M.E.S. - Post of Woman Specialist in Physical Edn.-
Direct recruitment.

With the concurrence of the Commn., conveyed in your letter No.410-A/36, dated 23-3-1936, Mrs. (H.C. (now Mrs.) M.M.Buck was appointed as Woman Specialist in Physical Education in the M.E.S., on contract, for a period of 5 years from 1-10-1935, terminable at any time by six months' notice on either side - Vide G.O.No.1032-Edn., dated 18-5-1936. The contract was later renewed twice for a period of five years each time, subject to the usual conditions. Mrs.Buck has now subd. a letter of resignation of her appt., and the Govt. have accepted the resignation, with effect from 30-6-1947. The post will thus fall vacant from that date.

The D.P.I. reports that no ~~qualification~~ ^{appt. to} ~~qualified~~ ^{vacancy} candidate in service is ~~qualified for the post.~~ ^{divided} I am therefore to request

that the Commn. will be so good as to advertise the vacancy, ^(as the vacancy will be advertised later) now as a special case, for direct recruitment, and select a suitable candidate. I am further to request that the advertisement may kindly be ~~caused~~ ^{caused} to be published in some of the newspapers of other Provinces too.

Y.O.S.,

The "existing" scale of pay applicable to the post is Rs. 200-30/2-260-40/2-500-50/2-700. One of the recommendations of the Cabinet Salaries

Committee which recently went into the question of revision of ~~existing~~

pay of all non-gazetted Govt. servants was that the minimum of ~~of~~ the ordy.

scale of pay for the M.E.S. ~~high~~ posts might be raised to Rs. 230, in

order that it might fit in with the increased maxima of the scales of

pay of the corresponding Subordinate Service posts. The Govt. have

accepted this recommendation, with effect from 1-1-1947, and, pending orders

which will be issued shortly, I am to request that the revised scale

(starting from Rs. 230) may be announced in the advtt. for the post.

I am further to request that the advtt. may kindly be caused to be published in some of the newspapers of other Provinces too.

Sir,

Sub: Post of Woman Specialist in Physical Education -
Filling up the vacancy.

Ref: Edn., and Public Health Dept., U.O.No.1849.A.6
dated 26th Novr. 1947.

I have the honour to submit my remarks on the several points raised by Government.

I. Amending the qualifications prescribed for the post:- The post of Woman Specialist is a special post and the holder of it should be able to organize Physical Education in institutions of all grade. The YMCA College of Physical Education is the best institution of the type in India; but I do not consider that a candidate selected for the post of Woman Specialist should have only the Diploma granted from the college. India has not fully specialized in this field of Education and I therefore consider that it is necessary to have for the Woman Specialist the qualifications prescribed at present for the post. I do not therefore recommend any change in the qualifications in the Special rules. In addition, she may have the qualifications suggested by me already.

II. Whether the candidate should be unmarried:- The work of the Woman Specialist is strenuous and involves much touring. When games are organized, the officer will have also to conduct demonstration classes for the benefit of teachers. I am advised that an average married woman if she is a mother will not be able to take active part in games and discharge her duties efficiently. It is a fact that maternity sometimes unfits a woman for active physical activity. The case of Mrs. Buck who has no children cannot be taken as a general example. Further, in her case both the husband and the wife were actively engaged in the same field of work over a number of years. I would, therefore, suggest that an unmarried woman be recruited to the post. The question of selecting a married woman can be considered only if no un-married woman is available.

III. Whether the rules regarding direct recruitment to the post should be relaxed if departmental persons are selected:- My idea in allowing the departmental people also to compete for the post is that they should not be penalized for entering the service early if they are otherwise qualified to compete. There is only one such post for the whole department and it is not fair that a departmental hand is denied promotion to it if she found fit in every other respect. Hence if a departmental candidate is finally selected, I request that Government may be pleased to relax the necessary rules in her favour.

IV. The country to which the candidate should be sent up for training:- The candidate selected should be sent to one of the institutions in Great Britain and after her completion of course, she may be sent on tour to U.S.A. if necessary, to acquaint herself with the development of Physical Education in that country. The exact period of tour cannot now be decided.

V. I may finally state that the YMCA College of Physical Education is not likely to demand any remuneration for the occasional expert advice given by it. It is already receiving

2/ 7/ 2 :-
good grant from Government funds for running the institution.
The Central Inspectress is now being given a charge allowance
equal to one-tenth of her pay for doing the duties of the
Woman Specialist. When the post is kept in abeyance and work
distributed among the Inspectresses, no special allowance need
be paid to the Inspectresses.

 M.E.S. - Post of Woman Specialist in Physical Edn. - Recruitment.

Read:- Your letter No.1101-B1/47-11, d/- 16-7-47.

Since, as reported by the Commission in the letter cited, there was no qualified applicant for appt. by direct recruitment to the post of Woman Specialist in Physical Edn. in the M.E.S., the D.P.I. was asked to suggest other arrangements for filling the post. Copies of the letters recd. from him, dated 22-9-47, 6-11-47 and 12-1-1948, are sent herewith. The suggestion made in para II of his letter dated 12-1-48, that an unmarried woman ~~xx~~ be recruited to the vacancy, runs counter to the orders in G.O.No.777-P.(S), d/- 7-3-44, and cannot be followed.

2. (1) About the other suggestions, one view is that it would prove to be very difficult to recruit a person under the Spl. Rules for the M.E.S.; ~~xx~~ that the best course would be to remove the post from that Service and to issue a declaration, under the Proviso to Section 241(2) of the G. of I. Act, 1935, that the conditions of service of the person recruited to hold the post are matters not suitable for regulation by rule; and that, then, if the Commission agrees, a candidate possessing the qualifns. proposed by the Dir. may be recruited thro' it, subject to the condition that she shd. undergo further edn. and trg. abroad at Govt. expense.

(2) Another view put forward is that the Spl. Rules for the M.E.S., themselves, be amended on the follg. lines and recruitment made thereafter:-

~~(a) that no candidate who has attained the age of 35 years shall be eligible for appt. by direct recruitment to the post;~~

~~(b) that a candidate who possesses the degree of B.A. (and that of B.T. ^{if possible}) and the Physical Edn. Diploma and who have had expce. of physical trg. work for not less than 3 years shall be eligible to apply for selection for direct recruitment to the post ~~xx~~ but that such a candidate shall be ^{considered} selected only in the event of its turning out that a suitable person~~

C.No.1849. From the D.P.I., C.No.33-C2/47, dated 7-1-1947.

M.E.S. - Mrs.Buck, Woman Specialist in Physical Edn. - Resignation - Filling vacancy.

The post of Woman Specialist in Physical Edn. is borne on the M.E.S. Since 1-10-1935, ^{Mrs. H.C. Brown} Mrs.M.M. Buck, an American Citizen, has been holding the post. ^{on contract.} The circumstances which led to her appt. on contract will be seen summarised in the letter to the Govt. of India, at pp.54-55 C.F. of (K). The contract is terminable any time by six months' notice on either side. In her letter at C.F.2, dated 21-12-1946, Mrs.Buck ^(has intimated of her resignation) resigns the appt. from 30-6-1947; The D.P.I. recommends the acceptance of the resignation. A draft order permitting the officer to resign, is accordingly subd.

2. The question of filling the vacancy ~~has~~ ^(which need not be reserved for a woman service candidate - as it occurs after 31.3.47 and in view of the fact) has to be considered next. The method of recruitment prescribed in the special rules for the post is 'direct recruitment' or 'transfer from any category in the Professional Section of the Women's Branch of the Service, on an identical scale of pay'. The Dir. reports that no qualified candidate is available in service. 'Direct recruitment' has ~~been~~ ^{Accg. to} therefore to be resorted to. If the procedure laid down in G.O.No. 368- dated, 30-10-44, on the 1st of Oct. of each year, an estimate of the no. of candidates to be selected for direct recruitment to the ^{renewed} ~~Service~~ ^{Edl.} in the next year, has to be sent to the Commn., on the basis of which it will proceed to advertise the vacancies. But, that date can be deviated from in urgent cases. The Commn. may be asked to select a candidate for the vacancy now, as a special case. A draft letter is subd.

3. The existing scale of pay for women officers, as well, as men officers, is Rs.200-700. It is understood that one of the recommendations of the Cabinet Salaries Committee is that the scale should be revised into Rs.230-700, so that the minimum might fit in with the increased maxima of the scales of pay of the corresponding subordinate service posts. It is not known whether this revised scale for the M.E.S. will be given effect from 1-1-1947. If it will be, the Commn. may be informed of it and asked to specify the revised scale in the advertisement.

4. Pub.(Ser.) may see, w.r.t. para 2 above, and Fin., w.r.t. para 3, before circulation.

The gen. of filling the post of Woman Specialist in Physical Edn. which has fallen vacant consequent on Mrs. Buck's resignation thereof, is being dealt with in this file. The M.P.S.C. which advertised for direct recruitment the vacancy has reported that there was no qualified applicant. Its letters at pp. 9-10 and 13 of. may be perused. The post of Woman Specialist in Physical Edn. fell vacant consequent on the resignation thereof of Mrs. M.M. Buck. It was advertised by the M.P.S.C., for direct recruitment, but no qualified candidate applied. The qualfn. prescribed is the Physical Trg. Diploma of one of the British institutions (specified in the Special Rules).

2. The D.P.I. who was asked to suggest other arrangements for filling the post, has now recommended: (1) that the post may be held in abeyance for 2 years; and (2) that an unmarried candidate, below 35, possessing B.A. and B.T. if possible; a Physical Edn. Diploma; and experience for 3 years; may be got selected by "direct recruitment" in consultation with the Commission for the post, for study abroad, What probably he means by the expression underlined is that the vacancy should be advertised by the Commission, not with the qualfn. prescribed in the statutory rules (X above), but with the qualfn. mentioned by him -- and also that it shd. be specified in the advtt. that the candidate selected should

be prepared to go abroad for studies for one year, at Govt. expense, before appointment. The conditions re: 'overseas studies' can be incorporated in the advtt. by making a special request to the Commission.

② But, the Commission is quite likely to say that it can only advertise the post specifying the existing qualfn. and that, if applications from persons having the qualfn. suggested by the Dir. should be called for, the Special Rules should be amended first. Forestalling such a view and also considering the fact that advtt. once did not produce a candidate with the British diploma prescribed in the rule, there seems to be ~~cause~~ to amend the qualfn. The Dir.'s opinion in this behalf may, however, be ascertained.

③ At present, there is no age-limit for appointment to the post. As the selected candidate, on return from overseas, after trg., should have a fairly sufficient no. of years before her to serve, the '35 years' proposed by the Dir. may be accepted.

④ The Dir.'s proposal that the candidate should be unmarried does not appear justifiable. There is no rule barring the appointment of married women to the post. In fact, Mrs. Buck, the previous incumbent, was a married woman.

3. It may be mentioned here that, under the G. of I., Ministry of Edn. scheme of sending students abroad for higher studies, against this Province's quota of scholarships - cost equally borne by the Province and the Centre - a place was allotted this year (1947-8) for "Physical Education" and that this Govt. actually recommended two men candidates for the subject; but that the G. of I. did not consider either of them as sufficiently qualified for the 'deputation'. Such a situation may perhaps be created if the scheme is availed of, next year, for the purpose of getting a woman candidate trained for the Woman Specialist's post.

Apart from private candidates, the Govt. have also been sending overseas some of their own servants for higher studies in certain subjects - bearing the entire cost themselves - with the Central Govt.'s help, however, in securing for the officers admissions in foreign institutions and sea passages. The subjects, 3 in Engg. and 8 in Arts and Science, for which the Edn. Dept. officers should be sent in 1947-8 have already been settled. The statement in para 2 of the Dir.'s letter at C.F.19 - viz., ** sufficiently qualified hands will not be available for selection from the dept. would appear to present the answer to the point why 'Physical Edn.'

could not be included among the 11 subjects.

4. However, at the same time, the Dir.'s intention seems to be that the deptl. officers (Physical Directresses and Physical Trg. Instructresses) may also be asked to apply for the post so that a really efficient person can be selected. Accg. to the definition "Recruited Direct" in rule 2 of the General Rules, Part I, among persons already in service only those that have not completed 5 years, are normally eligible for direct recruitment. Before joining the post for which such a person is selected, he should ^{ordinarily} resign his previous appointment. It is not clear whether in this case the Dir. contemplates that the definition should be relaxed in favour of ^{qualified} candidates in the dept. He may be asked to elucidate.

5. The D.P.I.'s suggestion about funds is that the savings earned in keeping in abeyance the post may be utilised for deputing the candidate. The savings reld. to will be approximately Rs.6,500. The Dir. says that the actual cost of deputation can be worked out only after it is known whether a deptl. officer or an outsider has been selected. Even if a departmental candidate is selected, if the term "Recruited direct" is not relaxed in ^{her} ~~his~~ behalf, she should be treated, for purposes of the deputation, in the same way as an outsider—for, she will not then be entitled for any study leave, etc.

6. The country to which the candidate should be deputed has not been mentioned in the Dir.'s letters. He may be asked to suggest the country and the institution, in consultation with experts, if necy., after a decision is come to.

7. If the main proposal is approved, the arrangements suggested in para 4, p.15 C.F., for carrying on the duties of the post during the interim period, may also be agreed to. It is presumed that no allowance or honorarium need be paid to the Inspectresses (including the Central Inspectress) or the Principal of the YMCA College.

8. The Dir. may first be asked u.o. to offer his remarks on the points raised, before ~~sending~~ the note is sent to the depts. of the Sectt., concerned.

D.P.9

From the D.P.I., No.33-C2/47, d/- 12-1-48.

Para I, p.20 C.F.: Qualfns.

The D.P.I. has not caught the point raised in para 2(2) of p.4 ante, quite. He says that he does not want any change to be made in the qualfns. At the same time, he adds that the qualfns. suggested by him previously [viz., (i) B.A. & B.T. if possible; (ii) Physical Edn. Diploma; and (iii) Expce. of Physical Trg. work for ^{not} less than 3 yrs.] may be in addition to the existing qualfn. (viz., British diploma). To proceed with the case on the basis of this latter statement of his, itself, the qualfn. rule will have to be amended, i.e., further tightened. But, whether his suggestion need be accepted at all, is the point. If the British diploma is allowed to remain, it is highly doubtful whether a person possessing that diploma and, in addn., the new qualfns. will be available. Apart from that, supposing a British diploma-holder is selected, then, the need for sending such a candidate for overseas training would not arise. Hence, the proper course seems to be to prescribe, by an amendment, the new qualfns. suggested by the Dir. as alternative qualfn., only in the event of a person having the British diploma not becoming available, and to specify, as a condition, in the advtt. to be published, that, if a candidate possessing the second alternative qualfn. is selected, she shd. be prepared to proceed overseas for studies for 1 year, at Govt. expense.

2. Para II, p.20 C.F.:

The arguments here are not convincing. That reason apart, in G.O.777-P.(S), d/- 7-7-44, it has been ^{ordered} decided that all restrictions on grounds of marriage against the employment or retention of women in public service shd. be withdrawn, and w.r.t. that G.O., the provn. that existed in the Special Rules for the M.E.S.S., to the effect that for appt. in the Women's Br. preference shd. be given to spinsters and widows over married women, was also deleted. Viewed with that order, if, as recommended by the D.P.I., only unmarried woman shd. be recruited to the post of Women Specialist in Physical Edn., it would clearly be a retrograde step. The Dir.'s proposal need not therefore be accepted and the existing rules which do not bar the appt. of married women may be allowed to remain.

3. Para III, p.20 C.F.:

The Dir.'s proposal may be accepted in this dept. The Commn. may be requested to admit applns. from edl. dept. officers also and be told that, if any of them is selected, the Govt. would consider the qn. of relaxing the ^{rule} definition "Recruited direct", in her favour of the selected candidate.

4. Paras IV and V, pp.20-1 C.F.:

No special remarks are called for.

5. The file may be sent to Pub.(Ser.) and Fin. for their views on notes

from p.3 ante, before circn.

The file relates to the recruitment to the post of Woman Specialist in Physical Education. From a perusal of the current file and the note file it seems to be ~~very~~ clear that it is very difficult to recruit a person under the rules as they stand. The proposal of the Director of Public Instruction on p.15 and 20 c.f. seems to be sound from a practical point of view. The best course will be to remove the post from the Madras Educational Service and to issue a declaration under the proviso to section 24(2) of the Government of India Act that the conditions of service of the person recruited to hold the post of a Woman Specialist in Physical Education are matters not suitable for regulation by rule. An executive Order may be issued approving the D.P.I.'s proposal at p.15 c.f. and it may be made a condition of service that the person recruited should undergo further education ^{and} training abroad for about two years. Practically no person ^{in service} will be affected by the removal of the post from the Madras Educational Service nor does the Woman Specialist in Physical Education have any chance of transfer or promotion to any other post of the service. It may be kept as an isolated post and treated as proposed in the note above. The M.P.S.C. should be consulted on the proposal made ~~in the~~ ⁱⁿ note above and ^{asked} may also be ~~told that~~ if it agrees to the proposal to proceed with the recruitment of a candidate to be sent abroad. The file may be passed on to Finance.

The file relates to the recruitment to the post of Women Specialist in Physical Education.

The typed notes of E.P.H. from the middle of p.3 above and the note of Pub (Ser) above may be perused.

2. The existing qualifications for the

post of Woman Specialist in Physical Education in the Madras Educational Service is a diploma of any of the Physical Training Colleges or Institutions mentioned below

 - (v) Liverpool Physical Training College, Kent
 - (vi) Dumfries Physical Training College, Scotland.

As no candidate with the above qualifications is available, E.P.H. propose in Consultation with the D.P.I. ^{propose} ~~propose~~ ^{either private or departmental}

(1) to get a candidate selected for the post with the following alternative qualifications by amending service rules.

- (i) B.A and B.T. if possible
- (ii) Physical Education Diploma
- (iii) Age less than 35 years
- (iv) Experience of Physical Training work for a period of not less than three years

(2) to send the candidates for overseas studies for a period of ~~one~~ ^{one} years at Govt. expense

and (3) to keep the post Women Specialist in Physical Education in abeyance until the candidate joins duty after overseas studies and to entrust the work in the post to the Inspectresses as was done before the post was created.

~~However the above~~ The extra cost involved

in the proposal is not known for the present. The D.P.I. states that the financial statement will be submitted after the selection of the candidate is over as it will vary according as a department officer or outsider is selected. E.P.H. state that selected candidate cannot be sent for overseas studies under the overseas scholarship scheme in view of the position stated in para 3 of their note on pp 4-5 above. This Dept. may generally agree to the proposals. As regards the recruitment of the candidate E.P.H. will, no doubt, consider the points suggested by Pub (sen) on p 7 above.

The financial procedure will be indicated when the details of extra cost are known.

App. 7 ante, Pub. say that the proposal of the D.P.I. at pp. 15-20 C.F. seems to be sound from a practical point of view and that, after removing the post of Woman Specialist in Physical Edn. from the M.E.S., an executive order approving the proposal at p. 15 C.F. (except in regard to the condition that the candidate shd. be unmarried) may be issued. At p. 6 ante (para 1), this dept. has pointed out how the Dir.'s proposals (p. 20 C.F.) are self-contradictory. It was also mentioned ^{there} that the need for 'deputing' the candidate ^{for} overseas studies would not arise if she happened to hold the British diploma. The Dir.'s recommendations, as they are, cannot ~~be~~ ^{even if} therefore be accepted ~~even if~~ the post is declared to be one the conditions of service in which are not matters suitable for regulation by rule.

2. But, whether there is justification for issuing a declaration under secn. 241(2) ^{Proviso} of the Govt. of India Act, after adopting the procedure prescribed in Sectt. Instrn. has to be considered. Public remark that it seems to be ~~clear~~ clear that it is very difficult to recruit a person under the rule as they stand. The difficulties are only two: (1) about the qualfns.; and (2) about permitting candidates in service also to apply for the posts. If the qualfns. are amended as suggested by this dept. on p 6 ante, ~~the~~ difficulty (1) will be solved; even the condition about overseas trg. may also be incorporated in the special ~~under a new heading~~ ^{for filling posts of} rules, if preferred. A suggestion similar to (2) was made in the case of Professors and Lecturers. In that case, Public advised that no relaxation of the definition of "Recruited direct" need be made in favour of subordinate service officers but a suitable provision may be made in the special rules themselves. Similarly, in this case too

51
that procedure
may be adopted.

3. Pub. may now be requested to say, before circn., whether they see any objection to amending the rules ^{being amended} as indicated above or whether they only advise the issue of a declaration under G. of I. Act, Secn. 241(2). ^{Proviso}

I am not satisfied with this qualification. [The draft letter need not issue.] My own feeling is that the qualifications that have been fixed in that rule have been fixed on Western standards where that may be suitable for men. The introduction of the Western standards in women's physical education has not been very helpful in the past. I think we must have a revival of 'Kummi', 'Kolattam' with modern ideas rather than prescribe things which may not be useful for our women in daily life. I would like to talk this matter over with the D.P.I. in person at some convenient time.

In any case, the views of the M.P.S.C. have to be obtained in the matter. About qualns. for the post, the draft letter to that body, put up below, sets out two alternative proposals. The post of Women Specialist in Physical Edn. in the M.E.S. has been vacant since July 1947. (The Chief Insp. of Physical Edn. in the Men's Br. is now holding addl. charge of the post.) The vacancy was advertised once for direct recruitment but no candidate possessing the qualfn. prescribed in the rules - (the Physical Training diploma of one of the British institutions specified in the rules) - became available. Therefore, in consultation with the D.S.I., the M.P.S.C. and Pub. When the post is advertised again, if a person possessing the original qualfn. itself comes forward, there will be no difficulty. Sir,

PHYSICAL EDUCATION--Chief Inspector of Physical Education,
Madras--Charge allowance--Requesting.

In enclosing a copy of letter Roc.No.194/48 dated 21.12.1948 from the Chief Inspector of Physical Education, Madras, I have the honour to state that in their memorandum No.1849-47-A.14 dated 4.5.48, Government approved my action in having transferred as a temporary measure, the duties attached to the post of Woman Specialist in Physical Education in the women's Branch and control over the establishment of the office of the Woman Specialist to the Chief Inspector of Physical Education in the Men's Branch of the service. It was also ordered that the Chief Inspector will not be eligible for any remuneration for the additional work. Hence in my proceedings R.C. 33(C2)L1/47 dated 7.7.1948 (copy enclosed) he was informed that his request for the grant of charge allowance for the period from 1.5.48 until he relinquishes the charge of the duties attached to the post of Women Specialist in Physical Education cannot be complied with. But in letter cited above he again requests that he may be given charge allow under instruction 1(b) to F.R. 49. Since it has already been ordered that the Chief Inspector of Physical Education need not be paid any remuneration when the duties are transferred to him, I donot support his request for the grant of charge allowance. He need not be granted charge allowance.

R.O.C.No.194/48. Dated 21st December 1948.

Sir,

Sub: Physical Education--Chief Inspector of Physical Education--
In charge of the duties and office of the Woman
Specialist in Physical Education--Sanction of full
charge allowance according to Fundamental Rules-
Request--submitted.

Ref: Government Memo.No.1849/47-A.14, Dated 4th May 1948.

In the above Memo. Government approved of the action of the Director of Public Instruction in having transferred as a temporary measure, the duties attached to the post of the Woman Specialist in Physical Education in the Women's Branch of the Madras Educational Service, and control over the establishment of the office of the Woman Specialist in Physical Education to the Chief Inspector of Physical Education in the Men's Branch of the Service. Government also stated that the Chief Inspector of Physical Education will not be eligible for any remuneration for the additional work. I took charge with effect from 1-5-48.

When Mrs. M.M. Buck, resigned as Woman Specialist in Physical Education with effect from 1-5-1947, Mrs. R.S. Swarnambal, Inspectress at the Central Office was placed in additional charge of the current duties of the Woman Specialist in Physical Education and she was granted a charge allowance equivalent to 1/10 of her substantive pay for the period of her being in charge of the current duties of the post of the Woman Specialist in Physical Education, Madras. (Please see copy of order enclosed herewith) under Sub-Rule 1(c) to Fundamental Rule 49. She was in charge for one full year and drew the charge allowance for all the 12 months.

The nature of my work according to Government Memorandum cited above is not merely to be in charge of the current duties of the Woman Specialist in Physical Education. I am to do all the duties of the Woman Specialist in Physical Education and to control the establishment of the Woman Specialist in Physical Education. In other words I have to shoulder the full responsibility of the post of the Woman Specialist in Physical Education. This being the case, I submit that I am entitled to the full remuneration for the additional work, as is permissible under Fundamental Rules.

According to sub-rule(b) to Fundamental Rule 49, I am eligible for an additional pay of one-fifth of my substantive pay for being in full charge. Inasmuch as Mrs. R.S. Swarnambal, my predecessor, was granted a charge allowance for doing the current duties only, I submit that my request for the sanction of full charge allowance may be viewed favourably and justice done to me as is permitted under the Rules. I have been in charge since 1st May 1948 and request the charge allowance may be sanctioned with effect from the date of taking charge, viz. from 1st May 1948.

Yours faithfully,

Chief Inspector of Physical
Education, MADRAS.
