As far as I know only two Koya students are study-
ing in colleges, one in Rajahmundry and another in Cocanada.
Here is an application from one Lakshmayya, a Koya student.
He met me at Arakku and explained his difficulties. He has
also given an account of the expenses he has to bear.
My own feeling is that hill tribes people may be given
exemption from tuition fees in the colleges and also some
amount for their monthly boarding and lodging expenses.
The matter may be examined.
