No. Skr/Mono.

Dated 15-2-1949.

Sir,

Sub: Mono metal - Purchase of - Sanction requested.

I have to state that 5 tons of (Mono) type metal of specifications 6 : 16 : 78 are required very urgently as there is a heavy pressure of work now and as the present stock of type metal is locked up in keeping a very large type matter standing on account of the continuance of the printing of jobs that were held up so far. Quotations have been called for from the local firms and the price of Rs.2060/- per ton nett delivery at this office quoted by Messrs. Vernon & Co., 36, Second Line Beach, Madras is lowest. The company is therefore being asked to supply 5 tons of metal from their Principals at Bombay in anticipation of Government sanction. I request that Government may please ratify my action in having asked the company to supply the metal in anticipation of Government sanction and accord sanction for a sum of Rs.10,500/- to incur the expenditure for the purchase of the metal including sales tax.

The expenditure will be met from the allotment under "56 Stationery and Printing - d. Government Presses (Madras) F. Other expenditure - 4. Stores purchased in India by re-appropriation".
