My dear Shri Omandur Reddiar,

I am writing this to you regarding the next All India Conference of Basic Education. Your province had undertaken the introduction of Basic Education in earnest, according to a well thought-out plan. The progress so far made has been encouraging.

When Smt. Ashadevi and I met you last time in the 3rd week of June, '48, we had suggested to you that the Madras Government might invite the Hindustani Talimi Sangh to hold the next conference of Basic Education in your province. You were then pre-occupied with the present problem of Hyderabad, and wished to postpone the decision to a later date. Now that fortunately the problem of Hyderabad has been satisfactorily settled, I am reminding you of this question.

As regards the financial aspect of this conference, you will have to make a provision of Rs. 15,000/- for the conference in the budget. The delegates from the different provincial governments and states would meet their own travelling and food expenses. You would only have to offer free hospitality to national workers and the travelling expenses for the group of the Hindustani Talimi Sangh.

and the exhibition. Last year the Government of Bihar sanctioned a budget of Rs. 15,000/- for this purpose.

I met Shri Avinashilingam Chettiar at Allahabad and discussed with him the convenient date and place of the conference. I suggested that the conference be held in the first week of May at Perianayakanpalayam. He told that the dates and place would be convenient.

Smt. Ashadevi will be coming to Madras in the third week of January. She will be glad to meet you and discuss the question with you in greater detail.

With kind regards,

Yours sincerely,

Dear Ariyanayakamji,

With reference to your letter of the 12th January requesting that the next Basic Education Conference may be arranged in South India by this Government. I understand that Asha Devi in her talk with the Premier, said that it will be sufficient if this Government gives you a contribution and that you will meet the rest of the expenses by collections. I am glad to tell you that this Government will be prepared to pay you a contribution of about Rs. 5,000 for the Conference. We shall also be glad to give you any other help that may be necessary for convening the Conference.

Dear Shri Gopal Reddi,

I think you know that it is proposed to hold the next Conference and Exhibition of Basic Education in South India this year. This will be the first All India Conference of Basic Education in South India. Dear Shri Omandur Ramasamy Reddiar,

I am writing this in continuation of the conversation I had with you on 24th night regarding the All India Conference and Exhibition of Basic Education and the Tamilnad Constructive Workers' Conference and Sarvodya proposed to be held in Madras Presidency in the first week of May.

I conveyed your message regarding the financial responsibility of the conference and exhibition to the meeting of the constructive workers held in the hall of the Hindustani Prachar Sabha in Thiagaraoyanagar on the 25th. You will be glad to know the Constructive Workers' Sangh and the Tamilnad Basic Education Society have jointly decided to invite and organise the All India Conference of Exhibition of Basic Education and also a conference of constructive workers in Tamilnad and Sarvodya Pradarshani.

12
The conference and exhibition are being planned on as economical a basis as possible but the total expenses it is estimated will amount to Rs.20,000/-. It will be for you now to decide what contribution your Government can make towards the expenses.

Personally, I am grateful to you for your warning regarding taking Government help in our conferences and exhibitions. The Hindustani Talimi Sangh does not take any financial help in any of its activities. In future we shall not take any help even in organising conferences and exhibitions.

With best regards,
yours sincerely
Rsh Dey.

Please see herewith the copy of the letter written by Sri Aryanayakam of the Hindustani Talimi Sangh with regard to the holding of the next Basic Education Conference in this Province. The Premier also spoke to me about it. We did not invite this Conference. The last Conference was held in Bihar. The U.P. Govt. invited the next Conference but Dr. Zakir Hussain, President of the Wardha Basic Education Board (Hindustani Talimi Sangh) suggested at that time that in view of the good work of basic education done in this Province, it will be held here in our chief Basic Education Centre and they have written accordingly.

I think it will also be a great help to the basic education workers and will give an impetus to the basic education work when all the leaders of the basic education movement will meet here. The expenditure involved will be about Rs.15,000 to Rs.20,000. I think we may accept for arranging the Conference here. H.Pr. and H.M. Finance may see.

Letter from Asha Devi, Hindusthani Talimi Sangh, dated 16.2.49

Please see the communication received from Asha Devi read above. H.M. (Edn) has promised a contribution of Rs 5000/- towards the Conference of Basic Education. In the letter read above,

Sri Asha Devi requests that the Madras Govt. should act as hosts for the Conference and Exhibition as the Bihar and Bombay Govts have done on such occasions and that necessary provision should be made for the conference. The necessary expenses amount to Rs 20,000/-.

The file may be submitted to H.M. (Edn), H.M. (Fm) and H.P. for orders.

Finance may see before circulation.

EPH no. 4396 B2/49.2

(Previous Finance note on page 2 above.)

The further note of E.P.H. may be perused.

It may obtain details for estimate of Rs 2000 suggested above and state how they pay on to meet this extra expense before sanctioning the expenditure.

It would appear from the letter of Sri Arya Mayakam that the conference is proposed to be held in the first week of May. Expenditure connected with the conference will therefore be incurred mostly in 1949-50. The orders sanctioning the expenditure will have to specify at least some of the items on which expense is proposed to be incurred. EPH may ascertain from the Authorities of the Hindusthani Talimi Sangh at the Bombay or Bihar Govt. details of the expense incurred. This may be done after getting the approval of the Govt. for the amount of expense involved. H.M. (Fm) considers Rs 20,000 high a sum for the purpose. This is a limit. This is a limit. Sri Arya Mayakam said in his letter that we should make a provision of Rs 15,000 in the budget for the purpose.

if the sum of Rs.5,000 previously decided upon is now considered insufficient.
As the Government has been made

may be taken in the course of 1949-50 to provide
the necessary funds by reason of supplementary

The Hindustani Talimi Sangh want us to take the
responsibility of conducting the conference. That is
what they did in Bihar and Bombay. We may do so. The
following people may be appointed as the Committee to
conduct the Conference:-

- 1) Sri N.M.R. Subbaraman, M.L.A., Chairman, Tamilnad
Basic Education Society.
- 2) Sri K. Arunachalam, B.A., L.T., Headmaster, Gandhi
Basic Training School, Perianaickenpalayam,
Coimbatore district.
- 3) Sri M. Arunachalam, Headmaster, Basic Training
School, Kilamoongiladi, S. Arcot dt.
- 4) Swami Nishkamanandaji, Secretary, Sri Ramakrishna
Mission Vidyalaya, Coimbatore dt.
- 5) Sri Jagannathan, Secretary, Tamilnad Constructive
Workers' Association - Gandhi Gram. Chinnodipala
mandal.
- 6) Sri R.V. Rudrappaswami, Basic Education Officer.
7. R.R. Kulkarni, Gandhi Gram -

The Convenors of the Committee may be:-

Sri R.V. Rudrappaswami, Basic Education Officer
&
Sri K. Arunachalam, B.A., L.T., Headmaster, Gandhi
Basic Training School, Perianaickenpalayam.

The Hindustani Talimi Sangh want the Conference to
be held in the Sri Ramakrishna Mission Vidyalaya,
Perianaickenpalayam. We may accept that suggestion.
The money may be disbursed to Sri K. Arunachalam. The
expenditure should not exceed it. If the expenditure
exceeds it, it is open to the Committee to make any
collections, but that may be necessary for the purpose.
The Committee may be given powers to co-opt such
persons as may be necessary for the purpose.

A revised draft on the above lines may be prepared.

H.M.'s minutes at p.5 over-leaf:- Before putting up a draft on the lines of H.M.'s minutes overleaf, the following points are raised for consideration:-

(i) H.M. has ordered that the money may be disbursed to Sri K.Arunachalam. Sri K.Arunachalam is a non-official, though one of the convenors of the Committee. Perhaps the D.P.I. may be asked to draw the amount and disburse it to Sri K.Arunachalam, ^{the latter} Sri K.Arunachalam being asked to render accounts for the expenditure incurred from the amount. The accounts that will be submitted by Sri K.Arunachalam should, it seems, be also subjected to audit by the A.G.

(ii) Of the seven members proposed for the Committee, six are non-officials and four among this six are from outside Perianaickenpalayam. The one official member (the Basic Education Officer) is also from outside Perianaickenpalayam. It is probable that the Committee will hold its meetings at Perianaickenpalayam. So, for attending the meetings of the Committee, the four non-official members and the Basic Education Officer will have to be paid travelling and daily allowances. The Basic Education Officer, will, of course, draw the allowances at the rates admissible to him under the M.T.A. Rules. The rates at which the other (non-official) members should be paid need to be considered. It is for orders whether, for this purpose, the Committee may be considered as a first-class one.

It is presumed, in this connection, that the expenditure on t.a. and d.a. of the non-official members should be met from the amount of Rs.15,000/- to be sanctioned ^{and} that the t.a. and d.a. of the Basic Edn. Officer may be met from the usual head of expre.

(iii) Since it is now proposed not to make a contribution towards the expenditure but to meet ^{from Govt. Funds} the entire expenditure subject to a maximum, it is for consideration whether the head of account (indicated at 'A' on p.2 ante) to which the expenditure should be debited would need to be altered.

The remarks of Finance may be invited u.o. on the above points before re-circulation.

This may therefore be treated as a temporary advance under Article 99, MFC, Volume I. The DPI may be asked to draw the amount and place it at the disposal of Sri Arunachalam who will maintain accounts and vouchers. The advance should ^{be required to be} adjusted by the DPI, by detailed bills and vouchers as soon as the conference is over.

Item (iii) on p 6 above. The expenditure will be debited to "370. Education - ~~Ministry~~ Direction - Other charges" in the budget for 1949-50.

Orders have been issued for the arrangement of the All-India Basic Education Conference to be held at Perianaickenpalayam. We have also appointed a committee for that purpose. About 1500 people are expected to attend. And so, accommodation must be arranged for that number. The buildings in the Vidyalaya and the Training School will not be sufficient for the purpose. A no. of sheds will have to be put up. I am told that the sheds will be very costly and it would be convenient if we can get tents. I understand from the Principal of the Engineering College that he has got a couple of 100 small tents and he told me that he can conveniently send them. He may be asked to send those 200 tents to the Vidyalaya by train. The waggon charges may be treated as an item of expenditure for the conference and met from the sum of Rs.15,000/- that we have allotted for the conference.

A/
B/
I also understand that the Engineering College has got wires and bulbs to provide light in these tents, etc. They have also got a loud speaker, etc. which may also be necessary for the conference. The Principal of the Engineering College told me that it will be convenient for him to spare those materials and that they will form a lorry load and that he can send them in his own station waggon and take them back. He may be asked to send them along with the mechanic in the station waggon to reach Perianaickenpalayam, on or about the 1st of May and get them back in the same waggon. The expense of the conveyance may be asked to be treated as part of the expense of the conference and met from the Rs.15,000 that we have contributed.

Please see herewith a representation from the Secretary of the Reception Committee of the All-India Basic Education Conference. It is a Government sponsored one, and people from all over India are expected to attend it. Education Ministers from other provinces and Dr. Zakir Hussain, Vice-Chancellor of the Aligarh University and few others are also expected to attend. It will be convenient if the Collector may be asked to place a jeep at the disposal of the Secretary for making arrangements for the conference and the Collector may be instructed to give the necessary facilities. ~~the conference is a Government sponsored one.~~ It is as if the Government are conducting the conference. The minutes of H.M. (Edn.) and H.M. (Ind) and (R) at p.1 above and the notes of the Pub (Elections) Dept above may be perused. It is submitted that it has since been decided that discretion should be allowed given to the collector of each dist. to arrange the supply of Jeeps for works connected with depts other than C.S in the order of their importance. It is also proposed to issue instructions to give priority ^{to C.S. works} over all other works for the next 3 months as it is imperative to manage procurement and distribution work satisfactorily. It will ~~not~~ therefore ^{perhaps} be possible for the collector to lend the jeep only when there is ^{no} C.S work on hand during the period 1st of April to 15th of May. However in ^{the} special circumstances stated, the draft below may perhaps be accepted. For orders.

work and that in the next three months, Civil Supplies work should get priority over all other work, as it is imperative to manage procurement and distribution work satisfactorily. The above proposal contemplates the lending of a jeep for a period of 1 month and 15 days. This is ^{the} procurement season, and it is doubtful, whether the Collector could spare a jeep. The memorandum may be suitably amended to say that the jeep may be placed at the disposal of the Secretary of the Reception Committee, provided that one can be spared without detriment to the Civil Supplies work.
