Office of the
Director of Public Instruction,
Madras, Dated 29-1-1949.

From

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department.

Sub: Inspection - Office of the District Educational
Officer, Madras - Supply of a second cycle.

7653

The Office of the District Educational Officer, Madras is now provided as in the case of other District Educational Officers' offices with one bicycle. The District Educational Officer, Madras reports that he finds it quite difficult to manage with one cycle. It is reported that the cycle now available in the office is fully engaged in going to the bank and in delivering tappals to institutions in the Northern and Eastern parts of the City and that it is not possible to entrust the delivery of the tappals to institutions in the Southern and Western parts to the same cycle peon. The High schools in the city alone number 44 not to speak of the other special schools. As the jurisdiction of the Dt.Edl.Officer, Madras is compact all urgent important communications to heads of institutions are sent through cycle messengers. As this office stands on a different footing from other District Educational Officers' office I request that Government may be pleased to sanction the supply of an additional cycle to the office.

2. I am including the expenditure in the F.R.E. in anticipation of Government sanction.

Yours faithfully,

A. M.

for Director of Public Instruction.
