Sir,

Sub: Annual stock-taking of stores and paper - Temporary coolies - appointment - Orders sought.

12317

The annual stock-taking and verification of stores and paper is conducted at the end of each official year by an outside expert with the experience of press administration, appointed by Government. I have to engage some extra coolies usually to assist the store staff in the arrangement of about 450 items from the bureaus and shelves, weighing or counting as the case may be and arranging them in order after verification. So also in the paper godowns, the several varieties of paper have to be removed from the racks, etc., checked, counted and re-arranged to facilitate the work of the stock-taking officer. As the existing limited staff of menials attached to stores are kept fully engaged in loading and unloading supplies and receipts and in distribution, it is not possible to attend to stock-taking work. I request sanction of Government to engage 4 temporary coolies on Rs.13-8-0 plus dearness allowance for a month and a half from 21st instant.

The expenditure will be met under 56 Stationery and Printing - d. Government Presses (Madras). A. General overhead charges - 5 Other charges. Pay of menials.
