The Director is requested to submit to Govt the detailed final list showing the allotment of units to the several high schools after the replies still due are received and take the orders of Govt in regard to the number of teachers to be deputed for training. He is also requested to state when the services of the Army Officer should be obtained for giving technical advice on the arrangements N.C.C.throughout the province and whether he requires the help of any Provincial officer in addition to the Army officer proposed to be placed at his disposal even at the initial stage.

Extract from the note on the points discussed with Col Bewoor
Director National Cadet Corps on 23-8-48.

Junior Division.

There will be an Army Officer placed at the disposal of the Director of Public Instruction to give technical advice on the arrangements relating to the Junior Division throughout the whole Province. The question whether besides having such an officer for advice, there should be a Provincial Officer to help the D.P.I. in making arrangements relating to the Junior Division was a matter for the Provincial Govt itself to decide.

R.C.No. 1208-B4/48 dated 21st September, 1948.

SIR,

NATIONAL CADET CORPS--Junior Division--Creation of a post of Special Officer in charge of National Cadet Corps in the Office of the Director of Public Instruction--Proposals--Submitting for sanction.

Reference:--Government Memorandum No. 7879-B1/48-50 Education dated 2.9.1948.

With reference to the query raised in the concluding portion of the Government Memorandum quoted above, I have the honour to state that in addition to the Army Officer it is quite necessary to have a Special Officer (Provincial Service Officer) for the promotion of National Cadet Corps Junior Division from now, as his help will facilitate the work of organising the corps. It may be necessary to retain the post of the Special Officer as a long term measure as the work connected with the raising of National Cadet Corps in future, will expand considerably. It is also necessary to have a separate clerk for the officer. I have therefore to request that Government may be pleased to create a post of a Special Officer for National Cadet Corps in the Madras Educational Service in the appropriate scale of pay and a post of an Upper Division Clerk in the Ministerial Service for a period of one year in the first instance from the date of appointment.

As the preliminary work has to be got through by the end of November, Orders of Government may be obtained for the post of the Special Officer by that time. Separate proposals will be submitted regarding the posting of an Officer on receipt of Government orders.

Yours faithfully,

K. Sankaranarayanan

Subject:- NATIONAL CADET CORPS - LIAISON OFFICERS, JUNIOR DIVISION
UNITS

I am directed to refer to this Directorate letter No.0082/48/
NCC dated 24th November 1948 regarding the appointment of Liaison
Officers, Junior Division Units in Provinces and Centrally
Administered Areas.

2. I am to request that these officers, who shall be working in
the office of the Director of Public Instruction or Education,
should be given a full time civilian clerk to work for them. It
has been found by experience that the office of the Director of
Public Instruction will not be able to spare a clerk to undertake
work for this officer, in addition to his other duties. A
typewriter has also been found to be necessary and may be
provided for the office of this Liaison Officer.

3. The cost of the pay of this clerk will have to be met by
the Provincial etc. Government.

Yours faithfully,

C.180H/50 dated 10th August 1950.

Sir,

Sub:--FURNITURE--Liaison Officer, National Cadet
Corps--Junior Division, Madras--Sanction of
additional funds for purchase of furniture--
requested.

I have the honour to state that the Liaison Officer
National Cadet Corps, Junior Division, Madras requires furni-
ture for the staff attached to his Office. At the time of
appointment of the Liaison Officer the Government have sanc-

increase of staff in his Office, the additional furniture is
necessary.

2. The proposal involves an expenditure not exceeding
Rs.500/- The provision at my disposal in the current year is
not adequate to meet this need. I request that Government may
permit me to incur the expenditure and apply for additional
funds in due course.

Yours faithfully,

National Cadet Corps - Junior Division- Creation of a post of Special Officer in the M.E.5 - Employment of an Upper Division Clerk for the officer

From the D.P.I, R.C.No 1208 E-4/48, dated 21-9-48

The scheme for the formation of a National Cadet Corps provides for the raising of a junior division to which recruitment should be made from the boys between the ages of 13½ and 17 studying in high schools. It was proposed that the Junior division to be formed at the first stage might consist of 6,000 cadets, but the Standing Finance committee has suggested that this number may be restricted to 4,000. This suggestion will be considered by the Cabinet shortly. The number allotted to the junior division should be distributed among the various high schools which have agreed to raise units. Replies are yet due to the reference made in this matter from schools in four districts. The officers to man the units should be selected from the teaching staff of each school, The selected teachers have to undergo training under Regular Army units for a period of two months during the ensuing summer vacation and it is only after this is done, it will be possible to enrol cadets and train them. This will be possible only from the next school year. The selection of teachers for the training will have to be made by the headmasters of the schools from which the enrolment of cadets have been approved and the D.E.Os will have to approve the selection. The headmasters of the schools from which the units are raised will have to be made responsible for incurring the expenditure connected with the unit although the general control over the expenditure relating to the Junior Division should be exercised by the D.P.I through the subordinate staff.

Vide note for the SFC at R

Expenditure to be met by the Government

2. An Army officer will be placed at the disposal of the D.P.I. to give technical advice on the arrangements relating to the junior division throughout the province. The D.P.I. will have to communicate the arrangements that are finally decided on to the managements of the schools through the D.E.Os.

To attend to the correspondence relating to the raising of the Junior Division, the D.P.I. requires the assistance of a special officer in the M.E.S. and an Upper Division clerk ^{in addition the army officer to be placed at the disposal of the D.P.I. by the Director, N.C.C.} for a period of one year in the first instance.

3. The creation of a post of special officer in the M.E.S. at this initial stage does not seem to be quite necessary. As matters stand, it may not be possible to enlarge the scheme for the formation of a junior division of the N.C.C. until experience is gained of the working of the scheme after the first batch of units are raised, and arrangements are made for the safe custody of the arms and ammunition that will be supplied to the junior division. The selection of units ^{at the first stage} will have to be made from schools in important towns where it is possible to store the arms and equipment in the existing Police armouries and where there are sufficient number of schools so as to enable the instructional staff to give training to as many cadets as possible at one place. The correspondence relating to the junior division to be raised up to the stage may not therefore be expected to be heavy. The preliminary work relating to the organisation of the Junior Division of the N.C.C. consisting of 4000 cadets can be entrusted to the Technical Education Officer or one of the Deputy Directors of Public Instruction. The D.P.I. may be consulted whether this cannot be done.

3. As regards the employment of an Upper Division Clerk, there is no information in regard to the number of currents dealt on the subject during the past few months to see whether there is sufficient work for a clerk. The D.P.I. may be asked to furnish the information.

4. It is not clear whether the Directors of Public Instruction in other Provinces like Bihar and Bombay to which 4,000 cadets of the Junior Division have been allotted, have been allowed the assistance of a Provincial service officer in addition to the Army officer. The D.P.I. may perhaps be asked to obtain and furnish information on this point also. The Director may also be requested

to furnish an estimate of the immediate and ultimate expenditure involved in his proposal for the employment of an officer of the M.E.S. and an Upper Division clerk for work connected with the raising of the Junior Division of the National Cadet Corps.

From the Director, National Cadet Corps, no. 0010/48/NCC dated the 24th November 1948.

Please see the letter from the Director, National Cadet Corps on page 4 of in regard to the appointment of a Regular Army Officer to assist the Provincial in the organisation of the units of the Junior Division of the N.C.C. The officer will be designated as 'Liaison Officer, Junior Division Units'. There is no mention in the above letter in regard to the appointment of such an officer in this Province ~~and it is~~ ^{apparently} because, the units of the Junior Division have not yet been ^{raised in this Province} ~~started~~. Probably the officer will be ^{posted after a decision is reached on the question of raising the units in the Province} ~~appointed~~ ^{investigat}.

2. With reference to para 5 of the letter a copy of it may be communicated to the D.P.I. and ~~he may, in this connection, be requested to expedite his reply to the under-mentioned points. If so, the draft memo below is for approval.~~

Before communicating the letter to the D.P.I., the point at 'A' above may be ^{perhaps} verified by making reference to the Director, N.C.C., New Delhi.

2. Attention of Government is solicited to letters No. 0082/48 N.C.C. dated 24-11-48 and No. 0010/48 N.C.C. dated 20-12-48 from the National Cadet Corps Directorate communicated with Government Memorandum No. 88690 B1/48-2, Edn., dated 6-1-49 wherein the Director, National Cadet Corps has stated that the Government of India has approved the appointment of a regular Army Officer in each Province raising units of National Cadet Corps Junior Division who shall be designated as Liaison Officer. It is reported that the Liaison Officer will work in the office of the Director of Public Instruction. It has also been suggested that a full time civilian clerk and a typewriter should be given to the Liaison Officer by the Provincial Government.

3. In view of the above, it is not necessary to have another officer in addition to the Liaison Officer in this office. A post of Special Officer for National Cadet Corps Junior Division requested for in the Director's letter M.O.C. No. 1208 E4/48 dated 21-9-48 need not, therefore, be sanctioned.

4. It is requested that sanction may be accorded for the employment of an upper division clerk and the supply of a typewriter as soon as the Liaison Officer is appointed. When the training of officers is taken up early in summer recess and when the units are formed, the clerk will have sufficient work and when the scheme expands from year to year, addition to clerical staff will become

necessary.

The cost involved in the proposal for one upper Division clerk to be placed at the disposal of the Liaison Officer is given below:

Immediate cost -	1 upper Division clerk (for one month from 1st to 31st March)	Rs.80/- plus allowances.	)Recur)ring.
Ultimate cost -	pay of upper Div. clerk Rs.80-125	Rs.1,311/-	
other furniture and equipment.	(excluding the typewriter to be supplied by the Superintendent of Stationery)	Rs.500/- non-recurring.	

The post may be sanctioned in the time-scale of pay for a period of 3 years in the first instance from the date of sanction.

To The Secretary to Government,
Edn & P.H. Dept.

E + P.H. (B.D) Dept.

Please see the No. reply from the Director of Public Instruction on pages 7-8 above. In view of the proposed appointment by the Director, National Cadet Corps, of a Liaison Officer for the Junior Division units of the NCC to be formed during the next school year, the Director reports that the appointment of Special Officer in his office as recommended in his letter on page 2 of is not necessary. The Director's view may be agreed to and no action is necessary in this regard.

2. The Director NCC, has already advised that a full time civilian should be appointed under the Liaison Officer and a typewriter should also be sanctioned for use in connection with the NCC work. In the circumstances stated in para 1 above, the D.P.I. requests that the employment of the clerk may be sanctioned for a period of 3 years from 1-1-49. The also requests that the expenditure of Rs.500/- for furniture and equipment excluding the typewriter. The total cost is estimated

The proposal is Rs.80/- immediate, Rs.1,311/- ultimate and Rs.500/- non-recurring.

3. It has been decided that 35 Corps + 2 sub-units of the Junior Div. NCC, should be raised in 1949, and the schools in which the units are to be raised have also been selected. The Dir, NCC, has been addressed for the approval of raising the units in those schools and this approval is awaited. The Dir, NCC has already informed this Government that the Liaison Officer for this Province will be posted after a final decision is reached on the allotment units for 1949. It will be enough if the appointment of the U.D. clerk, the supply of typewriter and the non-recurring expenditure are sanctioned as soon as the Liaison Officer arrives and reports for duty in the Director's Office. ~~When this is received from the Director NCC in regard to the raising of units of the Junior Div. of the NCC in 1949-50.~~

2. The expenditure may be met from the provision made in the Estimates of Expenditure for 1949-50 for the Junior Division of the NCC.

and that the cost of the pay of the clerk may be met by the Provincial Government.

2. The Director of Public Instruction, Madras, has requested that sanction may be accorded for the employment of an Upper Division Clerk for a period of 3 years, for the supply of a typewriter and for an expenditure of Rs.500/- for furniture and other equipment. This Department may accept the proposals of the D.P.I. subject to the following remarks:-

- 1) the U.D.clerk may be on the scale of Rs.80-110 instead of on Rs.80-125 as proposed;
- 2) the period of employment may be for one year in the first instance from the date on which the Liaison Officer joins duty.

The cost on account of the proposal works out to Rs.1644/- per annum recurring and Rs.500/- non-recurring.
