No. F.O. 79/47, dated 19th April 1948.

Sir,

Sub: Brown Cartridge Covers - Common - Manufacture and supply by Jail Department.
Ref: G.O.Ms.No. 537 Edn., dated 17th March 1947.

Papers 3-44

With reference to the G.O. cited above indents for Common Brown Cartridge Covers were sent to the Inspector General of Prisons, Madras for compliance.

2. Consequent on the release of quite a large number of prisoners, the Inspector General has reported that the production of Jail-made articles has gone down and the progress made in paper-making jails is very little and requested me to supply Mill-made Brown Cartridge to the jails which are unable to meet the demands.

3. In view of the exorbitant difference between mill-made and hand-made Brown Cartridge paper and the cost that will be incurred in freight etc. in sending Brown Cartridge paper from this office to the several Jails for the simple operation of converting the paper into envelopes, I requested the Inspector General to determine the supply that can be made by jails having regard for the quantity of hand-made paper that may be manufac in the jails.

4. ~~From~~ the reply received, I find that the manufacturi capacity is very limited and the cost of production also is hig when compared with the outturn and cost for the same work if done in this office. A comparative statement showing the difference in cost is appended herewith.-

below

Maximum capacity of standard Brown Cartridge Covers manufactured in the jails per month as furnished by the Inspect General of Prisons.

5. The equipment at my disposal in the Press is sufficient to produce all the envelopes required in this province which will be most economical and ensure quick supply and save labour also.

6. As such I have to request Government to stop the manufacture of covers in the jails and permit the old system of supply of covers to all the offices by this office.

2. As there is scarcity of brown wrapping paper manufactured by Indian mills, the paper Directorate, New Delhi has supplied about 50 tons of imported Butcher wrapping paper of one description viz.20 x 26 - 36 lbs from out of the war surplus stores held at Bombay during 1947-48. I have in stock about 2,400 reams of this kind of paper at present. There is no objection to the Government Press undertaking again the work of manufacture and supply of brown cartridge covers, but in that case, specific instructions may be issued to the Superintendent, Government Press, to use the butcher wrapping paper available in my stores to the best possible advantage for the manufacture of brown cartridge covers.

In forwarding herewith letter No.F.O.79/47,dated 19-4-48, from the Superintendent,Government Press,Madras sent with Government Endt.No.29510-F/48-1,Education and Public Health dated 24-5-48, I offer the following remarks:-

page 31 info

2. The manufacture of brown covers is carried on in the Central Jails at Coimbatore,Salem,Madura,Penitentiary,Madras and Vellore. A statement showing the maximum quantity of covers of sizes that each jail can make and the actual cost of raw materials for making 1000 covers is enclosed. The charges for labour and profit etc. go back to Government as the covers are supplied only to Government Department and the actual cost to Government is only the cost of raw materials. Since the prisoners have to be fed in any case, I have no objection to supply covers at the cost of raw materials

O.S.R.

only and not even charge for labour and profit etc.if the Government so orders. Hence it is not only a great saving to the Government to let jails make covers but at the same time the prisoners are being trained in an industry which will be of use to them after release.

I therefore request that the Government may be pleased to permit the Jail Department to continue the manufacture and supply of brown covers to various offices as usual, if necessary at the rates quoted by the Superintendent, Government Press, Madras.

Please see the letters from the SGP on pages 1 and 41 cf & the letter of the I.G. of Prisons on pp 29-31 cf.

The SGP in his letter no. F.O. 79/47 d/ 19.4.1948 suggested that the manufacture & supply of brown covers by the jail dept. ~~might~~ be stopped because of their limited capacity & high cost of production, & the Govt Press permitted to continue the old system of supplying covers to all the offices. (p1 cf)

The I.G. of Prisons, to whom the matter was referred to, has stated that the Jail Dept. may be permitted to continue the manufacture & supply of brown covers at the rates quoted by the SGP for the following two reasons:- 1) that the charge for labour & profit etc. go back to Govt. as the covers are supplied only to Govt Depts. & 2) that the prisoners are ~~being~~ trained in an industry which would of use to them after their release. He ~~was~~ is also prepared to deduct the charge for labour & profit if the Govt. so ordered. (pp 29&31 cf)

The S.G.P. has stated in his letter No. F.O. 79/47 d/ 3.2.1949, that the jail (p 41 cf)

dept. may be permitted to manufacture Common brown Covers of sizes C.C. ~~(1)~~ 8 (3), (5) & (7) & supply them to the local offices such as Collrs., Tahsildars etc & the jail dept nearby. & (ii) that the Govt. Press may ~~should~~ manufacture the brown covers in all the sizes C.C. 8 (1), (3) (5) & (7), required for supply ~~them~~ to all offices ~~as usual~~ on indents, as usual, after deducting the quantities of covers proposed to be manufactured by the jails. The S.G.P.'s suggestions may be agreed to. ~~in the dept.~~
