Re. 382 G2/49 dated 24-2-1949.

Sir,

Sub: Secondary Schools opened under the Special Subsidy Scheme by Local bodies - Teaching Grant paid in advance - adjustment of.

The Board Middle School, Sidhavattam in Cuddapah District was opened during the year 1947-48 in accordance with the special subsidy scheme sanctioned in Government Memo No. 61495 B1/46-5 Edn., dated 3-4-47. One of the conditions of this scheme is that the Middle School should be paid a recurring subsidy towards the actual cost of maintenance of the school subject to a maximum of Rs. 3,300/- per annum. The school under reference was paid an advance teaching grant of Rs. 1500/- during the year 1947-48 in G.O. No. 304 Edn., dated 17-2-1948. According to the financial statement of the school for 1947-48 the figures noted in the margin have to be taken into account for assessment of grant.

|---------------------------------|-----------|-------------------------------------|
| 1. Total admissible expenditure | 3299-11-0 | As the total fee income exceeds the |
| Excluding D.A. | 1085-10-0 | expenditure under item |
| 2. Expenditure on D.A. | 1085-10-0 | (1) above, the school |
| 3. Total fee income reckoned at | 1085-10-0 | gets no code grant. As |
| Standard rates. | 4058-4-0 | for the grant on account |

of D.A., it is doubtful whether the entire amount of Rs. 1085-10-0 or Rs. 1086/- should be admitted as grant, since Government have ordered that a recurring subsidy towards the actual cost of maintenance should be allowed, subject to a maximum of Rs. 3300/- per annum. Attention of Government is however invited in this connection to G.O. No. 2101 Edn., dated 24-2-48, wherein they have directed that the expenditure incurred by the Municipal Council Bellary on the payment of D.A. to the staff of the Municipal High School for Muslims at the rates admissible to them be taken into account in arriving at the net cost of maintenance of the school from 1947-48 onwards and that a grant equal to one half of the expenditure incurred on the payment of the allowance be paid as in the case of other secondary schools under local bodies, even though the full net cost of the school in other items of expenditure is to be paid as Grant from Provincial Funds. I therefore request that Government may be pleased to decide whether the grant on D.A. to this school should be taken to be Rs. 1086/- or only Rs. 543/- being half of the expenditure on D.A.

3/ In addition to the grant on D.A., the school is eligible for a compensation of Rs. 1301/- towards fee income foregone by it during 1947-48. The advance teaching grant of Rs. 1500 paid to the school in 1947-48 - vide G.O. No. 304 Edn., dated 17-2-1948 - has to be adjusted out of the grant payable to the school in the current year. If Government decide that the grant on D.A. should be taken as Rs. 1086/-, the balance of grant payable to the school this year will be Rs. 1086 + 1301 - 1500 or Rs. 887/-. If however the grant on D.A. is to be restricted to half the expenditure only, then the school will have to be paid (543 + 1301) - 1500 or Rs. 344/- only.

4/ I request the favour of urgent orders of Government in the matter, so as to enable me to authorise the payment of the grant to the District Board in the current year.

Yours faithfully,

The Director

for Director of Public Instruction.

Note. The draft order on pp 1-2 ante may be sent to Finance for acceptance. Even in the case of schools for which teaching grants are assessed on the basis of two thirds net cost, the grant for dearness allowance is restricted to only one half of the cost. The same principle has been adopted in the case of the Muslim High School Bellary for which teaching grants are to be paid on the basis of the full net cost.
