To
The Superintendent of Stationery,
Madras.

Sir,

I beg to submit the following for your kind consideration and necessary action.

1 I was working as a muchhi in this office for the last 30 years. During this long period I have actually been doing the duties of an attender in addition to muchhi's work. I was doing the attender's work in the record section, and have on many occasions taken out and given the records required for references in the absence of the Record Keeper. When the Special Officer inspected this office in 1933 to verify stationery and forms I helped him in his work by taking out and giving the necessary records as the Record Keeper was on casual leave.

2 When in 1944 the contingent clerk, an U.D. clerk, was on leave for about 3 months, there was no substitute appointed in his place and the then Manager Sri.R.Raghava Iyyangar attended to the work of that seat, I was asked to help by picking up and putting up the papers to him for disposal. I was also entrusted with the duty of encashing cheques for pay of establishment etc. and the cheques were endorsed in my name. I also assist the typist in taking roneo copies. Even now I am ~~am~~ deputed with the clerks to encash cheques on pay bill and disbursement of salary.

3 It would thus be seen that I have been doing very responsible work and I have been carrying out such duties to the entire satisfaction of my superiors.

4 I have worked as a counter in the Stamp Office for some time in the early part of my service. But due to retrenchment I was reverted as Muchhi.

5 Now the Government have abolished the designation of muchhi and converted it into that of attender or peon on the basis of the scale of pay attached to the post. Now I am designated as attender and peon in the Stationery Office. I am now getting the maximum of Rs.25/- in the grade of ~~16-A~~ 16-A-25.

6 I would request that in view of my long service and the responsible duties that I have been performing all along, I may be treated as 1st grade attender in the scale of 24-1-35 and my pay fixed at the maximum of Rs.35/-. I have only about 4 years more for retirement. If necessary the Government may be addressed in the matter.

I beg to remain,

Sir,

Your most obedient servant,

Allee Amal
16.11.48.
ATTENDER.

No. A.2.11686/48 dated 27-12-48.

Sir,

ESTABLISHMENT - Venugopal - attender Grade II - Stationery
Office - request for conversion of his appointment as ~~Grade~~
Attender Grade I.
Ref: Petition from T. Venugopal dated 10-11-48.

I enclose the petition of T. Venugopal, attender Grade II, of this office drawing the maximum of Rs.25/- in the scale of 16-1/2 A-25 requesting that the post of attender Grade II held by him may be converted to that of an attender Grade I on the scale of 24-1-32-1/2A-35 taking into consideration his experience, good work and his long service of nearly 32 years and that the maximum of Rs.35/- in the scale of 24-1-32-1/2A-35 may be fixed for him. He was originally appointed as a muchī in this office in the scale of 16-1/2A-25 and his designation was changed as attender Grade II on the same scale with reference to Government, Finance Department Memo No.4616 Sal./48-1 dated 20-1-48. The petitioner, T. Venugopal, possesses good experience in office work and is an efficient attender though he does not possess the necessary qualification prescribed for the post (viz.) a pass in the III Form. In tracing out old records, his services are very useful. His services are utilised for encashing small cheques and he accompanies the clerks for encashing the establishment cheques. I recommend that he may be exempted from the Educational qualification prescribed for the post of an attender and that the post of the attender Grade II held by him may be converted to that of an attender Grade I in the scale of 24-1-32-1/2A-35 and his pay fixed at Rs.30/- in the scale taking into consideration his service of nearly 32 years. A similar conversion of the post of muchī of the Paymaster, Carnatic Stipends, was sanctioned in G.O. Ms. 1815 Public (Political) Department dated 31-7-1945. In this connection, I have to point out that there are no permanent posts of attender Grade I in the Stamp and Stationery establishment and that only one post of attender Grade I was sanctioned temporarily for additional establishment in G.O. Ms. No.898 (Education) dated 1-5-47 and its continuation was also sanctioned in G.O. Ms. No.1262 Education dated 18-5-48.

this scale.

It is not known what exactly the qualifications
of the Muchi. A pass in the III Form is necessary for
holding the post of attender on Rs. 24-35 under the
rules.

3 Relaxation of rules from educational qualifica-
tions is sanctioned in exceptional cases. The Supdt. of

experience in office work and is an efficient attender and
his services are also utilised for encashing small cheques
and he accompanies the clerks for encashing the establishment

conversion of the post of Muchi in the office of the
