Now, it has grown into a very big institution with nearly 2000 pupils. It is

Payment of a fixed teaching grant of Rs 5,000
towards the cost of maintenance of the Kshatriya
Vidyasala High School Vandhanagar
Under rule 32 of the Grant-in-Aid Code, the
management of an aided secondary school is
eligible for teaching grant based on two thirds of
the approved net cost of maintenance of the
institution in the preceding financial year and
in addition compensation towards the loss of fee
income on account of the award of fee concessions
under Rule 92 of the Madras Educational Rules and
half the expenditure incurred on scholarships and
fee remissions up to a limit of 10% of the fee
income at standard rates.

2. The Kshatriya Vidyasala High School Van-
dhanagar of 60 years standing is being maintained
from the income from a trust property without any
financial aid from Govt. According to the scheme
for the administration of the trust, no tuition fees are
collected from any pupil in any of the classes or forms
and the management is not therefore eligible for any
compensation. As the income from endowment is
insufficient to meet the cost of maintenance, the
management requested that as a special case, a fixed
grant might be paid towards the cost of maintenance
of the school. As the management has all along tried
to maintain the school practically without any aid from
Govt and due consideration should be given to the
fact that instruction is imparted free to all pupils,
the Govt sanctioned the payment of a fixed teaching
grant of Rs 5000 per annum towards the cost of maintenance
