthi is a scholar selected in
1945-46 by this Govt. for advanced studies in "Aeronautical
Engg - Ground Engg" and is intended, after completion of
studies for absorption in Industries (Govt. and private
Enterprises). This may be sent to Dir % for taking
necessary action with ref. to the scholar's employment
after return to India.

RE: R.G.Narayanamurthi, Tech. Scholar
'45.

Sir,

I would like to draw your attention to my letter dated 25th September. So far I have not heard anything from you regarding utilisation of my services either in the provincial or the central governments.

In the same letter and while writing on previous occasions I had mentioned that my papers be sent over to the central education department for utilisation of my services in the central services, the civil aviation department in particular. I had drawn your attention to the same while I was at Madras and met you personally during the first week of September itself.

I sincerely believe that the above step will be taken in the event that the Madras Government is unable to utilise my services. Since it is nearly three months since I have returned to India, I wish I am suitably entertained in service. So far I have not heard anything in this direction from you. May I therefore request you to let me know the steps taken in my case.

Trust I shall hear from you at the earliest opportunity.

Thanking you,

Yours obediently,
R. G. Narayanamurthi.

Res: Govt. of Madras Scholar 1948
R.G. for India, London Ref. No. LA 5248.

As per directions of the High Commissioner for India, in London, I have reported to the provincial government today the 23rd of July, 48.

Further to the reports already sent in April 48, I have completed the Gas Turbine Technology series of lectures offered by Messrs. Power Jets Ltd. Intersworth, during the term Mar-June, 48.

As already expressed in the forms already forwarded by the High Commissioner I shall appreciate if a suitable position of a technical nature in the field of my specialised study i.e. High speed i.e. piston engines and gas turbines for aircraft - is offered either with the provincial government or the central Civil Aviation Department.

Thanking you,

I would like to draw your attention to my
previous letters regarding my being entertained
in service.

Though it is three months since my return
I have not been favoured with any communication
from you. As indicated in my previous letters I

had also seen you in person during the first week
of september. Would you kindly inform me the
proceedings taken in my case and whether my case
has been referred to the central ministry of
education according to my request, for entertain-
ment in the central services especially civil -
aviation directorate. I sincerely believe steps
will be hastened up and I will be in service at
the earliest opportunity.

I await your reply at your earliest
convenience.

RE: R.G. Narayanamurthi, Gov. of Madras Tech.
Scholar, '45.

I had sent in my arrival in India report on the 29 th
of July '48, and so far I have not heard anything from you.

I have mentioned in my reports from London sent in
march 48 and in my arrival report that the Civil Aviation -
Department, Government of India will be able to provide
me a suitable post compatible with my qualifications and expe-
rience. I have also given the same suggestion to the Central
Government Education and-P Department while intimating them my
arrival in India. As such may request the Government of Madras,
to place myself at the disposal of the Government of India,
Education Department with the suggestion that I may be sent
over for absorption in the Civil Aviation Directorate. I presume
that the above step will be taken in case the Government of
Madras is unable to find me a suitable post compatible with my
standing.

Trust speedy action will be taken in the direction mentioned
above so that I may be placed in service the earliest opportunity.

Thanking you,

Yours faithfully,
R.G. Narayanamurthi

Sir,

Ref your F.3.11/5-9/48-07.10
of 27.3.48 re. Sri R.G. Varayanama-
murthi, 1945 Scholar.

part

Sri R. G. Varayanamurti was
selected by this Govt in 1945-6 for advanced studies
in "Aeronautical Engg". He returned to
India on 29.7.48. He was intended
for absorption in the Industries Dept
but for want of a suitable post
this Govt are unable to employ him
in that Dept. They are considering his

employment in the Edn Dept. The scholar has expressed his preference for a technical post in the Civil Aviation Directorate of the Govt. I am directed to enquire whether the Govt. can offer him a suitable employment.

Copy of letter, dated 26th October 1948, from Mr. R.G. Narayanamurthi, to Mr. P.N.Kirpal, Deputy Secretary, Ministry of Education, New Delhi.

You may recognise me as being one of the Government Scholars who were under your supervision, while you were at London.

I returned to India almost three months back and so far I have not heard any-thing regarding utilisation of my services by the Madras Government to whom I have executed the bond. I presume that the Madras Government is unable to find me a suitable post due to the specialised nature of my training i.e. Aeronautical Engineering. I have intimated the education department of the Madras Ministry, that they can transfer my papers to your department for consideration regarding utilisation of my services in the central services, especially in the Civil Aviation Department. I have also sent a letter to your department almost a month back intimating the same. By this time I trust the same intimation has been received from the Madras Education Department.

May I request you to hasten the official procedure and contact the Civil Aviation Department regarding the utilisation of my service at an early date. I need not stress the need for the same since I have been here for three months now.

I am eagerly awaiting to hear from you regarding the above.

Thanking you,

MEMORANDUM.

SUB: Utilisation of the services of Mr. R.G.Narayanamurthy
1945-46 Madras Government sponsored scholar.

90579

The undersigned is directed to state that Mr.R.G.
Narayanamurthy was selected by the Govt. of Madras in 1945-46
under this Ministry's overseas scholarships scheme for advanced
studies abroad in "Aeronautical Engineering". He returned
to India on the 29th July, 1948. The Govt. of Madras have
intimated this Ministry that the scholar was intended for
absorption in the Industries Deptt. of the Provincial Govt.
but for want of a suitable post they are unable to employ
him in that Deptt. The Govt. of Madras have enquired of this
Ministry whether the Govt. of India could offer him suitable
employment. As the scholar has expressed his preference for a
technical post in the Civil Aviation Directorate of the Govt.
of India the undersigned is directed to forward herewith to
that Directorate an Employment Form with necessary papers
containing full details of his qualifications and overseas
training. This Ministry may kindly be informed whether the
services of Mr. Narayanamurthy can be utilised by the Civil
Aviation Directorate. Under the terms of his bond it is essential
to offer him a gazetted post by Govt. within three months of his
return to India on completion of his studies abroad. As the
period of waiting has already terminated it will be greatly
appreciated if an ^{early} immediate reply be sent to this Ministry.

98418 SUBJECT:- UTILISATION OF THE SERVICES OF MR. R.G.NARAYANAMURTHY
1945-46 MADRAS GOVERNMENT SPONSORED SCHOLAR.

Sir,

I am directed to refer to your letter No. 82937 C2/48-2
Edn., dated 17th November 1948, on the subject mentioned above
and to state that the Indian Institute of Science, Bangalore, is
interested in the subject in which Mr. R.C.Narayanamurthi has
undertaken studies abroad. The Provincial Government may therefore
approach the said Institute for utilisation of the scholar's
services.

Information has also been received from the Civil
Aviation Directorate, Government of India that since Mr. Narayana-
murthy has undergone a course in aeronautical Engineering at
the Indian Institute of Science, Bangalore, he is eligible to
apply for one of the posts of Air craft Inspectors set apart
for recruitment from amongst ex-students of the Institute. The
scale of pay attached to these posts is Rs. 350-350-380-380-590-EB-
30-770-40-850. The Federal Public Service Commission would
advertise these reserved posts in the near future and the Provin-
cial Government may forward the scholar's employment forms to
the Commission for their consideration when they advertise these
posts.

Yours faithfully,

D. Madhavi.

28

Sir,

Sub: Advanced studies Overseas-1945-46-Sri R.G.Narayanamurthi.

Ref: Your U.O. 3626 Cl/48 dated 27-11-48 and Government Memorandum
No.82937 C2/48-1 Edn dated 17-11-48.

Sri R.G.Narayanamurthi is a Graduate of the Madras University in Electrical Engineering. He has done a course in Aeronautical Engineering at the Indian Institute of Science, Bangalore, and has since then, been sent overseas for further studies in Aeronautical Engineering.

The Idea of having different ~~max~~ branches in the Engineering Colleges in the Madras Presidency is for the purpose of giving the students basic Engineering training in the different branches of engineering so as to enable them to practise that profession and as occasion arises, to qualify themselves further both theoretically and practically in specialised subjects belonging to that branch of Engineering. The selection of Mr. Narayanamurthi for doing advanced studies in Aeronautical Engineering may have been decided because of the fact that he did the course in Aeronautical Engineering at the Indian Institute of Science, Bangalore. It is observed from the record of this scholar that he has done Design, performance and structural analysis of I.C. and Gas turbine, aero engines, industrial statistics, heat transfer and metallurgy. To do these subjects in an advanced manner, it is necessary that he should have had a basic knowledge of these subjects for his Graduateship examination. If Mr. Narayanamurthi had been a student of the Mechanical Engineering branch of this College or any other College, his advanced studies would have been on a good basic foundation. The choice of specialised work for which this scholar was sent could have been different with advantage to him and advantage to the Government that sent him.

In a previous occasion, the opinion of The Principal, College of Engineering, Guindy was asked in the case of another Overseas scholar, Sri M.Vasudevan. This scholar was also a student who had passed his basic electrical engineering degree, but had a further course in Aeronautical Engineering in the Indian Institute of Science, Bangalore. He was also sent for advanced studies in Aeronautical Engineering Overseas, but with the object of being absorbed in the teaching personnel of anyone of the Engineering Colleges. The former Principal, my predecessor Dr. J.J.Rudra, had already recommended (that this procedure may be followed. In making this recommendation, due consideration was taken that one) that he may be appointed as Instructor in Mechanical Engineering in anyone of the Engineering Colleges. I had also recommended that this procedure may be followed. In making this recommendation, due consideration was taken that one of the Engineering Colleges would have a specialised course in Aeronautical Engineering at a future date. Until the course in Aeronautical Engineering is started the services of the candidate in question would have to be employed somewhere in teaching fundamental subjects for the engineering students. It is not likely that more than one College in this Presidency would ~~max~~ be starting a course in Aeronautical Engineering. It is therefore not advisable to have more than one such scholar to be absorbed at a later date into the teaching personnel of any Engineering College. In the Government Memorandum

-2-

cited above, it is stated that if a suitable gazetted post is not available, recommendations may be made to appoint this scholar in any non-gazetted post available in any of the Engineering Colleges. This may be done, but it is observed that such a procedure would not be advantageous to the College concerned as this particular scholar would not be satisfied with the non-gazetted post but will always be on the look out for a post which would give him adequate remuneration consistent with his qualification, and it would be difficult to refuse to release him whenever such an opportunity occurs. Under these circumstances, I consider that the services of Mr. Narayanamurthi cannot be advantageously employed in any one of the Engineering Colleges at the present moment either in a gazetted post or in a non-gazetted post.

I am resubmitting herewith the enclosures sent with your above reference.

[PH(F2)]

'A' on p. 1. ante. Sri R. G. Narayanamurthy,

p. 59 CF (A) Govt. Sponsored scholar 45-46. has been released from his bond with this Govt. This Govt. of India, in their letter

p. 51 CF (A) d. 28/12/48, desired to refer his case to Indian Institute of Science, Bangalore. But as the ^{5 months} period of waiting after his return from abroad was over on that date, it was decided to release him from the bond. He was also informed to approach the Indian Institute of Science Bangalore for his employment. The responsibility of the Govt. to find a suitable employment for the scholar ceases, as soon as he is released from the bond. So the case of Sri R. G. Narayanamurthy was not referred to Indian Institute of Science. However, he was informed to approach the Institute for employment. It does not seem necessary to send copy, No. 488 Edn. d. 19/2/49, to the Indian Institute of Science. May be filed with (A)

CNO 42276 DE/48

Advanced studies - Overseas in respect of Mr. R. G. Narayanamurthy 1945 scholar - Employment on completion of studies.

- i. From the Government of India, Ministry of Education, New Delhi, Letter No. F.3.11/S.9/45 ODIV dated 27-3-48.
- ii. Issued as Memo No. 42276-D.1/48-1, dated 16-4-48.
- iii. From the D.I. & C., No. L. Dis. 1447E3/48 dated 11-5-48.

To A.S.

Mr. R. G. Narayanamurthy is a scholar selected in the year 1945-46 for advanced studies in "Aeronautical Engineering" and is intended after completion of studies for absorption in Industries (Government and Private) Mr. R. G. Narayanamurthy is expected to arrive in India in the last week of June 48 or the 1st week of July 1948. The D.I. & C. was asked to say whether any suitable appointment could be offered to the scholar in his Department. and the in reply has suggested that the scholar may be considered for appointment as Head of Mechanical Engineering section in one of the polytechnics.

in E & P. H.
It has been suggested that candidates after return from foreign training at Government expenses, may be appointed to Gazetted posts, without reference to the P.S.C. The matter is under consideration in the E. & P. H. Department. Moreover, temporary appointments can be made to the posts. The D.I. & C. may perhaps be asked to put up regular nomination roll incorporating the proposal to post Sri Narayanamurthy as Head of Mechanical Engineering in a Polytechnic. After orders are passed, the case may be sent to E. & P. H. and Public (Services) for remarks.

Memo No. 72893 D.I/48.1 dated 23-7-48.

Education - Overseas scholarships - Scholars selected in the year 1945-46 - 1946-47 & Employment on their return from abroad.

A list of scholars selected for overseas study during 1945-46 and 1946-47 with information regarding their subject of study, approximate date of return etc. is enclosed herewith. It is the intention of Govt. that as many of these Scholars as possible should be absorbed in Govt. Service, or other similar establishments, as soon as they come back. Though some posts exist in which they can suitably be appointed, the rules and regulations require that the Public Service Commission should be consulted before appointing them to the posts. To obviate this difficulty, orders have been recently issued G.O. 1685 Education dated 2-7-48, dispensing with the necessity to consult the Commission, in appointing the overseas scholars. The D.A./D.I. & C. is requested to state how many of the scholars in the enclosed list can be absorbed in his department soon after their return. He should specify the names of the scholars that can be absorbed and the posts that can be offered to them.

A very urgent reply is requested.

Sri R. G. Narayanamurthi was selected in 1945-6 for advanced studies in "Aeronautical^{Engg}" and was intended for absorption in the Industries Deptt. He returned to India on 29-7-'48. ^{Dr. D. V. C. reports that} There is no suitable post for him in the Industries Deptt. The D.P.I. ^{also} states that the subject 'Aeronautical Engg' has not yet been introduced in any of the Engg. Colleges and that it does not therefore seem possible to utilise advantageously the Scholar's services in any of the Engg. Colleges at present. The Principal, Engg. College, Guindy, has pointed out in this connection that Sri M. Vasudevan, another scholar who has undergone advanced studies in 'Aeronautical Engineering' for eventual absorption in the Engg. College has to be provided for in the Edn. Deptt., that in his case he and his predecessor (Dr. Rudra) have recommended his appointment as Instr. in Mech. Engg. until Aeronautical course is started in any of the Engg. Colleges and that as it is not likely that more than one college in this Presidency will have a specialised course in Aeronautical Engg. at a future date, it will not be advisable to have more than one such scholar to be absorbed at a later date into the teaching personnel of any Engg. College. He has also stated that it will not be advantageous to the college concerned, if Sri Narayanamurthi is appointed in a non-gazetted post as he will always be on the look-out for a post suitable to his qualifications and that it will be difficult not to release him if he seems to secure a suitable post elsewhere. ^(se) ~~The~~ scholars have to be provided with gazetted posts only but a non-gazetted post also may be offered and it is left to them to accept it or not.)

2. This Deptt. ~~has~~ also consulted the G. of I. about the utilisation of the Scholar's services, suggesting to them the scholar's preference for a technical post in the Civil Aviation Directorate of the G of I. The G of I. have replied that the Indian Institute of Science, Bangalore, is interested in the subject

subject in which the scholar has undertaken studies abroad and that this Govt. may therefore approach the said Institute for utilisation of the scholar's services. They have also informed that the scholar is eligible to apply for one of the posts of Air Craft Inspectors set apart for recruitment from amongst ex-students of the Institute, that the post will be advertised by the F.P.S.C. in the near future and that this Govt. may forward the scholar's employment forms to the Commission for their consideration when they advertise these posts.

3. ~~Under the revision, the scholar has to be provided with a gazette post within a period of 5 months after the admission.~~ It does not appear that this Govt. should approach the Bangalore Institute or forwarded the Employment Forms to the F.P.S.C. in due course. This Govt. do not seem to require the services of the scholar. The 5 months 'period of waiting' is ~~also~~ ^{already} over. It is therefore for consideration whether the scholar may be released from the bond. He may be informed that he may apply to the Bangalore Institute for a suitable post or apply to the F.P.S.C when they advertise the posts of Air Craft Inspectors.

The case may be circulated for orders.
