ELEMENTARY EDUCATION BUDGET

N O T E

REVISED ESTIMATE FOR 1948-49: The budget estimate for 1948-49

as framed and approved by the Municipal Council in its Resolution No. 895 (2) dated 19th December 1947, was expected to close with a balance of Rs. 7,381. But the budget as altered by Government and passed in G.O. No. (Ms) 711, Education, dated the 31st March 1948, was to close with nil balance. The main alterations in the budget were a reduction of the contribution from General funds to the Elementary Education account from Rs. 17,968 to Rs. 12,177 in the revised estimate for 1947-48 and from Rs. 19,823 to Rs. 12,123 in the budget estimate for 1948-49. As a result of these alterations, a deficit of Rs. 8,819 was expected in the budget estimate for 1948-49, the Government were pleased to permit the Council in the Order quoted above to adjust a sum of Rs. 8,819 from the Arrear Toll Compensation grant likely to be sanctioned for the current year, in order to wipe off the deficit anticipated.

Accordingly the revised estimate has been framed taking credit for a sum of Rs. 8,819. The important variations from the budget estimate are explained below:-

RECEIPTS-ORDINARY: There is not much variation under this head except that the Government grant under section 37 of the Elementary Education Act is raised to Rs. 14,763 from Rs. 14,500 based on the actual amount realised during the year, besides providing for the transfer of a sum of Rs. 2,000 to Capital account.

RECEIPTS-CAPITAL: Under Government grant credit is taken for a sum of Rs. 750/- out of the provision of Rs. 25,000/- made by Government for play ground grants for the Elementary Schools for the year 1948-49, with reference to the Proceedings of the Director of Public Instruction, R.O.C. No. 1692-B/1/48, dated 17th August 1948. This grant is required for the improvement of the play grounds attached to the Municipal Elementary schools at Pudumund and Kodappamund. An application was made to the Director of Public Instruction in this Office R.O.C. No. C.3. 7308/48, dated 30th August 1948, for a full grant of Rs. 1,500 for the purpose. But the Director in his Proceedings R.O.C. No. 1692-B1/48, dated 8th November 1948, intimated that it was unlikely that Government would sanction full grant for the

the purpose and asked whether the Council was agreeable to meet half the cost and complete the work before 31st March 1949. With reference to this, the Council has agreed to bear half the cost in its Resolution No. 877, dated 24th November 1948. In view of this resolution, a sum of Rs. 750/- being half the cost of the work is provided under 'contribution from General Accounts.'

EXPENDITURE-ORDINARY:- (1) Staff: Salaries and allowance: Under this head, the provision is reduced from Rs. 42,170 to Rs. 40,100 due to the stoppage of 50 per cent increase in the local allowance to the Teachers amongst the other members of the Municipal staff under the orders of Government, from 1st April 1948. Though an additional secondary grade teacher was appointed for the Higher Elementary School at Kodappamund from the beginning of last school year, due to the opening of an additional standard, the expenditure on the staff, has not gone up, as provision was made in the Budget Estimate for a secondary teacher for the pre-basic school at Kandal, but this appointment was not made. The amount of Rs. 40,100 includes provision for the enhanced dearness allowance paid from 1st January 1948, at the same rate at which such allowance is paid to Government servants.

Under Education Tax-collection charges, the provision is increased from Rs. 600 to Rs. 950 on the basis of the amount actually adjusted for the year 1947-48.

Under Contribution to Provident Fund, the provision is reduced to Rs. 1,050 taking into account the amount adjusted under this head for the year 1947-48.

EXPENDITURE-CAPITAL:- Under Lands and Buildings, the provision is increased to Rs. 3,000 to meet the cost of the following works:

- | | |
|---|-----------|
| 1. Levelling a site for a playground for the Elementary school at Kandal | Rs. 1,500 |
| 2. Improvements to the playground for the attached to the Municipal Ele. School at Pudumund and Kodappamund.. . . . | Rs. 1,500 |
| Total , . . | Rs. 3,000 |

The revised estimate closes with a balance of Rs. 8,381/- as against Nil balance anticipated in the budget estimate. This is due to the fact that the year opened with a balance of Rs. 7,128 as p.t.o

Nil balance
as against the anticipated balance of Rs. 881 only in the Budget Estimate.
This is due to the fact that the year opened with a balance of Rs. 7,128/- as against the anticipated balance of Rs. 881/- BUDGET ESTIMATE FOR 1949-50

The total receipts under 'Receipts - Ordinary' amount to Rs. 48,745 after transferring a sum of Rs. 5,000 to Receipts Capital, made up of (1) Rs. 15,200 being the anticipated education tax, (2) Rs. 14,700 being the Government grant under section 37 of the Elementary Education Act, (3) Rs. 1,517 being the Government grant under proviso to Rule 37 of the Elementary Education Act and (4) Rs. 22,828 being the contribution from General funds.

Under Receipts - Capital, provision is made for a Government Grant of Rs. 11,830 towards the cost of constructing a new building for the Municipal Elementary School at Mullikorai converting the existing shed attached to the Municipal building into a pucca building with additional accommodation at Kodappamund. Provision is made for a contribution of Rs. 7,130/- from General funds Account and for the transfer of Rs. 5,000 from the Ordinary receipts to meet the cost of the above works as well as of furniture and apparatus.

Expenditure - Ordinary: Under 1. Staff - Salaries and allowances, provision is made for the appointment of a Pre-vocational teacher in the scale of Rs. 30-1-45, for the higher Elementary School at Kodappamund, for teaching spinning and weaving. This appointment was approved by the District Educational Officer in his N. Dis. 342 C/47, dated 20th November 1947. The required charkas, spindles etc., have been purchased at a cost of Rs. 176-14-0.

Provision is also made for the five Teachers in the employ of the C.M.S. Elementary school at Old Ooty, the management of which the Municipal Council has decided to take over in its Resolution No. 885, dated 24-11-'48. At the request made by the management of this school, to take over the school, Government were addressed in this office letter R.O.C. C.3. No. 1889/48, dated 7th June 1948, stating that the Council would be willing to take over the management of the school if Government would sanction a grant equal to the sum paid to the present management. But Government in their Memorandum No. 52292-C1/48, Education, dated 31st October 1948 declined to sanction any subsidy towards the maintenance of the Elementary school after its transfer to the management of the Municipal Council. In view of this order of Government, the Council has resolved in its Resolution No. 885, dated 24-11-1948, to take over the management of the school.

10
Provision has been made under the head contribution to Provident Fund for contribution to the Teachers in the C.M.S. School to be taken over by the Municipal Council.

Under house rent, provision is made for the payment of rent for the 7 rented buildings now occupied by the Elementary schools as well as for the building occupied by the C.M.S. school, at Rs. 50 per month, and an additional rent of Rs. .20/- for the building occupied by the Main Bazaar Elementary School owing to the provision of additional accommodation.

EXPENDITURE-CAPITAL: Under this head provision is made for the following works:

1. Constructing a new building for the Municipal Elementary School at Mullikorai Rs. 15,960
2. Converting the existing shed attached to the Municipal Elementary School building at Kodappamund into a pucca building with additional accommodation Rs. 7,700
3. Purchase of furniture and apparatus Rs. 300
- Total Rs. 23,960.

(M)
p.54
A new building for the Municipal Elementary School at Mullikorai, is an urgent necessity, as the existing building has been condemned as unsuitable and inadequate for a school. However, the Government in their Order No. 76907-47-3-C1, Education, dated 12th December 1947, have ordered that the proposal of the Municipal Council to construct a building for the elementary school at Mullikorai should be deferred. In as much as the site for the school building has been alienated by the Board of Revenue, subject to the condition that the building should be constructed within a period of two years, i.e. before 21st February 1950, the Government have been addressed in this Office letter B.4. No. 2195/48, dated 1st April 1948, to sanction half grant towards the cost of this work during 1948-49. This has been followed by an application in the prescribed form with the revised plans and estimate for the proposed building, to the Director of Public Instruction, with this office letter R.C. No. 2195/48, dated 23rd August 1948. But so far no orders have been received either from Government or from the Director of Public Instruction. However in view of the circumstances stated above, provision is made for this work in the budget estimate for 1949-50.

copy sent
An application has also been made to the Director of Public Instruction in this office letter R.C. No. C.3. 61/48, dated 24th August 1948,

12

1948, for half grant towards the cost of converting the existing shed attached to the Municipal Elementary school building at Kodappamund into a ~~purca~~ building with additional accommodation. The necessary plans and estimates have been sent to him in this office letter RC. No. B.4. 61/48, dated 5th January 1948.

The Budget estimate closes with a balance of Rs. 3,381.

The remarks and recommendations of the Inspecting Officers have been called for, but they have not been received.

Out of 11 Elementary schools run by the Municipal Council, only 4 are located in buildings owned by the Municipal Council and the rest in rented buildings, which are inadequate and unsuitable for schools. The Council is already contributing heavily from General Funds to Elementary Education account year after year, and it is impossible to embark on any large scale building scheme to replace all the existing rented buildings. It is, therefore, for consideration whether the education tax which is levied at 1 per cent per annum on rental value of buildings and lands may be increased in order that the proceeds of the enhanced tax may be set apart for the construction of new buildings, taking advantage of the order of Government in G.O. No. Ms. 1606, Education, ^{not put up} dated 22-6-1948, that this tax should be levied at a certain percentage of the property tax instead of a certain percentage of the annual rentals.

8 (a) Transfers to other Accounts - Ele.Edn.Account.

The contribution approved in the B.E. for 48-49 is Rs.12123. The R.E. for 1948-49 provides for this contribution. In addition, this Dept. agreed to the adjustment to the Ele.Edn., Account of a sum of Rs.8819 of the A.T.C. sanctioned for the current year to avoid a deficit under Ele.Education Account. Credit is accordingly taken in the R.E. of the Ele.Education Fund for the sum of Rs.8819. As the Ele.Education Account ordinary for 1948-49 is expected to close with a surplus balance, no adjustment of any portion of the A.T.C. to the Ele.Education Fund in the current year is permissible. The Council may therefore be asked with the concurrence of E & P.H. to omit the credit taken for a sum of Rs.8819 of the A.T.C. in the R.E. for 1948-49. The contribution proposed for 1949-50 is Rs.22828. Even with this large contribution the Ele.Education Account ordinary for 1949-50 is expected to close with a deficit of Rs.3996. The contributions provided in the estimates may stand and the question of avoiding a deficit in the Ele.Education Account may be considered while examining the Ele.Education budget. In addition to the contributions referred to above a sum of Rs.750 in 48-49 and Rs.7130 in 1949-50 is proposed to be contributed to Ele.Education Account Capital.,

Pending examination of the E.E. budget, the contributions provided may be allowed provisionally. When examining the E.E. budget, E & P.H. will no doubt notice the irregularity of adjusting from ATC a larger amount than is necessary to wipe off actual deficit.

BUDGET ESTIMATE -1949-50 - E.E. Fund - Municipal Council Ootacamund.

Ref: From the Commr. Ootacamund Mty. No.9640/48, dated 13-12-48.
From the D.P.I. No.99 B3/48 dated 14-1-1949.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the Municipal Council, Ootacamund, call for the following remarks -

R.E. for 1948-49:-

(i) Opening balance - The opening balance is reported to be Rs.7129 as against Rs.881 anticipated earlier.

(ii) Govt. grant under section 37 of the E.E.Act:-
The credit taken under this head is the same as the actual subsidy sanctioned to the Council in 1948-49.

(iii) Adjustment from A.T.C. grant:- Credit taken under this head is the same as that allowed in the sanctioned Budget.

(iv) Govt. subsidy towards capital expenditure -
A credit of Rs.750 has been taken under the head towards acquisition of playground. In the list of schemes relating to the acquisition of playgrounds the D.P.I. has not recommended the payment of any subsidy under to the Municipal Council in 1948-49. The credit taken may therefore be disallowed. Instead the Council may be allowed to take credit for Rs.3000 as an equal amount has been sanctioned as subsidy towards the construction of a Municipal Elementary school building in the current year.

(v) Contribution from General Funds towards capital expenditure - Credit has been taken for an additional contribution of Rs.750 under this head from the General funds so as to meet the Council's share of expenditure towards the acquisition of playground referred to in para (iv) above. For the reasons stated at 'B' above the credit taken may be disallowed.

(vi) Expenditure 'Capital' -

In G.O. No. 3156 Edn., dated 10-12-48 the Govt. sanctioned inter alia the construction of a building for the Municipal Ele.school, Ootacamund in 1948-49 at an estimated

cost of Rs.7700. This ~~may~~ has to be shown in the R.E. as an additional item of expenditure.

(vii) The provision made for capital expenditure under the head 'Lands, Buildings and equipment' is Rs.3000 as against Rs.1500 provided in the sanctioned Budget. This has been explained as due to the need for additional expenditure on improvements to playgrounds. The increased provision may be allowed.

(viii) Revised with reference to the suggestions above the R.E. will close with a balance of Rs.2181. L.A. have noted that no larger amount from the A.T.C. than is necessary to wipe off the deficit should be adjusted to the E.E. Fund. The amount allowed to be adjusted from the A.T.C. in the sanctioned Budget is Rs.8819. This may be reduced by Rs.2181. The R.E. will then close with a 'nil' balance.

B.E. 1949-50 - (i) Govt. Contribution under section 37 of the E.E. Act - A sum of Rs.14,700 has been taken credit under this head. This is liable to revision with reference to ^{the} actual subsidy to be sanctioned. The credit taken may stand.

(ii) Contribution from General funds:- A contribution of Rs.22,828 has been proposed. This is higher than the amount sanctioned in 1948-49. In view of the need for a higher contribution L.A. have agreed to this.

(iii) Receipts 'Capital' The credit taken for a Govt. grant of Rs.118,30, and for a contribution of Rs.7130 ^(from the General funds) towards the expenditure ~~on~~ on the construction of an ele.school building may be disallowed as the Council has no such approved building scheme for 1949-50.

(iv) Salaries and Allowances - The provision under this head is slightly on the increase. This has been explained as due to employment of additional staff. The provision may be allowed.

(v) Provident fund and house rent:- The provision made under these heads is also slightly higher than that made in the R.E. The reason for this is given

given at p.11 c.f. The provision may be allowed.

(vi) Expenditure - Capital - A sum of Rs.23,960 is shown under this head to meet the expenditure on the proposed construction of the ele.school buildings at Mullikorai and Kodappamund. The building scheme relating to the school at Mullikorai has been included in the list of building schemes for the current year and a subsidy of Rs.3000 has been promised to the Municipal Council. No proposal has been received in respect of Kodappamund school building scheme. Therefore the provision made in the B.E. may be deleted. Revised with reference to the suggestions above the B.E. will close with a 'nil' balance.

(vii) The Director's remarks in para 4 of his endorsement at p.1 c.f. may be communicated to the Commissioner, Ootacamund Municipality, for necessary action.

Copy of Commissioner's note dated 9-3-1949, to the Council, Ootacamund

The revised estimate for 1948-49 and the budget estimate for 1949 relating to the Elementary Education fund of this Municipality which were framed to close with a balance of Rs. 8,381 and Rs. 3,381 respectively were approved by the Municipal Council in its Resolution No. 899, dated 8th December 1947, and submitted to Government. The Government in their Order No. Ms. 490, Edn., dated 23rd February 1949, have passed the following orders.

(1) Revised estimate for 1948-49:- The credit taken for a Government grant of Rs. 750/- and that for a contribution of Rs. 750/- from the General funds under the 'Receipts - Capital' to meet the cost of improvements to the play grounds attached to the Municipal Elementary schools at Pudumund and Kodappamund should be deleted. Instead credit should be taken for a Government grant of Rs. 3,000/- under the head 'Receipts - Capital' being the subsidy towards the construction of an Elementary school building at Kodappamund (vide G.O. No. 3156, Edn., dated 10th December 1948).

2. The amount to be adjusted from the Arrear Toll compensation grant should be reduced from Rs. 8,819/- to Rs. 6,638/-.

(3) Provision should be made for a sum of Rs. 7,700/- under the head "Expenditure - Capital" for the construction of the Elementary School building at Kodappamund sanctioned in G.O. No. 3156, Edn., dated 10th Dec. 1948.

(4) The Council is permitted to increase the provision under the head "Expenditure - Capital - lands, buildings or Equipment" from Rs. 1,500/- to Rs. 3,000/-.

The revised estimate has been altered accordingly as against a balance of Rs. 8,381/- with which it was closed previously. The work of levelling a site for a playground at Kandal and the improvements to the play grounds attached to the Municipal Elementary schools at Pudumund and Kodappamund provided for in the revised estimate will have to be met from the opening balance. So also the balance of Rs. 4,700/- to be met from the work of constructing a building at Kodappamund. The effect of these alterations in the revised estimate of general funds is that (1) a sum of Rs. 8,381/- being the amount reduced from Rs. 8,819/- set apart for provided for the construction of latrine is to be added to the from Rs. 23,746/- to Rs. 25,927/-

budget, E + Closing balance of Rs. 1,94,796/- under General funds.
amount of A. T. Budget estimate for 1949-50:-

- current year to
- 1) The amount provided for under receipts ordinary for transfer capital account, viz. Rs. 5,000/- is deleted.
 - 2) Credit taken for a grant of Rs. 11,830/- a contribution of Rs. 30/- from General funds and a transfer of Rs. 5,000/- from Ordinary account amounting in all to Rs. 23,960/- is deleted.
 - 3) The amount of Rs. 23,960/- provided under 'Expenditure-Capital' for construction of a new building at Mullikorai at a cost of Rs. 3,000/- and the construction of a new building at Kodappamund at a cost of Rs. 7,700/- and the purchase of furniture and apparatus at a cost of Rs. 300/- is deleted.

The work of constructing a new building at Kodappamund provided for in the budget estimate has been advanced to the current year and a grant of Rs. 3,000/- sanctioned for the purpose as stated above. But the Government have not been pleased to sanction any grant for the construction of a new building at Mullikorai during 1949-50 though the Government were addressed in April 1948 to sanction a half grant as early as April 1948. According to the condition of alienation of the site for the proposed building by the Board of Revenue, the building should be constructed within a period of two years, i.e. before 21st February 1950. As the work cannot be taken on hand in the absence of any grant from Government, during 1949-50, action will be taken to get extension of time for the construction of the building.

The budget estimate as altered according to the orders of Government closed with a Nil balance as against Rs. 2,381/- with which it was closed previously.

The effect of these alterations in the budget estimate of general funds is that a sum of Rs. 7,130/- provided as contribution from General funds is to be deleted and added to the closing balance of Rs. 37,538/- 750/- under General funds.
