Memorandum No. 12639 B2/49.1 Edn., dated 22.2.49

Basic Training will be introduced in the two Govt. Training Colleges at Madras, viz., Teachers' College, Saidapet, and the Lady Willingdon Training College for Women, with effect from 1949-50. It is considered that St. Christopher's Training College, Madras, and the Meston Training College, Madras, should also include the subject in their programme of studies. It is understood that the Principals of the ~~above~~ colleges have agreed to give effect to this suggestion. They have also deputed some of their staff for undergoing basic training at Perianaickenpalayam. These two colleges will be in need of equipment for the purpose. It is proposed to make a half-grant towards the cost of equipment required for the purpose by these two institutions. The equipment would have to be arranged for even from now, if the course is to begin from the next year. The D.P.I. is requested to examine the suggestion and to report to Govt. the items of equipment, etc. that would be necessary for the purpose for the ~~above~~ two institutions, their approximate cost and the amount of grant that may be sanctioned. The expenditure may be met from the lump sum allotment for Basic education.

2. The D.P.I. is requested to treat this reference as special and send his reply to Govt. immediately.

Sir,

Sub:- BASIC EDUCATION- Non-Government Training Colleges-
St. Christophers' Training College, Madras and
Meston Training College, Madras- Introduction of
Basic Training - Equipment Grant.

Ref:- Government Memorandum No. 12639/49-1, Edn.,
dated 22-2-1949.

1. The managements of St. Christophers' and Meston
Training Colleges have been asked urgently to apply for the
equipment required by them for making a start with Basic
training in the next academic year. Their lists together
with an estimate of their cost and the grant required will
be submitted on receipt of their replies.

2. It may be that with all the speed that can be put
into the work, the bulk of the equipment may still be unbought
before 31st March 1949.

3. I therefore request Government to permit me to incur
the expenditure towards payment of grant to these institutions
early in April 1949. The approximate cost of equipment for
these two colleges will be about Rs.8,000/- (Rs.4,000/- for
each college). The grant that may have to be sanctioned
will be about Rs.4,000/-. In case the Government authorise
me to incur the expenditure of not exceeding Rs.4,000/-, I
shall apply for funds by reappropriation in the Revised
Estimate for 1949-50.

Subj:--Grant--St. Christopher's Training College

of Basic Training--Purchase of equipment.

Ref:--Government Order No. 245 Education dated 26-2-49

In their order dated above the Government of Madras and the St. Christopher's Training College for purchase of equipment for the introduction of basic training in their colleges, and made a provision of Rs. 4,000/- in the Final Revised Estimate for 1948-49 under the head "37 (e) Education--University Grants to Non-Government Educational Institutions" (vide G.O. No. 233 P.W. dated 22-3-49). The amount sanctioned could not be utilized during 1948-49 as there was hardly any time for the purchase of the equipment requested and to claim the grant sanctioned. Hence I request Government to permit the incurring of the expenditure not exceeding Rs. 2,000/- towards the purchase of equipment for each of the two colleges during 1949-50. Necessary provision of funds for the same will be made in Final Revised Estimate for 1949-50. If Government approve of my request.

Yours faithfully,

The Director of Public Instruction
