The Secretary to Government of Madras,
Education and Public Health Department,

SIR,

Sub: Dr. M. Abdul Haq - Transfer as Principal,
Presidency College, Madras - Fixation of pay.

Ref: G.O.Ms. No. 2911 Edn. dated 18-11-1948.

(14) 13

With reference to the orders of Government cited above appointing Dr. Haq as Principal Presidency college, Madras, I have the honour to state that no special pay is attached to the post of Principal, Presidency College. The officers will get an officiating pay of Rs. 900/- in the scale of 800-100/2-1000 the stage next above his substantive pay of Rs. 800/-. As he was however drawing pay of Rs. 900/- plus special pay of Rs. 50/- as Principal Muslim College he will lose Rs. 50/- in the new post. In memo. 52507-1-1 Edn. dated 4-8-1948 it is stated that it is the intention of Government that on account of the transfer of Mr. Haq from the post of Deputy Director of Public Instruction as Principal, Government Muslim College, Madras he should not suffer any loss of emoluments and that he may be given the pay which he would have drawn as Deputy Director. It may please be stated whether it is the intention of Government to allow him the pay he was drawing prior to his transfer as Principal, Presidency College and if so the difference of Rs. 50/- only be granted as personal pay of Rs. 50/- p.m. in lieu of the special pay. Necessary orders may kindly

E. & P.H. Dept. (A).

Dr. M.A. Haq shd. not be put at a disadvantage financially on account of his transfer from the post of Principal, Muslim College, to that of Principal, Presy. College. But, if, as suggested by the A.G., the difference of Rs.50 in emoluments is granted as 'personal pay' and if no special mention is made in the order that the 'personal pay' that it shd. be continued throughout, besides pay, it will be absorbed in his future increment - F.R.37.

A special pay of Rs.50 is attached to the Dy.Dir.'s post which Dr.Haq had been occupying and if he had continued in that post he would be eligible for that special pay besides his pay. In view of this, a special order as at P above may ^{it seems,} be issued. Fin. will have to see.

-3-

But it is remembered that H.M. (Edn.) has minuted ^{separately} in the file about the Presy. College Principal's pay that, if the scale of pay is not to be revised a 'special pay' may be attached to it - as in the case of Principals of I Gr. Colleges. The file has been cired. to H.M. (Fin.) Its return ^{taking} from ciren. may be awaited for further action here.

M.E.S. - Principal, Presy. College, Madras - Scale of pay - Revision.

Six posts of Chief Professors in the Presy.

College on the scale of pay of Rs.300-50/2-700-75/2-1,000 were recently. In that connection, the question of revising the scale of pay of the Principal of that college, which is now Rs.800-100/2-1,000 was considered. The D.P.I. proposed, and this dept. supported the proposal, that the pay be altered to Rs.1,000-100/2-1,200.

H.M.(Fin.) minuted that the Presy. College was already in a privileged position with regard to Principal's salary and that the salary need not be changed for the present; and H.Pr. agreed. H.M.(Edn.) wanted to know what the privileged position refd. to by H.M.(Fin.) was.

The scales of pay of Principals of other colleges are as below:

Principal of II Gr. Colleges	Rs.230-700	(same as for ordinary professors and teachers)
Principals of I Grade and training colleges (Tng. college, Rajahmundry and Rangaiah College, Tng. college)	Rs.230-700 plus a duty allowance of Rs.50.	
Principal, Teachers' College, Saidapet	Rs.800-100/2-1,000	
Principal, Law College, Madras	Rs.800-75/2-1,100	
Principals of Engg. Colleges	Rs.1,000-75/2-1,225	
Principal, Veterinary College	Rs.800-100/2-1,000	
Principal, Agricultural College	Rs.1,000-50-1,250	

The Presy. College Principal cannot, it is subd., be said to be in a privileged position in regard to his pay when his scale is compared with the scales of pay mentioned at P above. Fin. may see before circn.

Finance (E.III) Deptt.

The proposal is to revise the scale of pay applicable to the post of Principal, Presidency College, Madras from Rs.800-100/2-1,000 to Rs.1000-100/2-1200.

Teachers College, Saidapet from Rs.800-1000, to 1000-1500 was considered even as early as in December 1945. Subsequently it was decided to defer the question till the constitution of a Chief cadre of Professors in the ^{Presidency} college. Please see in this connection the notes of this Department and the minutes of A-1 and A-2 on pp.131-138 of G.O.1885 and 1886, Education dated 29-7-48. When the proposals ^{for the} ~~were~~ constitution of a chief cadre of Professors in the Presidency College was taken up in 1946, the question of the revision of the scale of pay of the Principal, Presidency College, from Rs.800-100/2-1000 to Rs.1000-100/2-1200 was also taken up simultaneously. This department again advised against the proposal especially for the reason that no improvement was needed for the men at the top. Attention is also invited in this connection to the orders in circulation on p.104 of G.O.1885, and 1886 Education dated 29-7-48, wherein H.M(Fin) has minuted that "The Presidency College is already in a privileged position with reference to Principal's salary and it need not be changed for the present." He also minuted that when the college was fully reorganised and became mainly a research college training students for D.Sc. etc., the question of revision may be considered. With regard to this E.& P.H. have compared the scale of pay of the post of Principal, Presidency College, Madras with the scales of pay admissible to Principals of Teachers College, Saidapet, Law College, Engineering College, Veterinary College and Agricultural Colleges and state that the Principal, Presidency College is not in a privileged position in regard to pay, and that the scale of pay may be revised to 1000-100/2-1200.

3. It may be pointed at the outset, that what H.M(Fin) probably meant was that the scale of pay of the post of Principal, Presidency College, Madras (800-100/2-1000) was definitely greater when compared to the scale of pay admissible to the Principals of other Arts Colleges, Grade I & II which was only 230-700. plus Rs.40/- p.m. special pay. It is obvious that no comparison can be made between the Principal of

Presidency College which is an arts college, and the Principals of Law College, Engineering College, Veterinary College and Agricultural College etc. which are all professional Colleges, as the qualifications, and duties and responsibilities attached to the posts of Principals in those Colleges are different. Attention is also invited ~~in~~ in this connection to an extract from the D.P.I's letter in which he has set out the duties and responsibilities attached to the post of Principal, Presidency College. Special attention is invited to the portion marked 'X' ^{in the letter} wherein it is stated that the Principal has been and is an administrative officer with no teaching work, though technically he is still the head of a teaching department. cf. also the duties attached to the posts of Principal, Agricultural College, Coimbatore. As minuted by H.M(Fin) ~~himself~~ the Presidency College has not yet been fully developed into a research institution, and the first step towards this direction viz. the institution of a chief cadre of Professors has been taken only recently in July 1948 and it seems too early to reopen the subject again. Further the Retrenchment and Reorganisation Committee have considered that the existing scales of pay for gazetted posts are adequate, and hence have ^{left out} ~~not considered~~ the question of revision of scales of pay in this respect. H.Pr. has also minuted that there should be no more cases of upward ^{revision} of pay. In the circumstances this department may strongly advise against the proposal.
