In continuation of this office letter referred to above I enclose herewith the Revised Estimate for 1948-49 and the Budget Estimate for 1949-50 on the Elementary Education Fund of this Municipality in the prescribed form in duplicate - together with an extract from the proceedings of the Municipal council No. 439 dated 25-11-48 passing and approving the Budget Estimates.

in the revised Estimate or in the Budget. Provisions made in the Budget with regard to staff, equipment, accommodation etc. are based on the actual requirements of each school and with reference to the recommendations of the Inspecting Officers. Marked variations are explained against the respective items of expenditure.

During the current year 2 Elementary schools, ^{one} for boys and the other for Girls, have been raised to the status of Higher Elementary schools. Larger number of children have been admitted in all the schools and consequently 13 more additional teachers had to be appointed. The schools have been provided with additional furniture and equipment for which a provision of Rs.3163/- has been made in the Revised estimate. Further 2 prevocational instructors are to be appointed as also a music mistress. Provision for all of them has been made.

In the Budget for 49-50 provision has been made for appointment of 2 additional Secondary Grade Teachers and for the conversion of the XVI ward Boys' school into a Higher Elementary school. In view of the large expenditure that has become necessary in the interests of efficiency of the institution, the contribution from the General account to the Elementary Education account has been considerably increased.

Revised Estimate: Expenditure:Elementary Education Account:-

The Revised Estimate makes provision for Rs.30559/- as against the Budget provision of Rs.23789/-. The large difference of nearly Rs.7000/- is due because, additional teachers had to be appointed in the various elementary schools managed by the Municipality, on account of increased strength of pupils and the provision of much needed furniture and equipment to an extent of Rs.3163/- and Library books and maps for Rs.225/-. In two of the elementary schools, higher elementary standards were opened during the year and 11 higher grade and two Secondary grade teachers had to be appointed in all the schools, besides making provision for provocational instructors and other equipment and a Music Mistress. All these necessary items have swelled the expenditure under Elementary Education.

The account was expected to close with Rs.5406/- in the Budget while actually as per Revised Estimate it closes only with Rs.1066/-.

B.E. 1949-50 - E.E. Fund - Municipal Council, Devakottai.

From the Commr. Devakottai Mty. No. 7596/48 dt. 30-11-48.
From the D.P.I. No. 87-B3/48 dated 20-1-1949.

The R.E. for 1948-49 and the B.E. for 1949-50 of the Municipal Council, Devakottai call for the following remarks -

2. R.E. for 1947-48. There is a slight increase ^{in the expenditure} under the heads - "Salaries and allowances of Masters", and "furniture and apparatus". This has been explained as due to appointment of additional teachers and supply of additional furniture to schools. Under orders in G.O. No. 576 Edn., dated 19-3-48 the B.E. for 1948-49 was expected to close with a ^{balance of Rs 5406.} ~~nil~~ balance. But the R.E. has actually closed with a ~~surplus~~ balance of Rs.1,066. This is due to the increase in the expenditure 'Salary'.

3. B.E. for 1949-50 - (i) The credit taken for Govt. grant under section 37 of the Ele.Edn. Act is Rs.6,124 which is the same as that allowed in 1948-49.

(ii) A provision of Rs.31,626 has been made under 'salaries and allowances of masters' as against Rs.23,439 made in the R.E. for 1948-49. This has been explained as due to appointment of additional teachers, and may be allowed.

(iii) The contribution proposed from the General funds is Rs.18,608 as against Rs.8,920 made in 1948-49. L.A. have agreed to this higher contribution and it may therefore be allowed.

(iv) Revised with ref. to the suggestions above the B.E. for 1949-50 is expected to close with a minus balance of Rs.80. The figure Rs.800 shown as an item of expenditure under the head 'Other items' may be reduced by Rs.80. The B.E. will then close with a 'nil' balance.

4. No subsidy ~~was~~ paid to the Municipal Cl. towards the grant of dearness allowance to the E.E. staff either in the current year or in 1947-48.

5. The D.P.I.'s remarks in paras 5 and 6 of his ~~letter~~ ^{and} at p.1 c.f. may be communicated to the

the Commissioner for necessary action.
