Rec. No. 13646-C.1.48.

Dated 1.12.48

Sir,

Subject:- Education - Secondary Education - Municipal High School,
Cuddalore - appointment of superannuated person - Sri N. Thiagaraja
Aiyer B.A., L.T., in a short vacancy - approval - requested -

Sri C.V. Muthukrishna Pillai B.A., L.T., the permanent Mathematics Assistant of the Municipal High School, Cuddalore, was taken ill on 18.10.48. He applied for leave on average pay with medical certificate from 18.10.48 to 17.11.48. The leave was granted and it was expected that he would return to duty on 18.11.48. But contrary to expectations, he continued to be bed-ridden and has therefore applied for an extension of leave on average pay with medical certificate for the period from 18.11.48 to 22.12.48 and to permit him to avail himself the Christmas holidays from 23.12.48 to 3.1.49. The Headmaster Municipal High School, Cuddalore, has requested me to appoint a substitute in the above vacancy. No suitable qualified hands were available for appointment as mathematics assistant in the vacancy. Sri N. Thiagaraja Aiyer B.A., L.T., Retired Headmaster, Government Training School, Ranipet, who has settled at Cuddalore, has offered his services for this temporary vacancy which will last upto 22.12.48. His date of birth is 2.2.1886. His age is 62 years and 10 months approximately.

and went on leave, it was feared that the results in the public examination this year also will be pulled down far below the average. Hence it was under the above circumstances that Sri N. Thyagaraja Ayyar was appointed temporarily. Fortunately enough, the permanent incumbent

He is hale and healthy and of active habits. He gets a pension of Rs.115/- per mensem. He has previously worked in the Sacred Heart's Training School, Cuddalore, in 1945-46 and in the St. Joseph's Branch School, Cuddalore, during 1947-48 with the permission of the Director of Public Instruction, Madras. As already stated, in view of the paucity of qualified hands and in view of the fact that the vacancy will last for a very short period and that the school work suffers considerably for want of a substitute, the abovementioned Sri N. Thiagaraja Aiyer was appointed by the Appointment Committee to act temporarily as Mathematics Assistant of the Municipal High School, Cuddalore, on Rs.75/- per mensem in the scale of Rs.75-5-145 in resolution No.1 dated 25.11.48. He has been requested to join duty on 1.12.48 in view of the fact that the half-yearly examination of the Municipal High School is fast approaching and portions of lessons in Mathematics section have to be covered speedily. Under the special circumstances of the case, I request you to kindly approve of the temporary appointment of Sri N. Thiagaraja Aiyer B.A., L.T., referred to above as temporary Mathematics Assistant in the Municipal High School, Cuddalore, at an early date.

In this connection, I submit that in the circumstances explained above and in the interest of the school children the instructions in para 2 of Government Endorsement No.45098-F.48-1 dated 18.11.48 which was received in this office on 28.11.48 had to be deviated. I therefore request that the Government may be pleased to graciously please to condone the appointment which was made prior to the receipt of the Government Endorsement in question and accord sanction for the re-employment of Sri N. Thiagaraja Aiyer as a special case.

Copy of letter ROC.No.C.1-13646/48 dated 19-1-49 of the Commissioner, Municipal Council, Cuddalore.

The Appointment Committee was fully aware of Rule 14 of the Establishment Rules and also Rule 16 of the Grant-in-aid Code when the appointment of Sri N. Thyagaraja Ayyar, retired Headmaster, Govt. Trg. School, Ranipet was made. As already explained in my letter ROC.No. C.1.13646/48 dated the 1st December 1948 to Govt. the appointment had to be made mainly in the interests of students reading in the Municipal High School, Cuddalore, who would otherwise be denied the benefit of tuition especially in the middle of the term. The permanent teacher Sri C.V.Muthukrishna Pillai who was handling mathematics in Form VI suddenly fell ill and he therefore applied for leave on average pay with medical certificate for one month from 18-10-1948. The leave was granted and it was expected that he would return on the expiry of leave but contrary to expectations, he did not recover from his illness and he was therefore obliged to extend the leave. Since the students reading in Form VI who are to appear for the Public Examination in March 1949 were already without proper tuition for the past one month and since it was not definitely known when Sri C.V.Muthukirhsnan Pillai would return to duty and since it would be detrimental to the interests of the students if the post was not filled up, steps were taken to fill up the post of mathematics L.T. No qualified candidate was readily available for appointment in the middle of a term and especially for a very short vacancy. Even Sri N. Thyagaraja Ayyar who was first reluctant to take up the post was rather made to accept the post having regard to the interest of the students who would be left without proper tuition which they most needed at that part of the term to prepare themselves for the SSLC examination. I may in this connection state for your information that the results in the SSLC examination in mathematics was poor and this brought down the school percentage during last year. If even this year the students are left uncared for without appointing a substitute in the place of the permanent teacher who suddenly fell ill and went on leave, it was feared that the results in the public examination this year also will be pulled down far below the average. Hence it was under the above circumstances that Sri N. Thyagaraja Ayyar was appointed temporarily. Fortunately enough, the permanent incumbent
