No. 2445-19/47

Dated the 25th October 1948.

Sir,

With reference to the memornadum cited, I have the honour to state that Sri P.N. Mohan Das was selected as direct recruit for the post of whole time Curator, Numismatics Section. The appointment order was communicated to him informing him that his appointment would take effect from the date of taking charge of the post from the part time Curator, Prof. T. Balakrishna Nayar in Office Order No. 69 dated the 6th July 1948. But the process of handing over charge of the section involved a good deal of time as considerable number of gold, silver and other coins had to be correctly identified and counted in detail as shown in the accession register. Besides Prof. T. Balakrishna Nayar who is a full-time professor in the Presidency College could come to the Museum only on two days a week for handing over charge. Hence though Sri P.N. Mohan Das reported himself for duty on 11th July 1948 and began taking charge from that day onwards it was only on 31st July 1948 that the handing over charge could be completed taking twenty one days. Sri P.N. Mohan Das was accordingly paid only from 1st August 1948, and Prof. T. Balakrishna Nayar the part time Curator drew additional pay upto 31st July 1948. But Sri P.N. Mohan Das has represented to me that since he had reported himself for duty from 11th July 1948 and had been attending office on all days since that date, he may be deemed to be on duty for these days and may be paid salary for these days. On referring the matter for advice, the Accountant General says that, as Sri T. Balakrishna Nayar was relieved of his duties as part time curator from the after-noon of 31st July 1948, he is entitled to draw additional pay upto 31st July 1948 and that payment of salary to the direct recruit can be made

P. T. O.

only from 1st August 1948. In order to treat him as on duty from the date he reported himself for duty till 31st <sup>July</sup> August 1948 the Accountant General reports that special orders of Government are necessary.

2 In the peculiar circumstances of the case, I request that Government may be pleased to treat Sri P.N. Mohan Das as on duty from 11th July 1948 to 31st July 1948 entitling him to draw pay for that period.

Yours faithfully,

Finance (C.S.R.) Department.

The facts of the case are succinctly set out below.

One Mr. Mohan Das was selected as direct recruit for the post of whole time Curator, Numismatic section, Government Museum. In the appointment order which was communicated to him it was specifically stated that his appointment would take effect from the date of taking charge of the post from the part time curator, Balakrishna Nayar. For the reasons stated at A on p.1 C.F., Prof. Balakrishna Nayar was asked to hand over charge only on 31-7-48. But Mr. Mohan Das reported for duty on 11-7-48 itself. He was not paid for the days from 11-7-48 to 31-7-48 as his appointment took place only on 1-8-48, the date of his taking charge from Balakrishna Nayar. He now requests that he may be paid for those days for

he actually worked during the period. E. & P.H. support  
the proposal. The cost involved in the proposal is stated  
to <sup>be</sup> Rs. 109-1-0.

In the peculiar circumstances stated at A ~~above~~  
on p.1 C.F. Finance may agree to treat Mr. Mohan Das as  
on duty from 11-7-48 to 31-7-48.
