Sir, Sub: Grant - Boarding - Anglo Indian Schools - Addi-
tional funds - Requesting.

In the budget estimate for 1948-49 provision has been made for Rs.500,000/- towards boarding grant (secondary) to Anglo-Indian Schools. The Inspectress of Anglo-Indian Schools has now brought to my notice that an additional sum of Rs.24,000/- is necessary under this head for payment during the current year. A copy of her letter R.O.P.NO.1/48-49 dated 5-2-1949 is herewith submitted for favour of information. I recommend that only an additional sum of Rs.6,000/- being the amount that may be required to pay boarding grant under Article 156 of the Code to the 30-Bandsmen's children, if they satisfy the conditions laid down in G.O.No.MS.330 Education dated 20-2-1948, may kindly be provided for in this year's budget. As there is no other source from which this additional demand can be met I request that the Government may be pleased to sanction the additional appropriation of Rs.6,000/-.

2. An extract from the Minutes of the 32nd meeting of the Madras Provincial Board for Anglo-Indian and European ~~Sec~~ Education held at the Secretariat on Mondäy the 27th September 1948 is furnished below:

" ** **

2. The Budget Estimate of charges for 1949-50 was passed and Part II schemes for 1949-50 were approved. It was suggested that if savings were effected under any head, the amount should be transferred to Boarding Grant under Art.156 as the number of destitute children in orphanages has been steadily increasing."

3. I request the favour of very early orders as the financial year is drawing to a close.

Yours faithfully,

M. Krishnamoorthy

COPY OF ROP.NO.1/48-49 dated 5th February 1949 of the Inspectress of Anglo Indian Schools, Madras to the Director of Public Instruction, Madras.

A sum of Rs.5,00,000/- has been provided under Boarding Secondary for the year 1948-49. On a scrutiny of the applications received for 1948 I find that an additional sum of Rs.24,000/- is required over and above the provision already made. This additional provision is necessary for the following reasons:-

(1) Due to the demobilization of many of the Military Personnel and also due to unemployment of several persons their children were admitted as destitute boarders in schools thus increasing the number of boarders in each school.

(2) Consequent on the disbandment of H.E. the Governor's Band, the Government in their G.O.No.Ms.330 Education dated 20-2-48 ordered that all the Bandsmen's children should be treated as destitutes under Article 156 - Code of Regulations for Anglo-Indian Schools on production of necessary Destitution certificate on their behalf. There are about 30 such children and the approximate amount required for them will be Rs.6,000/-.

(3) In the year 1947 many Anglo-Indian schools had to admit a large number of boarders for the reasons stated in item (1) above and they were refused grant for that year as the budget allotment for 1947-48 was only Rs.5,00,000/-, and I restricted the sanction to that amount. In the subsequent year i.e. in 1948 many Correspondents of schools requested that those who had been boarded by them in 1947 without receiving grant, may be considered for grant in 1948- As the refusal of aid in 1947 was a great drain on the finances of the school the cases of these Destitute boarders - about 1000 in number - have been considered for 1948- This involves an additional expenditure of about Rs.20,000/-.

Thus a sum of Rs.26,000/- is actually necessary to sanction grant to all the eligible boarders for 1948 though I have requested for Rs.24,000/- only. The differences of Rs.2,000/- will be made up by fixing guardian's contributions as per Article 157(c) C.R.E.S.

As the orders of Government have to be obtained for getting additional allotment it and it will take some time, I shall sanction grant limiting it to the Budget provision of Rs.5,00,000/- pending the receipt of orders of Government sanctioning the additional provision of Rs.24,000/-.

2. In this connection I invite your kind attention to Resolution 2 of the minutes of the 32nd meeting of the Madras Provincial Board of Anglo-Indian Education held on 27-9-1948 that savings effected under any head may be transferred to the Boarding grant under Art.156 as the number of destitute children in orphanages has been steadily increasing.
