Under G.O.Ms.No.487 Edn., dated 12-3-48, poor and deserving pupils of all communities studying in the Government Secondary Schools are entitled to half fee remissions if they are not in receipt of any other scholarship or concession. Under rule 92 (b) of the Madras Edl.Rules, the fees leviable in any institution from Girls and from Muslim ~~excluded~~ boys and boys belonging to the backward classes reading in any class shall be one-half of the rates actually in force in that institution if the annual income of the parents or guardian of the pupil does not exceed the prescribed limit. Pupils who are in receipt of fee concessions under rule 92 (b) of the M-E.R. will not, under the terms of the above G.O., be eligible for half fee remissions. The effect of this will be that certain communities, viz., ~~munshis~~, Backward classes (excluding Harijans) and girls, though really poor and deserving, will not get the benefit of the free remission if they are in receipt of half fee concession under the said rule. I consider, therefore, that the benefit of fee remission proposed to be extended to girls may also be extended to muslims and backward

ORDER MS.NO. 561 EDUCATION, dated 3/1949.

(Carefully)
The Government have considered the proposal
of the Director of Public Instruction that the grant
of half fee remissions equal to one fifth of the additional
income derived from the increase in the levy of instal-
ments of school fees approved in the G.O. cited, may be
allowed to girls, Muslims, and backward classes (excluding
harijans), even though they are in receipt of the half
fee concession under rule 92(b) of the Madras Educational
Rules and have decided that the ~~concession~~ ^{concession} should be
allowed to girls only.

2. Paragraph 2 of G.O.Ms.No.487 Education,
dated the 12th March 1948 will, therefore, be modified
as follows:-

" 2. The remissions should not be awarded to male
pupils who are in receipt of any other scholarships
or concessions; but they may be granted to girls, even
though they are in receipt of the ^{fee} concession under
rule 92(b) of the Madras Educational Rules. The re-
missions should ~~not~~ be awarded on production of a

Madras Educational rules referred to above and on the basis of a competitive examination as usual. The Heads of the educational institutions are empowered to grant the remissions under the same conditions ^{as are} prescribed for the award of Government scholarships".

Schols. Government - Secondary - Pro.

vision of half fee remissions to students of all communities equal to one fifth of the additional income derived from the increase in the levy of instalments of schol fees - Modification to G.O. no. 487 Edn of 12.3.48.

From the Director of Public Instruction, Roc. no. 1790 - E3/48 dated 26.7.1948.

From the Director of Public Instruction, Roc. no. 1790 - E3/48 dated 6.11.48.

The number of instalments of schol fees to be collected from the students in the Government Secondary Schols was ordered to be raised from eight to ten from the schol year 1947-48. In ~~their~~ ^{G.O.} no. 487 Edn dated 12.3.48, the Government ordered that one fifth of the additional income derived from the increase in the levy of instalments of schol fees should be utilised for the grant of half fee remissions to poor deserving pupils of all communities in those schols subject to certain conditions. The grant of remissions at the rate of two in each of the forms I to VI in all the schols was ordered to take effect from 1.1.48.

2. One of the conditions referred to in para 1 above is that the remissions should not be granted to pupils who are in receipt of any other scholarships or concessions. ^{This condition was imposed on the suggestion of the D.P.I.} According to rule 92 (b) of the Madras Educational Rules, the fees leviable in any institution from girls and from Muslim boys & boys belonging to backward classes reading in any class shall be one-half of the rates actually in force in that institution if the annual income of the parent or guardian of the pupil does not exceed the prescribed

limit. The Director of Public Instruction now points out that pupils of certain Communities, namely: Muslims, backward classes excluding Harijans and girls who are in receipt of fee concessions under this rule will not be eligible for the fee remissions even though they are really poor and deserving. The Director therefore considers that the fee remissions should be granted to ^{girls,} Muslims and backward classes (excluding Harijans) even though they are in receipt of the concession under Rule 92 (b) of the M. E. R. and recommends that his suggestion may be approved.

3. The condition that the half fee remissions should not be allowed to pupils who are in receipt of any other Scholarships or concessions was imposed only on the suggestion of Director - vide his letter on page 3 of G.O. no. 487-Eth. dated 12.3.48. In the event of the acceptance of the recommendation of the Director, certain students of the Communities in question will have the benefit of both the ^{half} fee concession and fee remission and in this case, those students will have to pay no school fee. If the recommendation is not accepted, and the orders in the G.O. referred to above are allowed to stand, a larger number of pupils will be benefitted. In the circumstances it is for orders whether the Director's recommendation may be accepted.

4. The remarks of Finance may be invited v.o. prior to circulation.

A copy of the Govt. Scholarship notification issued by the SPS & published in the Govt. George Gazette during this year is put up at (A).

One of the conditions relating to the award of Govt. Scholarships is that the recipient of a Govt. Scholarship cannot hold any other Scholarship provided wholly or partly by Govt. without the special sanction of the SPS. On this analogy, the suggestion of the Director mentioned at 'P' on page 2 ante seems to be acceptable.
