REF:- Your Proceedings RC.No.2086/E/47 dated the 14th November 1947.

Rule 10 of the revised rules for the award of Research Studentships approved in your proceedings quoted above required that the students should execute a bond in favour of the principal, to refund the money drawn by them, if the conditions for the award are violated or satisfactory progress is not made.

2. During 1947--48, three studentships have been awarded. The students have executed a bond in the form enclosed. The form is based on the one prescribed by the University of Madras for its students, with necessary modifications to suit its use in Government institutions. While making the modifications, the text of the model bond in Appendix 22 of the M.E.R. was kept in view.

3. I request that the form used may kindly be approved, so that it may be used in future years also.

LEGAL DEPARTMENT.

The draft bond purports to be made in favour of the Principal, Presidency College. As under section 175 (3) of the Government of India Act, all contracts made in the exercise of the executive authority of a Province should be expressed to be made by the Governor, the reference to the Principal in the preamble may be changed into a reference to His Excellency the Governor as indicated in red ink on the draft.

Portion marked A in the draft bond refers to 'conditions of official Memorandum No. 477/47, dated 18th March 1948, over the signature of issued by the Principal'. That Memorandum relates to the award of studentship to three candidates for a period of one year from different dates in the year 1947 and ~~it would appear that~~ ^{might} bonds have already been ~~not~~ executed ~~from~~ ^{by} those students. Further, in view of the condition in the bond that the students concerned should abide by such rules governing the holding of research

studentships as the Government or the Principal may from time to time lay down, the reference to any such memorandum does not appear quite necessary and may be omitted.

The expression "terms of the award" occurring at C in the draft bond is vague. It is desirable to specify where these terms are to be found.

Subject to the above remarks, the alterations indicated in red ink on the draft bond may be made.
