for Director of Public Instruction.

RVR 18/1/-

Copy of letter A.3-900 of 1948 of the Special Officer, Pudukottai to the Divisional Inspector, Coimbatore.

I enclose the endorsement of the Director of Public Instruction, Madras, in NRC.2186-K.3 of 48 dated 2-11-1948, on a letter Dis.6159 of 48 dated 18-5-48 from the Collector of Tiruchirapally to the Secretary to Government Examinations Education Department.

2. I submit two extracts from my letter to the Darbar, Pudukottai.

- (a) from a letter RC.A.3-900 of 48 dated 26-4-48
- (b) from a second letter RC.A.3-900 of 48 dated 4-5-48 statement of work done by clerks.

3. In this connection I would like to explain the circumstances under which these recommendations were made. The training School was an emergency arrangement the course extending to a period of 12 months and so the work in connection with it had to be carried on by the existing staff in this department as a sort of additional work. It was naturally felt that an extra remuneration should be paid to the members who were put on the work. I therefore recommended to the then Darbar the sanction of a lump sum grant of Rs.200 for the Head Master of the Sri Brahadambal High School, who had supervision work over the training school and an honorarium of Rs.70 to each of the two clerks in my office and the part-time teacher, who among themselves looked after the clerical portion of the work regarding the training school, details of which are given in statement B.

4. The Darbar in their RC.A.2-4292 of 48 dated 1-5-48 sanctioned a lump sum grant of Rs.200 to the Head master and deferred the payment of honorarium to the clerical members and the part-time teacher with a view to ascertaining the nature of the work turned out by each. Please see copy of the order enclosed.

P.T.O.

5. The merger intervened and by 30-6-48 when the budget allotment had lapsed orders of the Collector had to be obtained for sanction of this honorarium.

6. Now that the Director of Public Instruction, Madras has been requested to offer his remarks on this question, it is requested that he may be pleased to recommend the payment of honorarium already recommended by me (viz.) Rs. 70 to each of the two clerks and the part-time clerk of the Sri Brahadambal High School.

7. This is really an arrear item of expenditure which should have been paid during the last official year, but has to be met with this year as a special case.

Copy of the Proceedings of the Pudukottai Darbar in RC.No.A.2-4293 of 48 dated 1-5-48 to the Director of Public Instruction, Madras.

The Darbar are pleased to sanction a lump sum grant of Rs. 200 to the Headmaster Sri Brahadambal High School for his supervision work of the teachers' training school from June 47 to the end of the current school year during which the training section works.

2. The expenditure will be met from the allotment under 'Training school'

3. Regarding payment of honorarium to the teacher and the clerical staff of his office the Director of Public Instruction is requested to catalogue the nature and quantity of work turned out by each.

Extract from the letter of the Director of Public Instruction, Pudukottai now Special Officer to the Pudukottai Darbar in RC.A.3-900 of 48 dated 26-4-48

Besides this the training school has been enough work for the clerical staff. The training school is a special school sanctioned for a temporary period and no special additional staff could be employed for it. So the work in connection with the Training section has to be carried on mainly by the three members of the clerical staff - two in my office and one in the Sri Brahadambal High School and I recommend each an honorarium of Rs. 70/- Rupees Seventy for this year. If this amount is sanctioned I shall pay the amount from the allotment under 'Training School'

Statement of work done by the three clerks.

Clerk No. 1. This clerk looked after the whole correspondence ever since the question of opening of the Trg. School was taken up, sending up notifications, called for applications, selection of candidates, maintaining correspondence regarding private candidates appearing for the T.S.L.C. Examination in April 1948 and preparation of bonds and other allied work.

Clerk No. 2. This clerk looked after the preparation of pay bills and disbursement of salaries to the trainees for the entire period. Part-time Clerk in the Sri Brahadambal High School. Maintenance of daily and periodical abstract of attendances and History of records of the trainees; tabulation of examination marks and preparation of stipend bills for the private candidates.
