EDUCATION DEPARTMENT

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

The Secretary to Government,
Education and Public Health Dept.,
Madras.

Rc.40D2/48 dated 3/11/48

Sir,

Sub:--Schools Special--Training of teachers
for the Blind and Deaf-Dumb--Bonds
to be executed by stipendiary students.

Ref:--G.O.No.156Edn. dated 15-6-48 (T)

Under this order six teachers are being trained in the Blind Schools at Palamcottah and Rentachintla. The cash payments to be made to each student undergoing the full course, may aggregate to approximately a thousand rupees. In addition to this, the Government has to spend for staff, equipment contingencies etc., I have felt therefore, that, the stipendiary students should enter into an agreement with the Government to serve the province for a specified period after completion of training, just as Elementary secondary and Collegiate teachers do at present under Madras Education Rules.

2. The Government Solicitor who was consulted in the matter has furnished a draft form of agreement to be entered into by the trainees. He has fixed the period for which a trainee has to serve this Province, at ten years and the amount payable to Government in default, at Rs.1,000/- I consider, that, the period may be reduced to five years and the amount to Rs.500/-

3. I solicit orders as to whether the bond may be executed in the manner referred to in paragraph (2) above.

Yours faithfully,

G. Sankaran, 4.11.48

For Director of Public Instruction

Schools - Special - Training of teachers for the Blind, and Deaf and Dumb - Bond to be executed by stipendiaries

From the D.P.I., R.C.No 40 D2/48, dated 3-II-48

As no trained teachers are available for the opening of new schools for the Blind and the Deaf and Dumb children, the Government sanctioned the training of six teachers for the blind and ^{three} teachers for the deaf and dumb in the existing private institutions. ^{During the current year.} Only six teachers offered for training ^{in the school for the blind} and they are undergoing training in the aided schools at ~~Rentichintla~~ Rentichintla and Palamcottah. It is proposed to train a certain number of teachers in 1949-50 also. The D.P.I. points out, that in view of the expenditure incurred by Govt on the training of these teachers for defective children, they may be required to execute a bond undertaking to serve the Govt for a definite period after completion of training. He suggests that the period may be fixed as 5 years and that the penalty for default may be Rs 500. The Director's suggestion seems acceptable. The trainees may be required to serve on the scales of pay fixed by Govt. In view of the policy of Govt to expand the facilities for the education of defective children, there will be no difficulty in providing employment to these trained teachers. In fact, the opening of schools is ordered only after the trained teachers become available and the number of teachers to be trained in any one year will be regulated with reference to the number of schools proposed to be started ^{in the subsequent year}.

The file may be sent to Finance for remarks and to Legal for scrutiny of the form of bond proposed to be prescribed.

Please see the letter from the DPI with enclosure in the current file and the note of ExpA overleaf.

Besides the expenditure on staff, equipment, contingencies, etc., the cash payments to be made to a student undergoing the training is stated to be approximately. It is therefore only reasonable to take a bond for Rs 1000/-, as suggested by the Govt. Solicitor. Finance may advise that the amount of the bond may be fixed at Rs 1000/-. The period of service may, however, remain as five years.
