Crp. 6673

There are three roneo attenders ^{in the C.D.B.} attending to the roneo work of all the departments of the Secretariat. They complain that while attending to the roneo work the ~~ink~~ roneo ink ~~mark~~ falls upon their dress and the dress gets spoiled. They request that they may be supplied with ^(dress for wearing) ~~clothing~~ at the time when they operate the Duplicators.

It is submitted in this connection that while removing the stencils from the Duplicators or when applying ink to the Duplicators, the ink is liable to fall upon the dress of the operators even though they may be careful enough to prevent such occurrence. The ink that falls upon the dress leaves a permanent impression ~~on~~ the clothing and any amount of washing will not remove the impression. It is therefore submitted that the roneo attenders may be supplied with blue trousers and blue shirts for their use at the time of operating the roneo machines or

or in the alternative, they may be supplied with some overall material
 for covering the dress worn by them. The ^{above}suggestion may be
 commended to the E. & P. H. department for according sanction
 for the supply of one or the other alternative dress mentioned
 above.
