EXTRACTS of L.A. Dept. notes from file relating to petrog. peripetulum Vol. 11. General Budget.

Contribution from general funds to Elementary Education Account.

The contribution approved in the orders on the general budget and Ele.Education budget for 1948-49 was Rs.2,552. In the present R.E. it is however proposed to raise the contribution to Rs.4,467. Even so, the Ele.Education Account is expected to close with a deficit of Rs.1,178. The better course obviously is to restrict the contribution from general funds to that already approved, viz. Rs.2,552, and to increase correspondingly the amount to be adjusted to the account from the current year's Arrear toll compensation.

Assuming that, with the adjustment of the necessary amount from the current year's arrear toll compensation, the Ele.Education Account will close the current year with a nil balance, it is expected to close 1949-50 with a deficit of Rs.12,245 (after taking a contribution of Rs.2,552 from general funds). The Council has proposed to wipe off this deficit by additional contribution of an equal amount from the general funds. According to the present budget, the general funds will close 1949-50 with a balance of about Rs.30,00. The question of sanctioning the additional contribution may be considered in connection with the Council's Elementary Education budget.

It may however be remarked that the general funds, working *Sept*

U.P.T.O. with

working with an annual surplus of about Rs.4,000 only, will not be able in future years to make such additional contribution to Ele. Education Account. E & P.H. Dept. will have to consider the question of balancing the Ele. Education budget by compelling the Council to increase the rate of Ele. Education tax, if necessary.

Sub: B.E. 1949-50 - E.E. Fund - Municipal Council, Periyakulam.

Ref: From the Commr. Periyakulam No.36/48 dated 15-12-48.
From the D.P.I. No.81-B3/48 dated 28-1-49.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the Municipal Council, Periyakulam call for the following remarks:-

R.E. for 1948-49 - (i) A.T.C. grant - The A.T.C. grant allowed in the B.E. for 1948-49 is Rs.10,955, whereas Rs.5,803 only have been shown as an item of receipt in the R.E. (Vide below).

(ii) Contribution from General funds:- A contribution of Rs.2,552 was allowed in the B.E. from the General funds. But the Council has proposed a contribution of Rs.4,467 in the R.E. L.A. have noted that the contribution may be confined to Rs.2,552, and that the deficit in the R.E. may be made good by adjusting an equal amount from the A.T.C. grant available in the current year.

(iii) Expenditure - The expenditure 'Ordinary' is in excess of the Budget allotment by Rs.3,270. This has been explained as due to employment of additional teachers. The increased provision may be allowed.

(iv) Revised with ref. to the suggestions above the R.E. will close with a deficit of Rs.3,053. The Council may be permitted to adjust an equal amount from the A.T.C. grant sanctioned in the current year. The R.E. will then close with a 'nil' balance.

B.E. for 1949-50 -

(i) Govt. Grant under 37. of the E.E. Act - The credit taken under the head is Rs.4,880, whereas the subsidy sanctioned ^(in the current year) is Rs.3,757. The credit may be reduced to the actual amount sanctioned, i.e. Rs.3,757, as the subsidy for 1949-50 is not likely to exceed this amount.

(ii) Subsidy under proviso to section 37 of the E.E. Act:- The credit taken under this head is Rs.1,063. The subsidy sanctioned to the Council under this head

for 1948-49 is Rs.1,218. The Council is likely to get the same amount in 1949-50. The credit may therefore be raised to Rs.1,218.

(iii) Revised with ref. to the suggestions above the B.E. will close with a deficit of Rs.13,213. The point for consideration is how this deficit should be avoided. L.A. have noted that the General funds cannot afford to make any further contribution. The Council will be eligible for a subsidy of Rs.9,070 towards the grant of d.a. to the E.E. staff. Even after the grant of subsidy ^{towards d.a.} there will still be a deficit of Rs.4,143. L.A. may be requested to examine whether this deficit can be ^{by increasing the contribution} ~~met~~ from the General funds or by an adjustment from the A.T.C. grant. If it is not possible to do so, the only course open is to raise the rate of Education tax.

At present the Council is levying Education tax at 2½% per annum on the annual rental value of properties. An increase in the rate of tax by 1% per annum will bring an additional income of Rs.2,054 per annum. If the tax is raised by 2% p.a., the additional income will be Rs.4,108. If this is done, the B.E. is likely to close with a small deficit of Rs.35. The question of raising the rate of tax as at 'A' above may be considered in case the course suggested at 'B' above is not feasible.

The file may be sent to L.A. and Finance for remarks.

L.A. Department:

Orders have been passed on the general budget of the municipal Council. The contributions proposed to be allowed from the general account to the E.E. Edn. account are the same as those approved in the general budget viz Rs.25,52/.

for each of the two years 1948-49 and 1949-50.

2. Adjustment from A.T.C. ref para (A) of E.P.H. note on p.1 above. The amount of A.T.C. taken credit in the R.E. for 1948-49 is Rs.10955/ of which a sum of Rs.5152 is refundable to the conservancy fund being the excess amount of A.T.C. adjusted to the E.E. acct. in 1946-47. In the E.E. Edn. budget the net amount viz Rs.5803/ (Rs.10955 - Rs.5152) is shown as the amount adjusted from the A.T.C. The proposal to ^{to the E.E. acct.} adjust a further sum of Rs.3053/ from the A.T.C. in the current year may be accepted in this department.

3. Deficit in the E.E. acct. in 1949-50:

The general account for 1949-50 is expected to close with a balance of Rs.30489/ against the required minimum of Rs.6600/. In view of this, this dept. may agree to the entire deficit of Rs.13213/ in the E.E. acct. in 1949-50 being met by an additional contribution of an equal amount from the general account as proposed by the Council. The conservancy fund balance is not ^{towards the deficit} adjustable to the E.E. Edn. account in 1949-50. The general account on the basis of B.E. for 1949-50 is expected to work at a surplus of Rs.6200/ only. It will not therefore be possible for the Council to make any additional contributions to the E.E. acct in future years. E.P.H. may be requested to consider the question of directing the Council to increase the rate of Education Tax to the required extent even now without leaving it for consideration at the time of the examination of the next budget.

With these remarks the file may be returned to E.P.H. Dept.

 please see the note of L.A. at p. 3. ante. In view of 'f'
