Sir,

Sub:- Pudukottai State - Education Department - Taking over by the Madras Government.

Ref:- Govt. Memo No.23130-B2/48-5 Edn., dated 22.6.48.

In para 1 of the above, Government sanctioned the employment of the former Director of Public Instruction of the Pudukottai State as Special Officer till 31-12-1948. Government also approved my proposal to attach a Senior Deputy Inspector of the Province as Assistant to the Special Officer. Both these posts will expire on 31-12-48. So far no orders constituting the local body for the area comprising the State have been issued by the Government. The administration of the Schools in the State will therefore have to be taken over by the District Educational Officer, Tiruchirapalli with effect from 1-1-1949. There are in the State (1) 25 Secondary Schools (2) One Training School and 330 Elementary Schools - (104 Aided and 226 State) and in order to enable the District Educational Officer to administer these Institutions it is essential to sanction additional Staff to the District Educational Officer. I recommend that Government may sanction the employment of an additional Personal Assistant in the combined cadre of School Assistants and Deputy Inspectors, and also one Upper Division Clerk, 2 Lower Division Clerks and a Typist. The present Deputy Inspector who is working as the Assistant to the Special Officer will be retained by me as Personal Assistant to the District Educational Officer from 1-1-1949. The existing clerical establishment under the Special Officer consists of a Headclerk, 2 Lower Division Clerks and a Typist. These posts will be abolished there and transferred to Tiruchirapalli.

3) As early instructions have to be issued to the Special Officer in regard to the transfer of the administration of these Schools from 1-1-1949, I request the favour of immediate orders.

Yours faithfully,

For Director of Public Instruction.

taking over by the Madras Government.

Please see my letter R.O.C.No.823 K2/48 dated w 16-12-48 submitting proposals for the employment of an additional Personal Assistant to the District Educational Officer, Tiruchi and extra clerical staff consequent on the taking over the administration of the institutions in the Pudukottai State. In anticipation of sanction of Government I am asking the District Educational Officer, Tiruchi to take over the administration and relieve the Special Officer on 1-1-49. I request you kindly to approve my action and issue immediate orders sanctioning the additional staff asked for by me as without them it will not be possible to manage the work.

Yours sincerely,

Pudukottai State - Education Dept. Taking over by the D.E.O., Tinchirapalli - Order passed

Ref letter from the D.P.S. No. 823-K2/48
of 16.12.48.

Order No. 51 Edn. dated 6/1/49
MS

The Govt agree with the D.P.S. that the administration of the educational institutions in the former Pudukottai State should be taken over by the D.E.O., Tinchirapalli, from 1.1.49.

2 The Govt sanction the employment of the following addl staff under the D.E.O., Tinchirapalli, for a period of six months from 1.1.49 or till the question of constituting a local body for the area comprising the State, ^{is finally decided,} whichever is earlier, to enable the D.E.O. to administer these educational institutions:—

1 Personal Asst (in the combined cadre of School Asst and Deputy Inspectors)

1 Upper Division clerk

2 Lower Division clerks.

1. Typist.

2. The existing clerical establishment of Head clerk, 2 lower division clerks and 1 typist under the Special Officer for Edn in the State will be abolished from 31.12.48.

Please see the letter from S.P.I. in to C. and the draft order put up by S.P.H. overleaf. The D.E.O. Tiruchirapalli has already got a P.A. to assist him as in other districts. As the no. of schools there are only 25 secy. schools, one primary school and 300 elementary schools. By the D.E.O. Tiruchirapalli, so far as Pudukkottai State is concerned to need for an additional P.A. in the grade of Senior Dy. Inspector of Schools for attending to administrative work seems to be too weak. In the circumstances, the rest of the staff proposed, viz. one U.D. clerk, 2 L.D. clerks and 1 cf. may be agreed to in Finance. The extra cost works out to Rs. 2619/- for 6 months.

The draft order overleaf may be accepted, subject to the remarks at A. alone.

Please see the draft order and the notes of Public (Pol.), L.A. and Finance on p.1-2 ante. As regards the objection of the Finance Deptt. to the employment of an addl. P.A. to the D.E.O., Tiruchirapalli, the present P.A. to the D.E.O. will have his normal work to do and it is not likely that he will find time to attend to the Pudukkotta work also. Further, the number of schools in Pudukkotta brought under the control of the D.E.O., Tiruchirapalli, viz., 356, is not small. It may also be mentioned in this connection that Rev. have sanctioned the appointment of a Special Dy. Collector for the Revenue Dept. of the State. In these circumstances and in view of fact that there will be a lot of work in the beginning to bring the administration into line with that in this Province, this Dept. may press for the acceptance of the Director's proposal in toto.

I have the honour to enclose herewith for the consideration of Government a copy of letter dated 25th August 1948 from Sri. T.S. Viswanathan, Assistant to the Special Officer, Education Department, Pudukottai together with the remarks of the Special Officer. Sri. T.S. Viswanathan was appointed as the Assistant to the Special Officer, with reference to para one of the Government Memorandum No. 23130/82/48-5, Education dated 22nd June 1948. If the officers of the other departments have been sanctioned Special allowances as stated in the letter it is only fair that the Deputy Inspectors of Schools should also be granted similar Special Allowance. I recommend that an allowance of Rs. 50/- (Rupees Fifty only) per mensem may be granted to the Deputy Inspector.

YOURS FAITHFULLY,

Copy of letter dated 25--9--1948 from Sri. T.S. Viswanathan, B.A., L.T., Assistant to the Special Officer, for Education, Pudukottai.

Sub: Special Allowance - Requested.

In obedience to your orders No. 2444-C/48, dated 20-7-48, I have joined duty here as Assistant to the Special officer on 31st July 1948.

2. This work being of a specially arduous nature and that too for a short period only, I request some extra allowance may kindly be sanctioned to me as in the case of other departmental officers who are posted here on a similar mission.

The Special Deputy Collector (Pay Rs.500/- per mensem) in charge of the territory is I understand, given a special allowance of Rs.150/- per mensem. ~~The~~ Three members of the staff of the Accountant General's Office, Madras, whose stay may, I learn probably extend to three or four months are treated as on Tour. The Taluk Head Accountant styled here as Treasury Officer (Pay Rs.115/-) has been strongly recommended for a Special Pay of Rs.50/- more.

I am really put to an extra expenditure of Rs.70/- per mensem for myself alone - while I have to continue my family establishment at Tiruchi, which cannot be shifted for obvious reasons viz., shortness of the duration of the post and the continuity of their college studies.

I therefore request that I may be sanctioned a Special Allowance of Rs.60/- per mensem - just to enable me to afford to keep myself comfortably and thus help me to efficiently discharge the difficult work entrusted to me.

T.S.Viswanathan,
Assistant to the Special Officer.

2. The Assistant to the Special Officer has really been doing arduous work so far and much constructive work ahead is awaiting him. The cost of living in Pudukottai is raising day by day and it is not easy for a sojourner of the status of Sri. Viswanathan to live on anything less than Rs.70 or 75 per mensem. In view of the help given by way of allowances to Officers of other departments who are on deputation here, Sri. Viswanathan's request is quite reasonable and I commend it for the sympathetic consideration of the Director.

The pay drawn by the Senior Dy. Inspector is not known. The scale of pay of a Senior Dy. Inspector Grade is Rs. 16.5 - 24.5 (No. 212.3). If however it is considered that some special pay should be given, the Dept. may suggest that it should not exceed 1/5 (one fifth) of the pay drawn by the Dy. Inspector on the analogy of F.R. 19(2)(v) (b).

There does not appear to be a good case for any special pay to this officer, who is only assisting the special officer. Fin. advice the proposal is negatived.

Hon'ble the Premier spoke to me just now about complaints he has been receiving of our alterations in the administrative set-up in the Education Department in Pudukottah, and particularly about the shifting of articles of furniture and other equipments from institutions from Pudukottah to outside the area, and said that both these, and particularly the latter, should be avoided. I mentioned to him that we are arranging to review the changes we have made such as shifting of the office of the Special Officer for Education and ^{or Public Health} Public Health from Pudukottah to Tiruchirapalli, (I have ~~sent~~ just now sent round a slip to the office with reference to this point) - and I said that meanwhile we can arrange to issue instructions that in cases where any office has been shifted like that, care should be taken to see that a separate account is kept of the furniture and equipments etc., which are removed from institutions ^{or} from Pudukottah, so that they can be duly accounted for whenever an account is called on to be produced.

Please arrange to issue instructions on these lines immediately. H.M.(Edn.) may see.

The arrangements made by the Govt so far in regard to the Edu dept in the Pudukottai State are briefly as follows:—

In April 1948 the D.P.O. subd. detailed proposals for the taking over of the Edu dept in the State. These proposals were provisionally approved by the Govt and the Director was asked to furnish a detailed estimate of the cost involved in all the proposals.

In go no. 1605 Edu & 22.6.48 the Govt approved the Director's proposals for effecting certain improvements and alterations to the Rajah's college and for purchasing addl furniture required for the college. The Govt also sanctioned two addl demonstrators for the college.

The Govt have directed that tuition fees be levied in the college at the pre-merger rates. They have also informed the Director that all the scholarships which were being awarded may be awarded this year also.

The post of D.P.O. in the State was continued till 31.12.48 with the designation of Special Officer for Edu. He was allowed to retire from 1.1.49. From 1.1.49 the D.E.O., Tiruchirappalli, has been directed to take over charge of the Edu dept in the State. The D.E.O. has been given an addl P.A. (Clerk of Deputy inspectors and 1 house boy) and 3 more clerks and a few to help him in the addl work involved.

A proposal to open B.Com Course in the Rajah's College, Pudukottai, from 1949-50 is being considered as a Part II scheme. The rate at which deans allowance must be paid in the State is under consideration. Recently a representation was made from certain residents of Pudukottai stating that the addl P.A.'s office had been

புதுக்கோட்டையில் கல்வி இலாகா அலுவலகத்தை எடுக்காதிருக்கக் கோரிக்கை

நமஸ்காரம். புதுக்கோட்டை சமஸ்தானம் இந்திய யூனியனுடன் இணைக்கப் பெற்ற பிறகு சமஸ்தானத்திலுள்ள ஒவ்வொரு இலாகாவும் திருச்சிராப்பள்ளியுடன் இணைக்கப் பெற்று நடந்து வருகிறது. ஆனால் அந்தந்த இலாகா அலுவலகம் புதுக்கோட்டையிலே இருந்து வருகிறது என்பதை கனம் அமைச்சர் அவர்கள் நினைவிற்குக் கொண்டுவருகிறோம். கடந்த சில நாட்களாக கல்வி இலாகா அலுவலகம் திருச்சிராப்பள்ளிக்கு மாற்றப்போவதாக அறிந்து மிகவும் வருந்துகிறோம். புதுக்கோட்டை சமஸ்தானம் இந்திய யூனியனுடன் இணைக்கப்பட்டவுடன் என்னென்னவிதமான துன்பங்கள் அனுபவிக்கப்போகிறோமோ என்று நினைந்த மக்களுக்கு இதெல்லாம் சிரமமாகத்தோன்றும். ஆதலால் கனம் அமைச்சர் அவர்கள் கருணைகூர்ந்து கல்வி இலாகா திருச்சிராப்பள்ளியுடன் இணைக்கப்பட்டிருந்தாலும் அலுவலகத்தை புதுக்கோட்டையிலே வைக்கும்படி கேட்டுக்கொள்ளுகிறோம். வேறு எந்த இலாகா அலுவலகமும் அறவே திருச்சிராப்பள்ளிக்கு மாற்றப் படவில்லை.

Request is that the offices of the Edu dept moved entirely in Pudukkottai street and should not be transferred to Tiruchirappalli

R.O.C.No.823-K2/48 dated 3rd February 1949.

Sir,

PUDUKOTTAI--Education Department--Transfer of administration
to the District Educational Officer, Trichinopoly.

In re/submitting the petition from the Secretary, Grama
Seva Sangam, Pudukottai, referred to me in Government M U.O.Note
No.4397-A/49-1 Education dated 21.1.1949, I have the honour to
offer the following remarks:-

After the merger of the state with the Madras Province, the
post of the Director of Public Instruction, Pudukottai was abolished
but the incumbent was appointed as a Special Officer till 31.12.1948
just to facilitate the transfer of management and to introduce the
Madras rules in the state. For this work he was given an Assistant
in the grade of the Senior Deputy Inspector of the Province and
necessary clerical establishment. It was hoped that by 31.12.1948 a
decision on the future of the state would have been taken by the
Government. As no orders were received I recommend the transfer of
the administration of the department to the District Educational
Officer, Trichinopoly together with the establishment allowed to
the Special Officer. In G.O.No.51-Education dated 6.1.1949 orders were
issued accepting my recommendation.

2. Usually district officers are employed only for complete
revenue districts and districts which are bifurcated for
educational purposes. Until the future of the state is decided, I
consider that there is no need to have a separate Education department
in Pudukottai and that the District Educational Officer, Tiruchirapalli
can administer the secondary and Training schools in the state
with the additional clerical establishment at Tiruchirapalli itself. For
the administration of all the elementary schools in Pudukottai there are
two Deputy Inspectors' ranges with a Junior Deputy Inspector for each
in Pudukottai.

Yours faithfully,

20 37 I

Please see the petition on page 1 ante and the Director's remarks on page 5 ante. The Govt have since issued instructions to the Director that the addl. P.A. sanctioned for the D.E.O., Trichirapalli should have his headquarters at Pudukottai and not at Trichirapalli. please see Memo No: 6984 A/49-1 Dm & 7.2.49. No further action seems necessary in the present petition.

Memorandum submitted to

SRI V. P. MENON

Adviser to the States Ministry
on behalf of the people of Pudukottah State by
Pudukottah State Congress

EVER since the Merger of Pudukottah, the people are suffering from setbacks which
can be easily avoided. They make no grievance of the Merger. They realise
that it is in the larger interest of India. But they think that the following orders
and directions should be issued at the time when the new set up comes into force.
If this is not done, the people will become very discontented and a sense of forlorn
hope and frustration will overwhelm them. There is no difference of opinion at all
in the State about the objects to be achieved and put into practical effect at once,
though there may be some slight difference of opinion about the manner in which
they may be attained.

1. Adequate Representation in the Legislative Assembly and Council of Madras
consistent with the population of the State. The method of election for Constituent
Assembly for Pudukottah should not be followed, because of the unhappy results
that ensued in that election by the 35 members of the dissolved Legislative Council
of Pudukottah.

2. The territory of Pudukottah State should not be dismembered and parcelled
out to the adjoining Districts. This principle is now recognised by the Notification of
the Madras Government regarding the Administration of Ordinary Civil and Criminal
Justice.

3. Pudukottah Town should be the Head-quarters of a District, as otherwise
the people will be needlessly denied some of the services, advantages, and comforts to
which they have been accustomed for about three centuries. This can be done with
great advantage in all directions and at no great cost. It will be welcomed not only
by the people of the State, but also by all people concerned. The Town is well
planned and centrally situated with many metalled roads and bus services reaching out
to all places in the State and all roads outside the State leading to important places
and Towns. It is capable of expansion on sound modern healthy lines. It has
protected watersupply. It has school for boys and a High School for girls. It has a
First Grade College with a Hostel. It has a First Class Hospital with many Sections
and with modern equipments and a Maternity Hospital. It has commodious Offices
and Official Residences, equipped on modern lines. Atleast it should be the Head-
quarters of a Judicial District. Then alone the people will get all the services,
Educational and Medical benefits, and quick and speedy justice as well, near at hand
with minimum cost and trouble.

4. All the Legal Practitioners should be given the same rights to appear in the
corresponding new courts and jurisdictions. All the Chief Court Vakils who have
obtained life sannads should be enrolled as Advocates of the High Court of Madras
without any additional payments and all other Chief Court Vakils should be enrolled as
Advocates on payment of nominal fees and all Muktiars should be permitted to appear
before the corresponding new Courts in which they have till now been permitted
to appear.

5. There is a fear that all the State Primary Schools and other State owned
and State managed Educational and Medical Institutions may not be maintained
hereafter. All the State Schools, the Maharaja's School for boys, the Maharani's
School for Girls and the Maharaja's First Grade College should be continued under the
management of the Provincial Government without being in any way retrenched.

6. The Maharaja's Hospital with many Wards and Operation theatres with
the present Sections of Radiology, Ear, Nose and Throat Sections, Dental and
Ophthalmic Sections, X Ray and T. B. Sections, the Rani's Hospital (Maternity), the
Ayurvedic Hospital, and the ten Rural Dispensaries, should all be made to function
permanently under the Government management, with all their present Endowments
and Buildings. There should be no reduction in, or retrenchment of any of the
Educational and Medical Institutions or the sections thereof because they usefully
serve, at minimum expense and trouble, not only all the people in the State, but also
many people of the adjoining Districts. Some of the Sections and Institutions were
the result of private donations and if these are put an end to or transferred, it will be
offending the people and the donors for whom they were intended.

7. All the Records of the Chief Courts and the Criminal Courts, of the Revenue
Departments, and all the Registers of Documents of the 13 Sub Registrars and the
District Registrar of Pudukottah should be kept in Pudukottah Town so as to be
easily available to all Concerned.

8. Most of the lands, Endowments and Hundials belonging to some Temples in the State were taken by the Pudukottah Durbar and the State authorities have been spending about Rs. 165,000/- (1946 to 1947) under the Head "Religion and Charity" for providing the Temples with Paditharam and other expenses according to mamool and for keeping the Temples etc., in good repair and it is submitted that all the Temples under the State Devasthanam Departments should come under the management of the Madras Government with permanent allotments out of the revenues, of an adequate sum to maintain them at the same level as at present.

9. All the State Employees should be absorbed in the corresponding Provincial Services with the same pay and allowances. They should be employed in the corresponding Provincial Posts with the same Provincial pay and allowances. The allowances should be given to them as from the date of merger. The pay in the State is small and not in proportion with the cost of living. They should therefore be given hereafter the enhanced scale and allowances prevailing in the Madras Province.

10. The Co-operative Central Bank in Pudukottah was being helped by the Durbar with a loan of Rs. 5 lakhs from the State Treasury and the Bank was drawing there from amounts whenever necessary by means of cheques. The bank was helping all the Co-operative Societies and Stores in the State. The Bank was also receiving monies on behalf of the State from the toddy contractors. After the merger, all these facilities are not available and the Bank and all Co-operative concerns in the State are consequently suffering. It is therefore necessary that the Madras Government should provide the Bank with loans upto Rs. 10/- lakhs atleast. The said Bank has to help all Co-operative Stores with loans for getting food grains for proper distribution in the State.

11. Pudukottah is rainfed and the people have to depend upon the scanty seasonal rain-falls which frequently fail. The Pudukottah Durbar were taking urgent steps to have a canal from the Cauvery for irrigation purposes in the State. This will have materialised but for the merger. It is therefore now necessary for the Madras Government to take immediate steps in that behalf. It is largely on account of this expectation that all the people welcomed the merger as a God-send.

12. Most of these objects will be achieved, if Pudukottah is formed a District with head-quarters in Pudukottah Town. This is easy because two contiguous taluks of the Tanjore District, and portions if not the whole of the adjoining Ramnad District may be amalgamated with the District of Pudukottah to be formed. This is welcomed and devoutly wished for by all the people in the State and by an overwhelming majority of all people concerned. This arrangement has the unique advantage of making Pudukottah fit in with the economy of a District unit of the Madras Province, of making the remaining portions of the Tanjore District more manageable and less unwieldy, and of reducing the congestion and over-crowding of the city of Madura where the head-quarters of the Ramnad District are at present located. All the State-owned buildings will thus fully be made use of without going to economic waste. Atleast the headquarters of the Ramnad District may be shifted from Madura to the Pudukottah Town.

13. All the roads in the State are in a neglected condition. The present system of collecting tolls, the present system of collecting motor and lorry license-fees separately for Pudukottah should be abolished. All laws regarding Electrical Energy should be the same in Pudukottah as in the Province. All self Governing institutions such as Unions, and Panthayats should function on the basis of elections held about 10 months ago. They do not at present function at all and they should be made to work as usual. All beneficent plans and schemes for the welfare of peasants, labour, Agriculturists and Harijans should be extended to Pudukottah and sufficient funds should be allotted therefor.

14. Sudden introduction of all laws especially taxes in force in Madras may lead to complications. There are some special enactments like the Agriculturists Debt Relief Act which follow different lines. Moreover quick and speedy decisions with respect to matters arising out of merger and unification are necessary. Therefore it will be necessary that a Minister should be in complete charge of the affairs pertaining to the States of Pudukottah and Banganapalle. He will be able to pass quick orders. He may be assisted by a Special Officer with respect to matters requiring prompt attention. The taxation laws may be introduced gradually as may be recommended by the officer or other suitable Agency and the Minister.

15. It is therefore prayed that all the wishes of the Pudukottah people may be satisfied and that all steps may be taken to bring into effect all that is mentioned above so that the people of the merged States may have all the advantages and benefits enjoyed by a citizen of the Indian Union.

Note of Discussions on the Memorandum presented by the
Pudukottah State Congress.

The Hon'ble the Premier received a deputation of the Pudukottah State Congress on the 14th March 1949 and discussed the points urged in their Memorandum placed below -- Mr.V.P.Menon (States Ministry), Mr.K.Namunni Menon (Chief Secretary) and Mr.V.N.Rajan (Collector of Tiruchirapalli) were present.

The following decisions were reached on the issues raised in the Memorandum:-

1. The Government of India have accepted the principle that Pudukottah should get representation in the Provincial Legislatures -- the Government of Madras will implement this decision and will work out the details to enable Pudukottah to elect the permissible number of M.L.As. Mr.V.P.Menon pointed out that it was probable that Pudukottah may not get a seat in the Council in view of its 'low' population.

2. It was agreed that the 3 taluks previously forming the Pudukottah State would not be dismembered and parcelled out amongst adjoining districts. In deciding the final manner of absorption, the entire Division will be taken as the unit.

3. Proposals for the territorial affiliation of Pudukottah Division to a district in the Province or for the formation of a district with Pudukottah as Headquarters with neighbouring taluks attached were under examination. Various interests had to be consulted. The Premier said that a decision would be expedited.

4. The Chief Secretary said that the High Court did not anticipate any difficulty in agreeing to the suggestion that Chief Court Vakils, and Muktiars should be allowed to appear before the new Courts without payment of additional fees. The Collector promised to pursue this further with the Home Secretary and the High Court.

5. It was pointed out that no Primary School had been closed though it was found necessary to suspend a few during the period of deputation of teachers for training. The Collector was asked to make sure of the position and to contact the Education Secretary.

6. There is no intention of reducing in any manner the medical facilities now available in Pudukottah; an assurance was given to this effect.

7. It was agreed that all records (of Chief Courts, Criminal Courts, Revenue Department, and Registers of Documents) would continue to be kept in Pudukottah Town whatever the decision may be regarding the absorption of the Division.

8. It was agreed that Temples under the Devasthanam Department would be taken over by the Hindu Religious Endowment Board.

9. Proposals for the absorption of qudam state employees are under reference to the Government of India. The proposals proceed on the following principles which were agreed to by Mr.V.P.Menon:-

(a) State employees will, subject to their being qualified be fully absorbed as far as possible in the Provincial cadre in posts of corresponding status even though this will mean higher salary as provincial scales are more;

27 23

(b) Unqualified persons will be given two years to acquire the requisite departmental qualifications and continued in posts as at (a); if they do not qualify within this period, they will be retired on proportionate pension and compensation;

(c) Persons found unsuitable (because of lack of qualifications that cannot be made up, e.g. minimum qualification like S.S.L.C. or for other reasons) will be retired on proportionate pension and compensation unless they are prepared to accept posts commensurate with their qualifications

It was agreed that after such absorption State employees would get pay and allowances on the provincial scales.

In regard to Dearness Allowance to State employees it was agreed that they should get Dearness Allowance (at provincial rates on the salary drawn by them on 'State' standards) from 1st January 1949.

10. It was appreciated that the Co-operative Central Bank would need financial assistance; an advance of Rs.75,000/- had already been granted. The Collector said he would pursue this matter further with the Co-operative Department.

11. The Chief Secretary explained measures under contemplation to afford irrigation facilities to Pudukottai and said that in view of Government's anxiety to Grow More Food the schemes would be examined quickly.

12. The request to make Pudukottai the headquarters of a district, to be formed with the addition of neighbouring taluks from adjoining districts, would be examined.

13. The system of collecting tolls and license fees separately would end when the Motor Vehicles Act is extended fully to the Division. In regard to Panchayat Unions, the Premier explained the position in the rest of the Province. All 'beneficent' plans in force in the Province would be extended to Pudukottai which, till a final decision was reached on its territorial integration, would be treated as a division of Tiruchirapalli and gets due benefit of all activities in other division.

14. The Premier and Mr.V.P.Menon pointed out that there could be no question of exempting Pudukottai Division from taxes in force in the rest of the Province. It was not considered necessary to have a separate Minister for Pudukottai and Banganapalle

15. As Pudukottai will be fully merged in the Indian Union from 1-4-1949 all residents of the division will "have all the advantages and benefits enjoyed by a citizen of the India/ Union".

I have the honour to enclose herewith a copy of letter R.C. No. 10 (44) 49 dated 12-7-49 from the Special Officer, Education Department, Pudukkottai and recommend what in view of the responsible and arduous nature of the work, Government may kindly sanction a special pay of Rs.25/- per mensem from 12-7-49 the date on which he took charge of the post in Pudukkottai. The continuance of the post of additional Personal Assistant (Special Officer) for 6 months from 1-7-49 was sanctioned in G.O. No. 2094 Edn., dated 29-6-49.

Copy of letter R.C. No. 10 (44) 49 dated 12-7-49 from the Special Officer, Education department, Pudukottai.

Subject: Sanction of Special Pay of Rs.50/- to the Special Officer for Education, Pudukkottai - Requested.

The Post in which I am acting is designated as Special Officer for Education, Pudukkottai. The Special Officer has been permitted to exercise the powers vested in the Special Officer, Pudukkottai, former Director of Public Instruction of the State, except those relating to appointments and financial sanctions, which will vest with the Divisional Inspector. The Special Officer has to inspect all Middle Schools in the State. Teaching Grant Bills, Contingent Bills and Travelling Allowance Bills of all the subordinate offices and schools have to be countersigned by the Special Officer. There are two subordinate range offices, 2 Deputy Inspectors and 2 Junior Deputy Inspectors, whose work has to be supervised. The Office Establishment consists of an Upper Division Clerk, 2 Lower Division Clerks and 1 Typist and 1 peon. In short, the Special Officer is virtually the District Educational Officer of Pudukkottai in all but name and pay. The administrative work of all the State Elementary Schools and Secondary schools, which are 200 and 12 respectively, is entrusted to the Special Officer. The standard of all the schools has to be switched on to the standard of schools under the department of Education in the Madras Government. The work is therefore of an arduous nature. Special Pay of Rs. 150/- is drawn by the Special Deputy Collector of Pudukkottai for doing similar special work. For doing administrative work the officers of the Education Department lent to the District Boards, are paid special pay of Rs.25/- per mensem. The duties of the Special Officer are entirely different from and more responsible and of arduous nature than the duties of the Deputy Inspector, from which category I have been appointed. There is therefore all the justification for the grant of special pay.

In the circumstances stated above, I request that you would be so good as to address the Government and get sanction for the grant of special pay of atleast Rs. 50/- per mensem. The duration of the post is only for 6 months from 1-7-49 and the special pay is not going to be of a permanent nature. The special pay prayed for may kindly be sanctioned with effect from 12-7-49, the date of my taking charge, considering the short period for which the post has been sanctioned.

Subject: Pudukottai - Education Department - Taking over
Reference: Government Memo No. 6984-A/49-1 Edn. dated 7-2-49

In para 1 of the above memo, Government directed that the Additional Personal Assistant sanctioned in G.O. No. 51 Education dated 6-1-49 should have his headquarters at Pudukottai instead of Tiruchirapalli. Accordingly the additional Personal Assistant together with the clerical establishment was moved to Pudukottai on 12-5-49 and he was designated as Special Officer - vide my letter Roc 823 K2/48 dated 30-4-49. As ~~the~~ Pudukottai now forms part of the Tiruchi district, I consider that there is no need to continue the post of Special Officer and his establishment at Pudukottai and that the District Educational Officer, Tiruchi can administer the institutions with the assistance of the staff referred to above. I therefore request that Government may kindly sanction the transfer of the additional Personal Assistant along with his clerical establishment back to Tiruchi and work under the District Educational Officer.

From R. Natesan, M.L.A.,

To The Hon'ble Minister for Education,
Madras.

Retention of - Office of the Special Officer for Education, Pudukottai.

Consequent on the merger, the State Education Dept. which was under a Director of Public Instruction was placed under a Special Officer for Education till January 1949, when the office of the Special Officer for Education was shifted unnecessarily to Trichy because it was placed under the control of the District Educational Officer, Trichy. Naturally it proved to be a failure as it caused untold distress and suffering to 700 State Government and Aided Schools teachers in the area and inconvenience to and resentment in the minds of the Pudukottai Public. For instance, the poor teachers with the meagre pay and allowance (which is less than what peons and labourers earned outside) have to travel great distances for transfers and business of the Head quarter's Office and transplantation of the certain staff to a costlier and more crowded city.

On representations made to the Hon'ble Minister for Education and the Hon'ble Premier by Sri V. Ramiah, Member Constituent Assembly, the office was again shifted to its old buildings in the Public offices at Pudukottai in April 1949 and placed directly under the control of the Divisional Inspector of Schools, Coimbatore.

Now it is learnt that proposals are being made by the Educational authorities of the District to retransfer to Trichy to be housed in the Dist. Educational Officer's Office itself under the plea of administrative convenience.

In this connection, the following facts which reflect public opinion may be placed before the Hon'ble Minister.

Now there are 300 Government Schools (Primary & Secondary including High Schools) in addition to 100 Aided institutions of similar kind functioning in the State Area. There are 600 Govt. School teachers and 350 Aided School teachers.

The original work adding to stating their appointments, transfers and leave, Provident Fund & Pension of Government School teachers and grants in aid etc. for the others are to be carried out as before. And the Administration of all the schools has to be looked after from a central place in the area. Though there are Deputy Inspectors of Schools, for the area, there ought to be a separate controlling officer in Pudukottai of the rank of a D.E.O. for carrying on the Administration of such a big educational area relating to

2
70
24

Contd.

25
37

with so many schools for the sake of more efficient work and easy access to the public, managements and teachers. It is quite impossible for the D.E.O. Trichy to do all the original work in addition to his heavy touring work in the old district of Trichy which is already a big educational area.

It is also learnt that the bifurcation of the present Trichy District including merged Pudukottai into two Educational Districts, a very proper move considering the total area and educational needs, is under active consideration by Government and is expected to come to effect from the April 1950.

It need not be mentioned here that the D.E.O.'s office in Trichy is a very small building already cramped for space and lacking in amenities with no scope for expansion while the existing office in Pudukottai are quite roomy and well furnished and can not only house the offices for the whole district but also the records and stores.

So in the interest of Education in general and Pudukottai in particular, I strongly request that the present office of the Special Officer for Education at Pudukottai need not be shifted to Trichy and that it should be retained for another 6 months till the absorption of all the teachers are decided and the bifurcation of the educational district is effected out of consideration of the convenience of the local teachers, school managements and the feelings of the general public in Pudukottai.

To avoid administration inconvenience if any, the present officer at Pudukottai must be empowered with the powers equal that of a D.E.O. that the necessity of consequent delays and difficulties of sending contingent bills and T.A. bills to Trichy may be avoided.

24th Nov. 1949.

Roc.823 K2/48 dated 26-11-49

Sir,

Sub:--Pudukottai--Education Department--Taking over

Ref:--Government Memorandum No.81342A/49-2 Education dated
12-11-49

I have the honour to state that I still consider that there is no need for the retention of the Additional P.A. at Pudukottai. Though he was designated as Special Officer and allowed to exercise the powers of the former D.P.I. of the state, except financial and those relating to appointments, yet being a non-gazetted Officer, he cannot act independently and has to consult the Divisional Inspector of Schools often which means delay. In regard to financial transactions, I had to authorise the District Educational Officer, Tiruchirapalli to countersign T.A. bills, contingent bills and also the grant-in-aid bills relating to Secondary Schools in order to avoid delay in sending them to the Divisional Inspector of Schools, Coimbatore. Further in regard to implementing the re-organised scheme of Secondary Education and to advise the institutions in the territory on all educational matters, the District Educational Officer is much more competent than the Personal Assistant. The view that the Pudukottai people may feel that they are neglected and facilities reduced if the P.A. is stationed at Trichy, does not appear correct as the territory will not be far away from the headquarters of the District Educational Officer.

2. If however Government still consider that there should be responsible Officer at Pudukottai, it should be that of a District Educational Officer. In connection with the Part II of the Budget Estimate for 1950-51, I have already submitted proposals for the bifurcation of the Trichy District (including Pudukottai) for educational purposes, one with Headquarters at Trichy and another at Pudukottai.

3. I therefore request that Government may kindly sanction the transfer of the Additional P.A. with the clerical establishment back to Trichy.

I have the honour to state that in my letter Rce 823 K2/48 dated 28-11-49, I have already pointed ^{out} that, being a non-gazetted officer, the Additional Personal Assistant stationed at Pudukottai is unable to act independently especially in regard to financial matters and that there is considerable delay in corresponding with the District Educational Officer, Tiruchy and the Divisional Inspector of Schools, Coimbatore. In para 2 of the same letter, it was stated that there should be an officer of the rank of a District Educational Officer if there should be a responsible officer in the area. If Government still consider that there should be an officer stationed at Pudukottai, I request that the present post of additional Personal Assistant may be converted into a gazetted post in the scale of Rs. 230-700, so that a District Educational Officer could be posted with the designation of Special Officer. I would suggest that this arrangement may be sanctioned till orders bifurcating Tiruchy (including Pudukottai) are issued.

With reference to para 2 of G.O.No. 3207 Edn. dated 1-12-50 I have the honour to invite the attention of Government to my letter R.C.No. 995 K4/49 dated 18-9-1950 recommending the bifurcation of the Tiruchi District (including Pudukottai) for Educational purposes. In this, I have also pointed out that with the bifurcation of the District, the post of Special Officer (additional Personal Assistant) may be abolished. If this proposal is to be approved by Government, there will be no need to consider the conversion of the post alone into a gazetted one in connection with the Part II scheme for 1951-52. With the transfer of the management of all the State Elementary and Secondary schools to the Local Body management, it is necessary that there should be a gazetted Officer to advise the Local Bodies on all matters with these schools and the present non-gazetted Officer will not be in a position to offer such advice. The District

88/2/ Educational Officer Tiruchi has repeatedly pointed out that the work in his office is increasing daily consequent on the many references relating to the transferred schools from the President District Board, Tiruchi and has suggested the transfer of the entire establishment including the additional Personal Assistant to Tiruchi to work in his office. I agree with the District Educational Officers in his office. I agree with the District Educational Officer's suggestion. If Government are unable to sanction the conversion of the post with immediate effect, I request that the entire establishment may be transferred to Tiruchi to work under the District Educational Officer till the district is bifurcated as there is no need to keep this establishment at Pudukottai.

Mem o. No. 40794-1 / 50A Edu dated 21-2-51.

Sub: Estt. Pudukottai Temp. Staff at Pudukottai
Transfer to Tiruchirapalli.

Read: G.O. No. 3207 Edu. d. 1-12-50.
From the D.P.G. No. 823k2/48 d. 12-12-50.

The D.P.G. is informed that it has been tentatively decided that the post of addl. P.A. at Pudukottai may be converted into a gazetted post in the scale of Rs 200-20/2-300. In the circumstances, it is presumed that no action is necessary on the suggestion to transfer the entire estt. at Pudukottai to Tiruchirapalli to work under the D.F.O. there.

Edn. (A)

Sub: Estt. - Temp. Staff at Pudukottai - Shifting to
Tiruchirapalli.

From the D.P. 7. No. 823k₂/48 d. 12.12.50.

In G.O. Ms. No. 51 Edn. d. 6.1.49,

the Govt. approved the proposal of the D.P. 7.
that the administration of the edul. institutions
in the former Pudukottai State ^{should} be
taken over by the D.E.O., Tiruchirapalli, with
effect from 1-1-49; and also sanctioned the
employment of an addl. Staff of 1 Personal
Assistant (in the Combined cadre of School Assistants
and Dy. Inspic), 1 U.D. clerk, 2 L.D. clerks
and 1 typist under the D.E.O., Tiruchirapalli,
for a period of six months from 1-1-49 in
the first instance. The above addl. Staff ^{is}
being continued from time to time and the
existing sanction expires on 31.5.51.

2. As a result of represen-

tations made by the public of Pudukottai and
as also suggestions by the G.O. 7, ~~it~~ it was
ordered in Memo. No. 6984 A/49-1 Edn. d. 7.2.49 that
the addl. P.A. sanctioned for the D.E.O., Tiruchi-
rapalli should have his headquarters at
Pudukottai instead of at Tiruchirapalli. Accord-
ingly, the addl. P.A. together with the clerical
estt. was moved to Pudukottai on 12.5.49. In
October 1949, the D.P. 7 suggested that the addl.
P.A. and his estt. should be moved back
to Tiruchirapalli to work under the D.E.O., ~~there~~ there.

But, ^{in view of} the likely repercussions that
such a ^{move} might have on public opinion in
Pudukottai, the Govt. decided that the addl.
P.A. with his estt. should continue to be
stationed at Pudukottai only for the time being.

3. In Connection with Part 2

Schemes for 1951-52, the D.P. 7 ^{has} proposed that
the edul. district of Tiruchirapalli might be

bifurcated, the second district having its head-
quarters at Pudukottai; but the Govt. have decided
that the proposal may be deferred. (It was
deferred once before in connection with Part A Schemes
of 1950-51.) But the Govt. have approved another
proposal of the D.P.G. that they addl. P.A. at
Pudukottai may be converted into a Gazetted post
in the scale of Rs 200-250/2-300.

4. In his letter at pt. 2 c.f.,
the Director suggests that if the Govt. are unable
to sanction the conversion of the post of addl.
P.A. into Pudukottai into a Gazetted one with
immediate effect, the entire estb. at Pudukottai
may be transferred to Tiruchirapalli to work
under the D.E.O. there, till the edul. district of
Tiruchirapalli is bifurcated. But in view
of the decision to convert the addl. P.A.'s post
at Pudukottai into a Gazetted one, no action
is necessary on the suggestion to transfer
the entire estb. to Tiruchirapalli. The D.P.G.
may be informed accordingly. A draft memo
is subd. for approval.
