Re. Appointment as a Secondary Grade Teacher at
Madras--requested.

Reference the following:--

1. Appeal submitted in the month of April 1947 addressed to the Director of Public Instruction, Madras and copy to Inspectress of IV & V Circle, Madras., by my husband at Flag-A
2. Letter No. L.Dis.177202/47 dated 28th May 1947 from D.P.I. in reply to the above appeal, addressed to my husband (at Flag-B)
3. My appeal dated 25-5-47, to D.P.I. and copied to Inspectress of IV & V Circle (Flag-C)
4. My appeal submitted in September/October, 47 and copied to the Inspectress IV & V Circle (at Flag-D)
5. My appeal to D.P.I. dated 27-11-47 and copied to Inspectress of 4th and 5th Circle (at Flag-E)
6. My appeal to D.P.I. dated 15-12-47 and copied to - Inspectress IV and V Circle requesting to appoint me even as a fresh candidate at Madras. (At Flag-F)
7. My application to D.P.I. dated 28-1-48 requesting to appoint me in the leave vacancy. at Flag-G
8. My application dated 18-2-48, to the Inspectress of - IV and V Circle to appoint me as a fresh candidate or even in a leave vacancy at Flag-H

With reference to the above, I beg to invite your kind reference to the enclosures appended herewith and plead for favourable

consideration and justice.

I was appointed as a Secondary Grade Teacher in - Government Training School for Muslim women Salem as soon as I passed my secondary Grade Teachers Training course in the year 1941 and I was there till August 1946. I was - then transferred to Government Middle School for Muslim - girls Coimbatore with effect from August 1946 and I continued there till my marriage (i.e.) in the month of February 1947. I have completed my probation in the year 1944 and was only awaiting confirmation in one of the substantive vacancies to be filled in permanently by the appointment of approved probationers (vide memorandum Dis No.19/46 dated 19-12-46 from the Inspectress of Girls School V Circle, Coimbatore (at Flag-'X'))

I was married in the month of February 1947 and my husband Mr. G. Ahmed Hussain is permanently employed at Madras. Therefore, I appealed to the authorities concerned to transfer me back to Madras on compassionate grounds and in view of the circumstances explained in my appeals referred to - above. (Flag-'X') My repeated requests in this regard were not properly considered on merits and was merely consold to the prospect of transfer at some indefinite period.

In view of the domestic circumstances, created on ~~her~~ account of my marriage, I appealed (at Flag-'D-') again to the authorities concerned for emergent consideration of my case for a transfer to Madras, while I had to extend my leave for the same reasons.

It was a surprise to me to receive the communication Dis. D. 583/47 dated 15-11-47 (Flag-'Y-') from the Inspectress - of Girls School V Circle Coimbatore, terminating my services suddenly giving totally untrue reasons for her action, in

spite of my prompt action in submission of leave application on expiry of the leave granted and also in spite of my - repeated requests for a Transfer both to the Director of - Public Instruction and to her. In fact the copies of the appeal addressed to her under reference remains unanswered.

To avoid hardship, due to sudden cessation of my - employment I applied (vide Flags '2, 6, 9') to the Director of - Public Instruction, as a approved Probationer for fresh - reappointment in any one of the vacancies had in both the Government Schools ^{for Muslim girls} at Madras. My effort in this direction might have proved futile, while I understand that fresh - candidates have been appointed to this vacancies, in contravention of the provision of the Mandatory rule of the Madras Provincial Government Subordinate service quoted below.

Rule:-- Part II--General Rules--Section 6(six) of the Madras Provincial and Subordinate service, Madras Services Manual Volume 1, which read as follows.
"6 Right of Probationers and approved Probationers to reappointment. A vacancy in any service, class or category not being a vacancy which should be filled by direct recruitment under the special - rules referred to in Clause(a) of rule 5 shall not be filled by the appointment of a person who has not yet commenced his probation in such service, class or category when an approved probationer or a probationer therein is available for such appointment"

I therefore pray that my case may kindly be reviewed by your honour in your appellate jurisdiction and just orders be passed by your goodself for my re-instatement in service. Alternatively I pray that you may be pleased to direct the - Director of Public Instruction to appoint me in any one of the

vacancies referred to above at Madras, in accordance with the provisions of the above quoted rule as early as possible. I will be highly grateful for this act of kindness, generosity, justice and fair play.

Thanking you in anticipation.

Requested.

Ref:- My appeal dated 29th Feb.
1948 addressed to the Secretary
to the Minister for Education,
Government of Madras and
Copied to you.

Further to my appeal cited above,
I beg to state that there is a vacancy of a Secondary
grade Teacher in Government Hobart Secondary
Training School, Royapettah, Madras, caused by
the death of my maternal mother-in-law
Mrs. Mahabubunisa. She has put in 25 years
of service in the Government Education Department
to the entire satisfaction of the Superiors. She
has no children and close relatives are employed
excepting me. I therefore beg to submit this
application for the same with a fervent hope
that your honours will at least now consider
my case sympathetically and appoint me in
her place at your earliest convenience, in accordance
with the provision of the mandatory rule of the
Madras Provincial Government Subordinate
Service quoted below:-

Rule:- Part II General Rules:-

Section 6 (b) of the Madras Provincial & Subordinate Service, Madras Service Manual Vol. I. which read as follows:—

"6. Right of Probationary and approved Probationers to re-appointment—

A vacancy in any service, class or category not being a vacancy which should be filled by direct recruitment under the special rules referred to in clause (a) of rule 5 shall not be filled by the appointment of a person who has not yet commenced his probation in such service, class or category when an approved Probationer or a Probationer therein is available for such appointment."

I am an approved probationer and was only awaiting confirmation in one of the substantive vacancies to be filled in permanently by the appointment of an approved Probationer (vide memorandum No. 19/46 dated 19.12.46 from the Director of Girls School V Circle Coimbatore). Unfortunately, I was terminated from service simply because I have extended my leave. My request for a transfer back to Madras was turned down and was not considered on compassionate grounds, in spite of the fact that I have repeatedly pointed out my unforeseen circumstances, created on account of my marriage which prevented me to leave Madras.

In the circumstances stated above and in accordance with the mandatory rule of the Madras Provincial Government referred to above, I pray that my case may kindly be re-viewed by your honour and I may be appointed in the place of my maternal mother-in-law, (Mrs. Mahboob-unisa) at your earliest convenience in order to enable me to support my family in these hard days. I will ever remain grateful for this act.

An early reply in the matter is solicited
Thanking you in anticipation.

2. Mrs. Thyabunnissa was appointed as a Secondary Grade teacher in the Govt. Training School for Muslim women, Salem, in 1941. She continued there till August 1946 when she was transferred to Govt. Middle School for Muslim Girls, Coimbatore. The teacher took leave in February 1947 and got married. On the expiry of her leave she asked for a transfer to Madras on the ground that her husband was employed in Madras. Owing to administrative reasons her request was not complied with. Her husband also applied to the Director for the transfer of the teacher to Madras. In consultation with the Inspectress, he was informed that his request cannot be complied with. The teacher however, did not rejoin duty at Coimbatore after the expiry of the leave. She did not even care to reply to the Inspectress's communications asking her to explain why her services should not be terminated for her continued absence from duty without proper sanction. Hence, the Inspectress terminated her services with effect from 26-3-47, the date of expiry of the sanctioned leave.

3. As Mrs. Thyabunnissa was an approved probationer the Inspectress should have removed the teacher from service only after framing charges and conducting an enquiry in accordance with the prescribed procedure. This the Inspectress has failed to do. This is no doubt an irregularity, though the conduct of the petitioner warrants disciplinary action.

4. In the circumstances, orders of Government, are requested whether the petitioner may be reinstated immediately and the Inspectress asked to proceed with the case de novo, frame charges against the petitioner, conduct an enquiry and take suitable disciplinary action against the petitioner and report the result to the Government.

by the Inspectress, IV Circle. The appointment order was sent
to her by registered post with acknowledgement due on 2-2-1949. The
teacher acknowledged receipt of the orders on 4-2-1949 but did not join
duty. A second communication was sent to the teacher by the Inspec-
tress on 21-4-49 in which she was informed that if she did not join
duty in the Government Middle School for Muslim Girls, Coimbatore
on or before 30-4-49 it would be taken for granted that she had rejected
the order of her reinstatement in service and would have no claim for
reappointment. This communication was acknowledged by the teacher on
28-4-49. The Inspectress reports that the teacher has not joined
duty yet.

2. In the above circumstances it is clear that the teacher is
not desirous of reappointment. I am therefore asking the Inspectress to
inform the teacher, that by her failure to join duty she has lost all
her claim for reinstatement in service.

SCHOOLS - Government Middle School for Muslim Girls,

Request for reinstatement.

From Mrs. Thyabunnisa, Ex-Secondary Grade Teacher, Govern-
ment Middle School for Muslim Girls, Coimbatore, dated
the 2nd March 1948.

From the Director of Public Instruction, R.C.No.515-L3/48
dated the 27th October 1948 and 19th November '48.

Mrs. Thyabunnisa, Ex- Secondary Grade Teacher,
Government Middle School for Muslim Girls, Coimbatore,
has petitioned to Government against the termination of
her services ^{by the Inspectress of Girls' Schools, Coimbatore} and requests that she may be reinstated in
service. The facts of the case are briefly as follows:

2. Mrs. Thyabunnisa is a qualified Secondary
Grade Teacher. She was first entertained in 1941, as a
Secondary Grade teacher in the Government Training School
^{for Muslim women,} Salem, and completed her probationary period of two years
in 1944. In 1946, she was transferred from the Government
Training School, Salem, to the Government Middle School
for Muslim Girls, Coimbatore. In 1947, she took leave
in connection with her marriage and on the expiry of the
leave she requested for a transfer to Madras, on the ground
that her husband was employed in Madras and this request
was, for administrative reasons, not complied with both
by the Inspectress of Girls' Schools concerned and the
Director of Public Instruction. The teacher did not
rejoin duty at Coimbatore on the expiry of the leave and
did not care to reply to the communication from the
Inspectress to explain why her services should not be
terminated for her continued absence from duty. The
Inspectress, therefore, terminated her services from 26th
March 1948, the date of expiry of the leave granted to
her. It is against this termination of services, the
teacher has now petitioned to Government.

3. The teacher is an approved probationer and
she should have been removed from service only after
following the prescribed procedure, namely, framing of

The Director of Public Instruction therefore requests whether the teacher may be reinstated immediately and the Inspectress asked to proceed with the case DE NOVO, frame charges against her, conduct an enquiry and take suitable disciplinary action against ~~the~~ her and ^{to} report the result to Government, ~~in~~ treating the intervening period from 26th March 1947 to the date of reinstatement as leave to which she was eligible on the date of termination of services (26--3--47) and remaining period as extraordinary leave under rule 85(a)i) F.R. Government servants ~~who were~~ entertained after 1933 are governed by the Madras Leave Rules, 1933, and not by ^{the} Fundamental Rules. Under rule 25 of the Madras Leave Rules, a probationer in superior service who has completed or is deemed to have completed his period of probation satisfactorily and is awaiting substantive appointment to a permanent post, ~~shall be~~ ^{is} eligible for such leave as would be admissible to him, if he held his post substantively. The teacher under reference is an approved probationer and is awaiting substantive appointment, and she can be granted extraordinary leave under rule 16 of the rules.

4. In the circumstances explained above, the Director's recommendation that the teacher may be reinstated ~~immediately~~ and her case proceeded with afresh, may be accepted. The period from the date of termination of her services to the date of her reinstatement may be treated as leave to which she was eligible on the date of termination of services and the remaining ^(period) as extraordinary leave under rule 16 of the M.L.R.
