The Director of Public Instruction,

&
The Accountant-General, Madras.
Sir,

In G.O. No. **Ms. 20506** dated **17.8.1948**, Government granted me an advance of Rs.4,000/- for the purchase of a car. Since at that time I could not get hold of a satisfactory car and my residence was so close to the office as not to necessitate the use of a car and for certain personal reasons I surrendered the amount to Government.

At present I find that my work calls for visits to ~~the~~ special schools for the blind, for defective children and to Nursery and Kindergarten schools, of all of which I am in charge.

I, therefore, request Government to be so good as to re-sanction me an advance of Rs.3,000/- towards the purchase of a motor car. The amount will be repaid in 20 instalments of Rs.150/- each commencing from the 1st January 1949. All the usual formalities will be observed and I have in view certain cars that would help me to close the transaction within time. I request that the advance may be sanctioned as speedily as possible so that the first instalment of deduction may be made from my pay for December ^{to be} drawn on 1st January 1949, or in the 7th week of Jan.

Yours faithfully,

G. Sankunni 17.12.48.

Or

Certified that I have not taken delivery of the car on account of which I apply for the advance, that I shall not take delivery of it until I receive the advance a week before the expiry of my leave and pay for it, and that I shall insure it within one month from the date of taking delivery of it.

Finance (ExpA)

Please see the application for an advance of Rs 3000 for the purchase of a motor car, from Mrs B. Sankunni, Inspectress of Girls' schools in pp 3-4 CF.

2. It is seen that Mrs Sankunni was in possession of an old car and she had sold it away in 1945. The amount of sale proceeds of the old car has not been given. As the advance should be restricted to the difference between the price of the new car (4000/-) and the sale proceeds of the old car, the applicant will not be eligible for an advance of Rs 3000/-, if the sale proceeds were to exceed Rs 1000/- P.H. may first be requested to verify this point.

There is no objection to A above.

3. Subject to the verification of M above, the draft order may be accepted.

E. & P.H. (A).

It is difficult to understand how the fact of an officer's having sold 4 years before a car which she had then in her possession is relevant. It is too much to expect her to have laid by, during such a long period, the sale proceeds of the car with the intention of utilizing them for the specific purpose of purchasing another car. The alternative limit that an advance shd. not exceed the cost of the new car less the sale proceeds of the old car, is laid down in the G.O. at "K". Therein, no definition of the term 'old car' is given. The term can be taken to refer only to the car which the Govt. may have in her possession just before she applies for an advance for another car. Evidently, the D.P.I. and the A.G. have held only this view. If a car sold 4 years before is deemed for the purpose of the advance as the 'old car', the same logic can be applied to a car sold even some 20 years before--which is obviously not correct. Further, in this case, it is understood from the Dir.'s Office that Mrs. Sankunni sold her car in 1945 for about Rs.3,000. This dept. may therefore recommend that her appln. for Rs.3000 be complied with, without taking regard to the amount of the sale proceeds of her car disposed of in 1945. Rmx For orders. Fin. may see again.

Finance (ExpA)

Please see the previous Finance note on p. 2 above and the further note of ExpA above. Under Article 230 (b) (2) of the MFC, Volume I, the advance to be

PTO

sanctioned to an officer should not exceed Rs 4500/- or four months' pay which ever is less. In G.O. 888 Finance dt 7.12.46, in view of the high prices of motor cars, the money limit was raised to Rs 7500 or six months' pay. But as these advances were given free of interest as is the case now also, it was considered that the sale proceeds of the old car should be utilised towards the cost of the new car and that the advance should not exceed the balance - see 'Z' of the note of DR. DW. Dodwell the then Finance Secretary on p. 3 NF of the G.O. (B) It was the fact mentioned at A above that influenced the Govt. to stipulate a third ~~less~~ maximum for the monetary limit. No specific definition of the term 'old car' was given in the orders issued in this connection. However, the procedure of taking into account the sale proceeds of the old car irrespective of the date of such transaction, has been adopted invariably in all cases in the past. For instance in the case of the grant of an advance to Sri P. Narasimha Raju, Member Public Service Commission, (then as Transport Commissioner) the sale proceeds of his old car which was sold by him about five years ago

The Home G.O. is not readily available

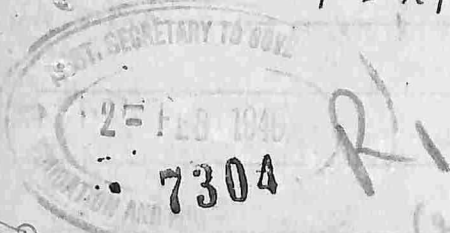

There is no objection for departing in this case from the procedure adopted till now as explained above. Fin. would adhere to the view already expressed for

before the application of the advance was taken into account and the Govt. insisted in his refunding the excess immediately on detection. Apparently, the intention of the Govt. is that as the grant of advances free of interest is in itself a big concession, the amount of advance should be limited to the minimum possible. In the present case, the old car was sold only in 1945 and on the analogy of the case at A above, the sale proceeds should be taken into account. In these circumstances, Finance may adhere to the view already expressed at M on p. 2 above.

The case quoted by Finance at A above is not a proper analogy. Sri Narasimha Raju did not sell his car "about five years" before his appln. was considered. He sold it in the same month in which he applied for the advance. Vide "U"/C.F.13--para 1 and date of "T"/3. This dept. may press their
