Sub:- Madras Educational Service - Sri C.K.Chandran - Overseas Scholar - Employment as Instructor in Electrical Engineering.

Ref:- Government Endorsement No.50417-C2/47-8-Edn., dated 21-1-1949.

Sri C.K.Chandran, an overseas scholar intended for absorption in the teaching personnel of engineering colleges, has the academic qualification prescribed for the post of Instructor in Electrical Engineering. He possesses the B.E. degree with Hons. in Electrical Engg. of the Madras University and the Master of Science and Electrical Engineer degrees of Illinois Institute of Technology, Chicago. I therefore recommend that, pending examination of his qualifications and suitability for the post, Sri C.K.Chandran be appointed as Instructor in Electrical Engineering under rule 9 (a)(i) of the General Rules for the Provincial and Subordinate services. He may be appointed in the college of Engineering, Kakinada or Guindy according as Government decide to spare the services of Sri L.G.Narayanaswami another overseas scholar, for the Electricity Department or not.

2. The post of Instructor in Electrical Engineering in the College of Engineering, Kakinada is still vacant. Sri L.G.Narayanaswami who stands posted to this college, has not yet joined duty - Vide G.O.Ms.2925-Edn., dated 19-11-1948. The question of sparing the services of the scholar for the Electricity Department is under the consideration of Government. In this connection, attention is invited to their Memo No.97318-A-Edn., dated 7-1-1949 and my reply thereto Roc.No.74/48, dated 26-1-1949. If Government decide that Sri L.G.Narayanaswami be continued in this Department and that instead, the services of Mr.Ibrahim Sahib be spared for the Electricity Dept. then I recommend that Sri C.K.Chandran may be appointed as Instructor in Electrical Engineering in the College of Engineering, Guindy and that the present incumbent Sri D.Krishnan Namboodiripad be re-appointed as Junior Instructor in Electrical Engineering in the same college in the place of Mr.Ibrahim Sahib, under emergency provisions.

3. If Government decide to spare the services of Sri L.G.Narayanaswami for the Electricity Department, then the orders posting him to the College of Engineering, Kakinada, may be cancelled and instead Sri C.K.Chandran may be appointed to officiate as Instructor in Electrical Engineering in the above college.

4. As the post of the Instructor in the Engineering College, Kakinada, has been vacant for a long time, I request the early orders of Government on this reference.

The D.P.I. may be consulted on the C.E.'s suggestion at c.f. 25. A draft memo is submitted.

M.V.S.
7-1-49.

(Issued as Memo No.97318-A-1-Edn., dated 7th Jan. 1949)

From the D.P.I., No.74/48, dated 26-1-1949.

Mr.H.M.Ibrahim and Sri L.G.Narayanaswami are two of the candidates who had their higher education in Electrical Engineering overseas as Govt. scholars and who returned to India recently.

In sending Mr.Ibrahim for higher studies, the Govt.'s intention was to absorb him eventually in industries - Govt. or private enterprise. But, as, when he returned to India, there was no suitable vacancy in the Industries Dept., he was taken in the Education Dept. as a Junior Instructor, in a purely temporary vacancy, without any commitment to continue him in service throughout.

About Sri Narayanaswami, the typed notes at p.7 ante may be seen. The C.E. for Elec'y. wanted him to be appointed in his dept. as an Asst. Engineer. But the C.E.'s request was not complied with and the candidate was appointed as Instructor in the Kakinada Engg. College - Edn. Dept. The C.E. was however told that he might have Mr.Ibrahim's services instead, if he considered him suitable. He has now replied that Mr.Ibrahim will not be suitable for the Electricity Dept., that his previous request for having Sri Narayanaswami's services may be accepted, and that Mr.Ibrahim, if suitable, may be retained in the Edn. Dept. on a long standing basis in Sri Narayanaswami's place. The Principal of the Engg. College, Guindy, and the D.P.I. hold views contrary to the C.E.'s. Their letters at pp.28-29 c.f. may be

perused. This Dept. may recommend that Sri Narayanaswami may be continued in the Edn. Dept. itself, for filling whose needs he was originally deputed overseas.

M.V.S.

The file may be returned to P.W.D. They may be

requested to circulate the case to H.M. (Edn.) also.

P.W.D. (M)

To A.D.S.

Sri L.G. Narayanaswami is a candidate who was awarded an overseas scholarship in 1945-46 for the subject "Electrical Engineering" and is intended for absorption in the teaching personnel in the Engg., Arts and other professional colleges after the completion of his overseas studies. In August 1948, the C.E. (E) while forwarding the application of Sri L.N. Gopal-swami, Sri L.G. Narayanaswami's father, recommended that Sri L.G. Narayanaswami might be selected for appointment as Asst. Engineer in the Electricity Dept. by direct recruitment. Attention is invited to the D.O. from the C.E. (E) at p.9 c.f. The question was examined in consultation with the D.P.I. The D.P.I. reported that the dearth of qualified and suitable officers to fill the large number of new posts sanctioned for the various Engg. Colleges in the Province was keenly felt and that the post of Instructor in Electrical Engineering sanctioned for the College of Engineering, Kakinada, was kept unfilled awaiting the return of Sri L.G. Narayanaswami. He therefore stated that the services of Sri Narayanaswami could not be spared for appt. as Asst. Engineer in the Electricity Dept. Orders were accordingly issued appointing Sri Narayanaswami as Instructor in the College of Engineering, Kakinada.

2. In that connection E. & P.H. stated that Mr. B.M. Ibrahim another scholar, who was also awarded an overseas scholarship in 1945-46 for the subject "Electrical Engineering Design and manufacture of Electric Meters" has returned after the completion of his overseas studies. He was intended for absorption in the Industries Dept. but no suitable vacancy was available in that department. He was however appointed to officiate temporarily as Junior Instructor in Ele. Engineering, College of Engg., Guindy. E. & P. H. Dept. have no objection to the appointment of the above candidate as Asst. Engineer in the Electricity Dept, if considered suitable. The C.E. who was consulted as to the suitability of Mr. Ibrahim for

appointment as Asst. Engineer (Electrical) considered that Mr. Ibrahim would not be suitable for appointment direct as Asst. Engineer (Electrical). The C.E. (E) however suggested that, as Sri Narayanaswami had distinguished academic record in India and also works training abroad, he might be allotted to the Electricity Dept. and in his place Mr. Ibrahim might be posted. The Principal, College of Engg., Guindy, who was consulted regarding the comparative suitability of Sri Narayanaswami and Mr. Ibrahim for appointment in the Engg. Colleges, reported that the former, intended for absorption in the teaching personnel of these colleges, might be preferred. The D.P.I. has agreed with the Principal, and has left the matter for the decision of the Govt. E. & P. H. Dept. recommend that Sri Narayanaswami may be continued in the Education Dept. itself for filling whose needs he was originally deputed overseas.

3. Attention is also invited to the D.P.I.'s letter since received at p.31 c.f. The D.P.I. states that if the Govt. decide to spare the services of Sri L.G. Narayanaswami for the Electricity Dept, the orders posting him to the College of Engg., Kakinada, may be cancelled and instead Sri C.K. Chandran, another overseas scholar, intended for absorption in the teaching personnel of Engineering Colleges may be appointed to officiate as Instructor in Electrical Engg. in the above college.

4. The point for consideration is:

(1) whether Sri L.G. Narayanaswami, an Overseas scholar, who has been appointed as Instructor in the College of Engg., Kakinada, will be continued in the Education Department as proposed by the E. & P.H. Department; or

(2) whether Sri L.G. Narayanaswami will be appointed as Asst. Engineer in the Electricity Dept. as proposed by the C.E. (E).

The file may be circulated to H.Ms. (P.W.) and (Edm.).

CF
This is a matter
for E. & P.H.

Please see previous orders in circulation on p.7 ante. and notes from p.11 ante. The C.E.(E) is anxious to take Sri L.G.Narayanaswami to Electricity Dept. The D.P.I. does not appear to be so anxious; he has left the matter to the decision of the Govt. (i.e.) whether Sri Narayanaswami should serve in the Electricity or Edn. Dept. For orders whether suggestion(2) at X above will be approved.

The recommendation of the C.E.(E) may be accepted and Sri L.G.Narayanaswami may be appointed as Asst. Engineering in the Electricity Department and the other candidates available may be posted for the Engg. College.

M.B.
16-2-49.

Mr.C.K.Chandran may be appointed to the Kakinada Engg. College and Mr.Narayanaswami may be allowed to go to the Electricity Dept. I understand that Mr.Ibrahim is not suitable to the Edn. / Dept.

Please see the orders in circulation from bottom of p.13 ante. The order appointing Sri L.G.Narayanaswami as Instructor in Electrical Engg. in the College of Engg., Kakinada, will have to be cancelled and Sri C.K.Chandran, another overseas scholar appointed in his place. The file may be sent to the E. & P.H. Deptt. and they may be requested to return the file after taking necessary action with reference to 'A' above. Orders appointing Sri L.G.Narayanaswami as Asst. The case deals with the employment of Sri C.K. Chandran, 1945 scholar, in the Edn Dept.

nd put up

2. In G.O 2925 Edn of 19.11.48, the Govt appointed Sri L.G. Narayanaswami, an Overseas Scholar, as Instructor in Electrical Engg, College of Engg, Kakinada. The P.W.D. subsequently pressed for his services for appointment as Asst Engineer in the Electricity Dept and the Govt agreeing to spare his services for P.W.D, Orders were issued in Memo no. 97318 H/Edn of 24.2.49, cancelling the G.O referred to above. The post of Instr. in Electrical Engg at Kakinada is thus vacant and the D.P.I has proposed to appoint Sri C.K. Chandran, another 1945 scholar, who has returned to India on 8.1.49 after overseas studies in Elect. Engg. H.M. (Edn) has agreed to Sri Chandran's appointment. Draft order is submitted for approval.

3. It may be mentioned here that Sri C. K. Chandran has intimated his

intention to take up a private job after obtaining release from the bond by refunding to Govt the entire amount spent on his studies. This is under consideration separately. However, as scholars have to be found suitable posts within 5 months of their return ^{have} to be released from the bond, Sri Chandran may be offered the post referred to above irrespective of the decision on the question of his release from the bond. In this view, a draft order appointing him as Instr at Kakinada, is submitted for approval.

It is presumed that no special report should be called from the S.D. Mr. Brahmin
